Love On Call A Temporary Lover:

In Love With Disaster Mo'Nik,2018-10-17 Failed relationship after failed relationship Aleina Walters never gave up on love and never let the mistakes of the past men she was involved with keep her from moving on Even after encountering men like Jahmeel who was a cheater and controlling or Mason who gave her two beautiful children that he couldn't and wouldn't provide for leaving her to struggle before leaving him for good Aleina knew that her soulmate existed he just had to find her Then Assiah Disaster Grand found her in the least expected of ways His handsome face great body charm and hard work ethic made him a catch for her or any woman for that matter He quickly swept her off of her feet taking her children in as his own and giving her everything that she ever wanted including a real family When things are too good to be true however they probably are and soon her paradise turns into a disaster Disaster's controlling abusive disrespectful and cheating ways has Aleina living in fear and unhappy in her life and marriage By then it's too late to escape she is now Disaster's wife whom in his mind he owns What will become of this not so beautiful love story And will Aleina make it out alive and find true love and happiness

the Marriage Covenant John Kippley,2014-01-23 The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act Thus the title Sex and the Marriage Covenant is an appropriate description of the book's contents Marriage comes into being by a couple unreservedly entering God's covenant of marriage contraceptive intercourse contradicts the very essence of the marriage covenant From these considerations Kippley developed the covenant theology of sexuality described in this book **The Foolish Lovers** St. John Greer Ervine,1920

(Margaret), 1891 Johnny Something That Rhymes Tannie Stovall, 2005-06-28 Johnny is the concluding book of the Johnson Family saga Like the first two books in the series Booker and Leroy it deals with the life of the Johnson family an African American family that lives in France The novel begins after Johnnys prostate gland has been surgically removed because of cancer The prospect that he will eventually die of the ailment does not bother him as much as the possible permanent loss of sexual potency However the experience does remind him that he is mortal which causes him to review his life He concluded that the greatest threat to his serenity during the time that he has left is the imminent lost of love and respect of his grand children Johnnys goal becomes to transform himself from ghetto to mainstream The first part of the book deals with Johnnys early life He is born in a small town on the Chattahoochee River in Alabama His scholastically and religious education are described as well as his ambitions and frustrations He is saved from a impending mediocre life by enlisting in the Marines In Korea he becomes a war hero that later enables him to find decent employment in his hometown He marries Louise a local girl and yields to pressure from her for a honeymoon in Paris The couple like Paris so much that they decide to remain there

After two children Leroy and Booker the couple falls apart The social pressures leading to the rupture are described In Paris the couple is acutely aware of their relative poverty and low cultural level Johnny feels that they should concentrate on accumulating wealth whereas Louise desires to improve their social status Johnny becomes a dealer in stolen merchandise mostly items stolen from the US army by soldiers He and a French partner later open a cabaret for African American soldiers in Paris which expanded into a series of bars and other small businesses in the Paris area Louise becomes increasingly cosmopolitan while serving as an international civil servant with UNESCO Their different situation and prospective gradually makes life together untenable Louise abandoned him and their children to follow her lover to Miami Years after Louise leaves the couple now has grand children in France and Johnny has a second wife Fabienne a woman from Guadeloupe The improvement in the quality of life for African Americans in the United States especially increasing jobs opportunities causes Johnny to question whether it would not be better for the grandchildren for the family to return to the United States Parallel to Johnnys story is that of one of his grand children Aurlien Aurliens parents and grand parents arranged for him to grow up in an upper class white neighborhood Aurlien only becomes aware of the black community as a teenager He then notices that he is treated differently from his white school friends His first awakening comes when he realized that some of his friends have a problem with him and white girls A second wake up came when some of his friends join a secret racist group Fofew that one of his teachers organizes Finally he was the unintentional victim of a racist attack directed toward Obafemi a Nigerian street drug dealer The contrast between the perception and treatment of Africans and African Americans in Paris is examined in detail The ramifications of Africans trying to migrate to Europe in order to find a better life are also treated Obafemi unsuccessfully attempts to find work in France and finally settles on dealing in illegal drugs after refusing pandering is one of the subplots A distance relative of Obafemi Ogunlana moving from drug dealing to the establishment of an African prostitution rings because it was safer is also related The stories of many other colorful African American characters that haunted Paris in the later half of the 20th century are also revealed A recurrent theme in the novel is Johnn
