

The background of the image features the silhouettes of a man and a woman in a romantic embrace, about to kiss. A vibrant, multi-colored light effect, resembling a rainbow or a nebula, emanates from behind them, creating a dreamy and passionate atmosphere. The colors transition from deep reds and oranges on the left to bright yellows and greens in the center, and finally to deep blues and purples on the right.

The EROS Equation Eve Eschner Hogan,2014-03-01 Based on the idea that it is our own response to a situation rather than the situation itself that creates a particular outcome The EROS Equation is a unique approach to improving relationships Instead of focusing on difficult partners or problems author and relationship adviser Eve Eschner Hogan enables us to uncover new and creative responses in ourselves using the EROS equation As she explains in the introduction Hogan developed this problem solving tool through years of work with clients colleagues and in her own marriage She named it the EROS equation because it can be written as Event Response Outcome and Solutions E R O and S Invocative of the Greek god of love this empowering outlook leads to deeper self knowledge and more harmonious relationships Writing in accessible short chapters Hogan uses real life examples to look at typical relationship issues from daily annoyances to extramarital affairs She highlights common responses that don t work and applies the EROS equation to show us how our own wisdom intuition and creativity can reveal solutions The EROS Equation makes clear that by changing an unhelpful habitual response that blocks understanding we can create a loving and solution oriented outcome

Finding True Love in a Prickly Pear World ,IBG,2022-06-21 What the heck is a prickly pear Webster defines it as a spiny pear shaped edible fruit that grows on the Opuntia cacti found in dry arid climates So what correlation does a prickly pear have with us Well it s been said that the world is our oyster and we are the pearls it produces However in this book we will discover that the world is our cactus and we are the prickly pear people it produces As prickly pear people we ve learned to love conditionally where love must be earned and deserved to gain it and performance is required to maintain and keep it That is NOT true of God s love Therefore this book provides a powerful resource to learn to love beyond what we ve been taught Within its pages the attributes of true unconditional love are defined in vivid detail to explore what it is and how it acts There is also the opportunity to reexamine the common beliefs about love and discover the stark contrast between God s love and the way the world loves that has been promoted through the media music opinions influences of our peers and those in our Christian circles This is a contemplative life changing journey that is sure to inspire us to think speak and act differently than the world around us in the way we love one another If you re ready to find true love in this prickly pear world your search for a love worth finding begins here
