Love That Detail:

Love in the Details Becky Wade, 2015-10-27 Holly ended things to give him a better life but she was the future he d always dreamed of Eight years have passed since Holly last saw her high school sweetheart Josh Now the wedding of Josh s best friend has brought him back to Martinsburg Texas His duties as best man and Holly s as the church s volunteer wedding coordinator link them together As they work behind the scenes to plan a beautiful November wedding for their friends they re forced to confront painful reminders of what might have been Holly broke up with Josh all those years ago in an attempt to ensure his future success However she never told him the true reason behind her actions and now must decide whether to keep her secret hidden She s terrified of letting herself fall for him because she barely managed to piece her life back together after losing him the last time Not a day s gone by since Josh parted from Holly that he hasn t thought about her The pain of the past eight years has been too much to bear and he doesn t want to make himself vulnerable to her again But the more time he spends with her the harder it is to deny the love he still has for her Will Josh and Holly risk their hearts on the hope that God s timing really can be best

A Detailed Explication of T. S. Eliot's The Love Song of J. Alfred

Prufrock Harry Eiss, 2022-03-22 Do I dare disturb the universe This is a question recognized by people around the world If typed into the internet hundreds of examples appear Many know that it comes from one of the best known poems of the previous century T S Eliot s The Love Song of J Alfred Prufrock What many do not know is that Eliot dramatically shifted his views at the height of his fame for writing such dark poetry as this and The Waste Land becoming a sincere devoted Christian While his poetry is famous because it expresses the loss of a spiritual center in European civilization a careful reading of it reveals that he was struggling with his Christianity from the beginning not rejecting it but trying to make it fit into the contemporary world If the reader works through Eliot s love song for all of the esoteric meanings as he demands it quickly becomes evident that he intended it as a struggle between agape amour and eros Beginning it with a quote from Dante forces that into place Though the protestant forms of Christianity have changed their views on these the Roman Catholic holds fast Eliot references Michelangelo in the poem bringing in the great painter of the ceiling of the Sistine Chapel Most immediately recognize his name and work but do not realize how he expressed a similar personal struggle between the desires of the flesh and the spirit Both of them admired Dante s Divine Comedy and its inclusion of amour as a means to salvation Dante s work is generally seen as the greatest literature ever to come out of Italy This book is an expanded revision of Seeking God in the Works of T S Eliot and Michelangelo It explores how T S Eliot struggled with the highest meanings of existence in his poetry and his own life and perhaps managed to express what has become known as a modernist and post modernist view of what Rudolph Otto designated the *mysterium tremendum* the experience of a mystical awe the experience of God [Details In Love](#) L. well as giving you self knowledge this book can lead you more deeply into relationship with God **Love, Beauty or Morality** Alberto Castelli,2024-05-23 This book is moved by two main questions Is Love a matter of beauty or mortality In other words is love an ethical ideal Also modernity understood as the age of mechanical reproduction has shaped not simply our cities but our very same way of feeling How has our conception of love changed if it has in the past two centuries This book is to address these questions It is not to trace the evolution of the idea of love in Western culture from Plato to the present day It aims to bring to the surface different shades of love lingering at the heart of Western culture to rehabilitate the myth of love to its original credibility Our confused civilization has split love into sensual and moral aspects but to be aware of it is perhaps to defeat a dilemma that seems so unnatural This book is about how we make sense of our lives through love and how nineteenth and twentieth century literature records it **A Love for Nothingness, A Love for Death**

Alberto Castelli,2024-06-15 This book aims at explaining romantic love between straight adults through literary texts of the western canon from the nineteenth and twentieth century Each chapter comes with a multidisciplinary approach in which protagonists are mutilated in their quest for loving as alternative to annihilation The book emphasizes love as an obsession thus as an exploration of the mind From the passion myth of Tristan and Isolde to the nihilist modernist representations the western world has created a perverse concept of love A love for nothingness for death Narcissistic and at times destructive love is gained by overcoming obstacles If without obstacles there is no love then love becomes love for obstacles Within this masochistic frame love falling in love being loved always stand at the edge of pathology At its core this book narrates a love story more precisely a story of loves the haunting evocation of a desire that by its very nature cannot be fulfilled Inherent in the nature of love is a subtle dialectical activity between presence and absence between creation and destruction reality and void Accordingly the narrative raises questions that the past two centuries were incapable of answering Does love only last the time of a kiss Is its promise fatally destined to dissolve What about violence Physical emotional temporal Is it an ineliminable part of love or its most extreme profanation And what is the mystery that accompanies loves that know how to last without resigning themselves to the death of desire It is to answer some of these questions that I wrote this text Love is an unconscious process that dominates reason and destroys it when reason cannot be a mode of communication Hence the amorous romance is madness and this text is written as a loud reminder **Bi-sexual**
