Lukes Thrilling Gospel:

Luke's Thrilling Gospel Ivor Powell, 1984-07-01 Powell presents vivid illustrations and alliterative outlines that blend exposition and rich spiritual insight **Luke's Thrilling Gospel** Ivor POWELL (of California.), 1965 **Luke's Jesus** Joseph Blenkinsopp, 2021-10-12 The third evangelist tells the story of Jesus in clear dramatically compelling and humanly moving terms His Jesus is a man of great power a deep sense of mission and profound compassion for those on the outskirts of society And Luke's Gospel has the best stories that is parables including a number that are unique to him Luke's story fills in the gap between born of the virgin Mary and suffered under Pontius Pilate in the Apostles Creed While it is usually important for those who write biography to report how the lives of their subjects began and ended Luke's story of Jesus's birth differs from Matthew's version and the conclusion to Luke's account of Jesus's life ends neither with his death nor with his resurrection but with his being taken up from the earth to the heavens The Gospel of Luke is historical in its approach for which there are no apologies a historical reading follows necessarily from the Christian doctrine of the incarnation which teaches that God has entered the history of humanity through Jesus At the same time Luke's approach is theological together with the other evangelists Luke intends to show his readers that in the person of Jesus of Nazareth God has drawn near to humanity in an inexpressible and unique way **The Composition of Luke's Gospel** David E. Orton, 2023-08-14 This is the first in a series of publications designed to make previously published journal material available in a more convenient and accessible form Many university and seminary teachers will find the selections suitable not only for their personal use but also for their classes This reader contains a selection from the best articles in English on Luke's literary work to have appeared to date in the journal *Novum Testamentum* It offers a balanced representation of the discussion over a period of four decades The articles clearly demonstrate that interest in Luke's literary artistry is not merely a feature of the most recent biblical study Readers will find here many insights from decades past which are entirely relevant to current modes of biblical appreciation Indexes of authors and biblical references add to the usefulness of this volume **Luke 6:40 and the Theme of Likeness Education in the New Testament** Thomas W. Hudgins, 2014-01-07 What does Jesus mean when he says A disciple is not above his teacher but each disciple after being fully trained will be like his teacher Luke 6 40 This verse has been quoted cited and referenced in vast amounts of Christian education and discipleship literature Nevertheless the verse is nearly untouched in exegetical discussions with the exception of source critical analyses From this verse arises an undeveloped theme in the Gospel of Luke and the New Testament the theme of likeness education Using content analysis methodology Luke 6 40 one of the keystone passages in Christian education literature serves as the starting point for mining out the theme of likeness education in the New Testament This study consists of three concentric areas of investigation 1 Luke 6 40 and its immediate context 2 Luke Acts and 3 the New Testament corpus **Heaven** Ivor Powell, What is heaven like You might be surprised This veteran pastor gathers a biblical description of the Father's country The Four Gospels:

Mark, Luke, and John Abiel Abbot Livermore, 1844

A Thematic Access-Oriented Bibliography of Jesus's Resurrection

Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present-day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access-Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic (e.g., Christian, Jewish, Muslim, etc.), agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

Rethinking the Acceptable Year

Christopher James Luthy, 2019-11-13 The biblical Jubilee has enjoyed increasing prominence in Lukan and missional literature, much of which has been based on suggested Jubilee allusions throughout Luke Acts, especially Luke 4:16-30. This study questions the presence of such allusions, arguing that the suggested references are better understood within the broader and more explicit tradition of the Basileia of God. Every suggested Lukan textual and thematic reference to the Jubilee is examined with particular attention given to the Nazareth episode, Luke 4:16-30, which is often cited as the most explicit Jubilee reference. The study also addresses some fundamental issues which have informed recent exegeses, including Luke's use of the term, the theme of the Basileia of God throughout Luke Acts, and the importance of Isaiah 61, both the first-century traditions that may have influenced Luke as well as how Luke employed the text throughout his two-part work.

Luke Tyndale House Publishers, 1999-06-26 The popular Life Application Bible Studies are now available in the New Living Translation. Each study provides an in-depth examination of a particular Bible book using the New Living Translation text and notes from the Life Application Study Bible.
