Hill, Charles H. Lippy, Charles Reagan Wilson, 2005 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than 20 years the only reference book in the field of the Religion in the South has been totally revised and updated Each article has been updated and bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on Religion in the South New articles have been added on such topics as Elvis Presley Appalachian Music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson Popular Religion Pat Robertson the PTL Sports and Religion in the South theme parks and much more This is an indispensable resource for anyone interested in the South religion or cultural history     **Adoniram Judson** Jason G. Yarbrough, Michael Kuykendall, 2021-09-09 Southern Baptists have a unique and colorful story Birthed in the time of slavery controversy their theology on this and human rights issues has changed as cultural and societal developments occurred One thing that never changed however was their zeal for evangelism They eventually grew to become the largest Protestant denomination in the United States Later a major controversy in the late twentieth century pitted conservative Baptists

against moderates Both sides however wrote histories of the controversy from their own perspectives These histories were significant for understanding how each side interpreted the events These pages attempt to fill a missing gap Readers will hear the Southern Baptist story from both sides Understand from this how Southern Baptists work think grow argue and have changed over time They have weathered the ups and downs of history to reveal an ever growing heritage Baptist Mission Portraits John Allen Moore,1994 Moore explores the inspirational lives of William Carey Luther Rice Lott Cary William Knibb Adoniram Judson and John Everett Clough in this rich Baptist mission resource for study groups and programs
