## **Luther H Holton A Founding Canadian Entrepreneur:**

Luther H. Holton Henry Cornelius Klassen,2001 From the success of his various business ventures he moved easily into the world of politics Luther Holton was finance minister of the United Province of Canada from 1863 to 1864 leading the battle to reform the finance department and to enhance the province s credit in London England **Show No Fear** Bernd Horn,2008-07-14 This volume of daring actions showcases the countrys rich military experience while capturing the indomitable spirit of the Canadian soldier *Rebels on the Great Lakes* John Bell,2011-09-14 In 1863 1864 Confederate naval operations were launched from Canada against America with an unexpected impact on North America s future Since the terrorist attacks of 9 11 a myth has persisted that the hijackers entered the United States from Canada This is completely untrue Nevertheless there was a time during the U S Civil War when attacks on America were launched from Canada but the aggressors were mostly fellow Americans engaged in a secessionist struggle Among the attacks were three daring naval commando expeditions against a prisoner of war camp on Johnsons Island in Lake Erie These Confederate operations on the Great Lakes remain largely unknown However some of the people involved did make more indelible marks in history including a future Canadian prime minister a renowned Victorian war correspondent a beloved Catholic poet a notorious presidential assassin and a son of the abolitionist John Brown The improbable events linking these figures constitute a story worth telling and remembering *Rebels on the Great Lakes* offers the first full account of the Confederate naval operations launched from Canada in 1863/64 describing forgotten military actions that ultimately had an unexpected impact on North Americas future *Canadian Books in Print.
