Lohrmann, 2021-01-12 In an engaging and accessible style Martin J Lohrmann introduces readers to fascinating glimpses of faith courage and love in action within the global Lutheran community that now numbers over 70 million members in churches worldwide He shows how Lutheranism is a much more diverse and global expression of the Christian tradition than most realize This matches the expansive view of the church universal that the Reformers held when they presented the Augsburg Confession in 1530 As Philipp Melanchthon put it the church consists of people scattered throughout the entire world who agree on the gospel and have the same Christ the same Holy Spirit and the same sacraments whether or not they have the same human traditions Although Lutheranism first grew and spread in central and northern Europe some of the most vibrant Lutheran communities are now in Africa and Asia There are more Lutherans in Tanzania than in Sweden and more Lutherans in Indonesia than in Norway The single largest Lutheran church body in the world is the Ethiopian Evangelical Church Mekane Yesus with over 8 million members and a focus on caring for the whole person Outside of Europe Namibia is the only country with a majority Lutheran population Lutheran members of the global body of Christ have much to learn from and share with one another The book largely follows the subjects listed in the Timeline of Global Lutheranism that Lohrmann created for Lutheran Quarterly Journal to commemorate the 500 year anniversary of the Protestant Reformation      **Historical Dictionary of Lutheranism** Günther Gassmann, Mark W. Oldenburg, 2011-10-10 The Reformation of the 16th century was a complex and multifaceted political social cultural and religious process Most historians agree however that in the framework of this process it was the religious and theological efforts to reform and renew the late medieval church decadent and irrelevant in many ways that were the initiating forces that set a broad historical movement in motion Among these reforming religious and theological forces the Lutheran reform movement was the most important and influential one It was the historical impact of the theological genius of the Wittenberg professor Martin Luther 1483 1546 that profoundly changed and shaped the face of Europe and beyond Today Lutheranism has become a worldwide communion of churches that stretches from Germany to Siberia Papua New Guinea Madagascar and Surinam The second edition of the Historical Dictionary of Lutheranism presents information on major theological issues historical developments of Lutheranism worldwide Lutheran ecumenical and missionary involvement and activities worship and liturgy spirituality social ethics inter religious and Jewish relations Lutheranism and the arts theology and important

Early, Jr., 2022-10-15 Because of Eve is a thorough examination of how the Church and Christian men sought to define women and the roles women must play within the church home and society for more than two thousand years The book examines the works of theologians decrees of councils canon law statements of faith and a myriad of other pronouncements that affected their generation and the following generation s beliefs concerning women Each chapter considers the era in which these beliefs were voiced as much of what was accepted as orthodoxy was reflected in or based on cultural beliefs WORDS OF PRAISE This important study surveys the roles of women roles often assigned to them by men through both biblical testaments and across Christian history to the contemporary church It is a significant research resource for understanding historical theological spiritual and cultural interactions between males and females and the religious dogmas that influenced and divided them Bill J Leonard Emeritus Professor of Divinity Wake Forest University Joseph Early has meticulously researched the primary sources throughout the history of the Church to show definitively how men for their own purposes have used the Bible to categorize and define women Early then goes further to show how these erroneous and unbiblical beliefs are reflected and amplified in some modern day theologies and practices As an observer of this six year long research project I can attest to the author s innate dedication and fidelity to the task of showing how God s word is not

detrimental to women but instead uplifts them as co heirs with Christ and indeed on equal ground with their brothers in Christ Twyla K Hernandez Professor of Missions Campbellsville University Joseph Early's Because of Eve Historical and Theological Survey of the Subjugation of Women in the Christian Tradition is an incredibly useful compendium of Christian men's beliefs about women across church history With careful detail and ample primary source evidence Early demonstrates how for most of church history men have offered biblical interpretations and constructed misogynistic theologies that maintain and reproduce the subordination of women This volume will be helpful for academics and general readers alike for its comprehensive documentation of the treatment of women in men's thinking and writing from biblical times until the present Susan M Shaw Professor of Women Gender and Sexuality Studies Oregon State University      **World Lutheranism** Donald L.
