## **Lyn A Story Of Prostitution:**

Lyn June Levine, Lyn Madden, 1988      **The Field Day Anthology of Irish Writing** Seamus Deane, Andrew Carpenter, Angela Bourke, Jonathan Williams, 1991      Lyn's Escape Lyn Madden, 2007 Lyn Madden worked for twenty years as a prostitute until one night she watched her lover and pimp throw a firebomb through the window of a house killing three women That shocking murder enabled her to summon up the courage to denounce her lover to the police Here in Lyn s own voice she begins her story with a police escort up the gangplank of a ferry fleeing Ireland in the hope of a safer future Lyn struggles against the ex lovers abusers and demons that continue to haunt her and her children But through therapy and education Lyn undergoes an impressive evolution from prostitution to a contributing member of society This is a wonderful story of a woman who got a chance later in life to try to put herself on a better course away from the world of crime and exploitation      *A History of Modern Irish Women's Literature* Heather Ingman, Clíona Ó Gallchoir, 2018-07-26 This book offers the first comprehensive survey of writing by women in Ireland from the seventeenth century to the present day It covers literature in all genres including poetry drama and fiction as well as life writing and unpublished writing and addresses work in both English and Irish The chapters are authored by leading experts in their field giving readers an introduction to cutting edge research on each period and topic Survey chapters give an essential historical overview and are complemented by a focus on selected topics such as the short story and key figures whose relationship to the narrative of Irish literary history is analysed and reconsidered Demonstrating the pioneering achievements of a huge number of many hitherto neglected writers *A History of Modern Irish Women s Literature* makes a critical intervention in Irish literary history

**Reading the Prostitute** Lorna Ryan, 2018-12-20 First published in 1997 this study aims to forge new connections between debates on prostitution media processes and everyday life in its exploration of depictions of female prostitution in British and Irish broadsheet newspapers between 1987 and 1991 Lorna Ryan first examines a range of discourses on prostitution before proceeding to areas including signals of prostitution and images in the press Encompassing both textual and visual analyses Ryan demonstrates that these newspapers relied on appearance place time motive and intent in categorising women as prostitutes      Prostitution and Feminism Maggie O'Neill, 2013-06-25 Feminists have long differed in their view of prostitution While some regard it as a classic form of exploitation and degradation others offer a more sympathetic interpretation of women s involvement in the sex industry In this important new book Maggie O'Neill seeks to explore the theoretical debates on prostitution and the relevance of these to the everyday lived experiences of women working on the streets Based upon her own ethnographic research defined as ethno mimesis the author seeks to undermine and demystify stereotypical images of prostitutes She explores the narratives offered by prostitutes themselves as well as other forms of their representation in film art and photography and shows how these various mediums may be used to shed light on the socio economic processes and structures which lead women into prostitution These personal accounts produce

what O'Neill refers to as a politics of feeling which she argues may be used to transform attitudes policy and practice in relation to female prostitution By relating these individual experiences to critical feminist theory the book deepens our understanding of the phenomenon of prostitution in contemporary society The book will be of particular interest to students and scholars in gender studies feminist theory and sociology Documentation Sur la Recherche Féministe, 1989

articulates political issues of direct relevance to the lives of Irish women today As a result such work retains close links with the initial impetus of the second wave of feminism as a political movement and questions the legitimacy of long standing social religious and political conventions From within the framework provided by this second wave argues Pelan Irish women can critique certain masculine ideologiesnationalist unionist imperialist and capitalistwithout forfeiting their own sense of gender and national or ethnic identity The book s significance lies in its placement of women s writing in the center of contemporary political discourse in Ireland and in ensuring that the writing from this periodmuch of it long out of printcontinues to exist as sociological as well as literary records It will be of interest to a general and scholarly audience especially those in the fields of contemporary Irish writing feminism and literary history *Something of Myself and Others* Mary Kenny,2013-11-15 We are all witnesses of our time and this is something of a witness to mine *Something of Myself and Others* is a fascinating collection of articles and reflections on the public and private life of one of Ireland s best known journalists Detailing memorable events in her life as well as those she has witnessed in Ireland s recent history Mary Kenny recalls her experiences with humour and charm In this collection of articles some of which have appeared previously in a number of newspapers and magazines Kenny reflects on the people she has known the places she has been and the experiences that have shaped her *Something of Myself and Others* is a wonderfully varied and entertaining read In it Mary chronicles her adventures as a young ambitious journalist through to her current personal challenges with illness and loss She recalls bringing down a Cabinet minister aboard the Queen Mary introducing Irish president Michael D Higgins to his wife interviewing Grace of Monaco and Marlene Dietrich and being complimented by the Queen She talks with great heart about the absent friends that have influenced her such as Terry Keane June Levine and Maeve Binchey She gives her account of the now infamous trip to Belfast aboard the contraception train as well as some reflections on culture religion and Irish society Alongside stories of the famous faces she has encountered Mary also writes candidly on the loss of her sister Ursula and her recent experience as primary carer for her husband Richard *Something of Myself and Others* is not an autobiography Instead Mary Kenny has assembled a refreshing collection of articles that are sometimes funny often poignant and always sharply perceptive giving a wonderful insight into the life of one of Ireland s most prolific journalists
