Turn your magic on  
Umi she'd say  
Everything you want's a dream away  
And we are legends every day  
That's what she told me

Turn your magic on,  
To me she'd say  
Everything you want's a dream away  
Under this pressure under this weight  
We are diamonds

Now I feel my heart beating  
I feel my heart underneath my skin  
And I feel my heart beating  
Oh you make me feel  
Like I'm alive again  
Alive again  
Oh you make me feel  
Like I'm alive again

Said I can't go on, not in this way  
I'm a dream that died by light of day  
Gonna hold up half the sky and say  
Only I own me  
And I feel my heart beating  
I feel my heart underneath my skin  
Oh I can feel my heart beating  
Cause you make me feel  
Like I'm alive again  
Alive again  
Oh you make me feel  
Like I'm alive again

Turn your magic on, Umi she'd say  
Everything you want's a dream away  
Under this pressure under this weight  
We are diamonds taking shape  
We are diamonds taking shape

If we've only got this life  
This adventure oh then I  
And if we've only got this life  
You get me through  
And if we've only got this life  
In this adventure oh then I  
Want to share it with you  
With you  
With you  
Yeah I do  
Woohoo  
Woohoo  
Woohoo

**Life Time Entirety** Helena Maria Keizer,2010-04-15 Some of the theses developed in this book In the meanings of the ancient Greek word *aiōn* lifetime life lot generation all time eternity three notions play a part in variable combinations and with a variable centre of gravity These notions are LIFE TIME ENTIRETY The meaning of the words *aion* and *aionios* in the Greek Bible Septuagint and New Testament is primarily that of the Hebrew word *olam* The Hebrew word *olam* indicates time as it constitutes for us humans the horizon within which we live and which

delimits the scope of the knowledge given us This horizon can be limited as a human lifetime but can also be the widest conceivable encompassing all time that is concomitant with the created world and its future When Plato pronounces his famous dictum that time chronos is an aionic image which proceeds according to number of aion which remains at one Timaeus 37d the term eternity as the classic translation of aion does not give expression to the fact that the word here stands for time as a whole a completeness of time comparable to a lifetime Infinity is not an intrinsic or necessary connotation of aion either in the Greek or in the Biblical usage The Greek word aion refers to all time seen from outside as a whole the Hebrew word olam refers to all time seen from within as a horizon Chaucer and Petrarch William T. Rossiter,2010 translative strategies Furthermore Chaucer s references to Petrarch in his prologue to the Clerk s Tale and in the Monk s Tale provide a means of gauging the intellectual relationship between two of the most important poets of the time Book Jacket American Music Nicolae Sfetcu,2014-05-09 The music of the United States is so cool It reflects the country s multicultural population through a diverse array of styles Rock and roll hip hop country rhythm and blues and jazz are among the country s most internationally renowned genres Since the beginning of the 20th century popular recorded music from the United States has become increasingly known across the world to the point where some forms of American popular music is listened to almost everywhere A history and an introduction in the ethnic music in the United States American Indian music classical music folk music hip hop march music popular music patriotic music as well as the American pop rock barbershop music bluegrass music blues bounce music Doo wop gospel heavy metal jazz R B and the North American Western music

**Unwritten Poetry** Scott A. Trudell, 2019-03-07 Vocal music was at the heart of English Renaissance poetry and drama Virtuoso actor singers redefined the theatrical

culture of William Shakespeare and his peers Composers including William Byrd and Henry Lawes shaped the transmission of Renaissance lyric verse Poets from Philip Sidney to John Milton were fascinated by the disorienting influx of musical performance into their works Musical performance was a driving force behind the period s theatrical and poetic movements yet its importance to literary history has long been ignored or effaced This book reveals the impact of vocalists and composers upon the poetic culture of early modern England by studying the media through which and by whom its songs were made In a literary field that was never confined to writing media were not limited to material texts Scott Trudell argues that the media of Renaissance poetry can be conceived as any node of transmission from singer s larynx to actor s body Through his study of song Trudell outlines a new approach to Renaissance poetry and drama that is grounded not simply in performance history or book history but in a more synthetic media history
