W. Kendrick Pritchett

Lysias And The Corpus Lysiacum:

Lysias and the Corpus Lysiacum Kenneth James Dover, 1968 Lysias a resident alien at Athens in the late fifth and early fourth centuries B C E acted as a consultant for clients involved in litigation and put into circulation written versions of the speeches that he composed for them In the early Hellenistic period a corpus of more than four hundred speeches was ascribed to him however literary critics in the first century C E formed the opinion that scarcely more than half that number were correctly ascribed In late Roman times a small selection of speeches was made without regard for the opinions of critics on authenticity and that selection has survived Our knowledge of the remainder is fragmentary and indirect K J Dover examines the extent to which and the means by which the work of the individual Lysias can be distinguished within the total corpus ascribed to him One part of the examination is an attempt to reconstruct the entire process of transmission from the making of the late Roman selection through the internal arrangement of the corpus in ancient editions to the relation between client and consultant at the time of writing The other part evaluates the criteria used to establish authenticity chronology ideology and style Dover concludes that any demand for a clear division of the speeches into two categories authentic and spurious is unreasonable and methodologically unsound Instead we must content ourselves with degrees of probability and treat the corpus as presenting us not with an individual but with certain aspects of Athenian art and society This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1968 Lysias and the Corpus Lysiacum Kenneth James Dover, 1988 **Rec. a K. J. Dover, Lysias**

and the Corpus Lysiacum Umberto Albin, 1971 **K. J. Dover: Lysias and the corpus lysiacum. Berkeley/Los Angeles: California UP 1968. X, 200 S. (Sather classical lectures. 39.) 6,50\$.** Umberto Albin, *Lysias Ant the Corpus Lysiacum* Dover, **Fearmongering in Greek and Roman Literature and Beyond** Priscilla Gontijo Leite, Ian Worthington, 2025-08-25 This volume provides for the first time a focused study of scare tactics and fearmongering in a broad range of Greek and Roman authors and genres showing how alarmist tactics were used in both antiquity and today Scare tactic rhetoric is a timely topic fear in current politics can justify actions and decisions and be used to control what is debated in the public arena with the truth often shaped and even removed from what was being said The ancient world was no different In this volume an international selection of scholars discusses how and why alarmist tactics were used in a variety of genres in Greco Roman literature including oratory historiography drama philosophy and children s stories to convey political messages and ideas They also draw parallels between ancient and contemporary fear Fearmongering in Greek and Roman Literature and Beyond is suitable for students and scholars in Classics and Ancient History Rhetoric and Rhetorical Theory Ancient Societies and Politics as well as those operating in adjacent fields of study along with the general

reader interested in the ancient world psychology politics and the exploitation of rhetoric Creating the Ancient Rhetorical Tradition Laura Viidebaum,2021-11-18 A new account of the emergence of the ancient rhetorical tradition from Classical Athens to Augustan Rome *The Orators and Their Treatment of the Recent Past* Aggelos Kapellos,2022-12-05 This volume focuses on the representation of the recent past in classical Athenian oratory and investigates the ability of the orators to interpret it according to their interests the inability of the Athenians to make an objective assessment of it and the unwillingness of the citizens to hear the truth make self criticism and take responsibility for bad results Twenty eight scholars have written chapters to this end dealing with a wide range of themes in terms both of contents and of chronology from the fifth to the fourth century B C Each contributor has written a chapter that analyzes one or more historical events mentioned or alluded in the corpus of the Attic orators and covers the three species of Attic oratory Chapters that treat other issues collectively are also included The common feature of each contribution is an outline of the recent events that took place and influenced the citizens and or the city of Athens and its juxtaposition with their rhetorical treatment by the orators either by comparing the rhetorical texts with the historical sources and or by examining the rhetorical means through which the speakers model the recent past This book aims at advanced students and professional scholars This volume focuses on the representation of the recent past in classical Athenian oratory and investigates the ability of the orators to interpret it according to their interests the inability of the Athenians to make an objective assessment of persons and events of the recent past and their unwillingness to hear the truth make self criticism and take responsibility for bad results Dionysius of Halicarnassus: On Thucydides W. Kendrick Pritchett,2024-03-29 Dionysius of Halicarnassus On Thucydides English Translation offers an insightful analysis of Thucydides work bringing a fresh perspective to his syntax style and historical narrative This English translation based on the Greek text of Usener Radermacher serves as both a guide for scholars and a resource for students of Thucydides especially those keen on understanding the nuances of his historical writing Dionysius commentary on the History of the Peloponnesian War reveals his deep engagement with the style and technique of Thucydides focusing on aspects like the use of language the structure of speeches and the overall rhetorical approach Throughout the translation modern scholarship is interwoven with Dionysius critiques offering clarity and further context making this a valuable resource for anyone looking to explore the complexities of Thucydides work The text also presents a critical examination of the difficulties involved in translating ancient rhetorical terminology and the challenges Dionysius faced when assessing Thucydides style Dionysius while critiquing the structure and style of Thucydides often places emphasis on his own rhetorical ideals which were shaped by his era s standards of literary composition His focus on figures of speech metaphorical vocabulary and stylistic precision offers readers a glimpse into the literary criticism practices of ancient Greece and Rome This edition through its comprehensive commentary and detailed footnotes sheds light on the often overlooked aspects of Thucydides writing and provides insights into the evolution of Greek historiography making it an

indispensable work for both historical and literary scholars This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1975 **Freedom and Power in Classical Athens** Naomi T. Campa, 2024-04-11 Freedom to do whatever one wishes structured Athenian democratic ideology with consequences that empowered citizens and oppressed others

History of Greek Literature Albrecht Dihle, 2013-04-15 The most up to date history of Greek literature from its Homeric origins to the age of Augustus Greek literary production throughout this period of some eight centuries is embedded in its historical and social context and Professor Dihle sees this literature as a historical phenomenon a particular mode of linguistic communication with its specific forms developing both in an organic way and in response to the changing world around In this it differs from conventional humanist approaches to Greek and Latin literature which analyse the works as objects of timeless value independent of any historical setting or purpose This magisterial survey by one of the leading European authorities on classical literature will establish itself as it already has in Germany as the standard account of the subject

Fragmentation in Ancient Greek Drama Anna A. Lamari, Franco Montanari, Anna Novokhatko, 2020-08-10 This volume examines whether dramatic fragments should be approached as parts of a greater whole or as self contained entities It comprises contributions by a broad spectrum of international scholars by young researchers working on fragmentary drama as well as by well known experts in this field The volume explores another kind of fragmentation that seems already to have been embraced by the ancient dramatists quotations extracted from their context and immersed in a new whole in which they work both as cohesive unities and detachable entities Sections of poetic works circulated in antiquity not only as parts of a whole but also independently i e as component fractions rather like quotations on facebook today Fragmentation can thus be seen operating on the level of dissociation but also on the level of cohesion The volume investigates interpretive possibilities quotation contexts production and reception stages of fragmentary texts looking into the ways dramatic fragments can either increase the depth of fragmentation or strengthen the intensity of cohesion

Phaedrus Plato, Alexander Nehamas, Paul Woodruff, 1995-01-01 A superb translation that captures the rhetorical brilliance of the Greek The translation is faithful in the very best sense it reflects both the meaning and the beauty of the Greek text The footnotes are always helpful never obtrusive A one page outline is useful since there are no editorial additions to mark major divisions in the dialogue An appendix containing fragments of early Greek love poetry helps the reader appreciate the rich and perhaps elusive meaning of eros The entire Introduction is crisply written and the authors erudition shines throughout without a trace of pedantry this is an excellent book that deservedly should find wide circulation for many years to come Tim Mahoney University of Texas at Arlington Paul Woodruff is Professor of Philosophy University of Texas at Austin

The Greek State at War, Part II W. Kendrick

Pritchett,2024-03-29 The volumes of *The Greek State at War* are an essential reference for the classical scholar Professor Pritchett has systematically canvassed ancient texts and secondary literature for references to specific topics each volume explores a unique aspect of Greek military practice The volumes of *The Greek State at War* are an essential reference for the classical scholar Professor Pritchett has systematically canvassed ancient texts and secondary literature for references to specific topics each volume explores a unique aspect of

The Athenian Amnesty and Reconstructing the Law Edwin Carawan,2013-10 This volume explores the amnesty which ended the civil war at Athens in 403 BC It presents a new interpretation of the Athenian Amnesty in its original setting and in view of the subsequent reconstruction of laws and democratic institutions in Athens while also drawing on perspectives from parallels in modern history LUX: Studies in Greek and Latin Literature Myrto Aloumpi,Antony Augoustakis,2024-10-21 This volume of essays in honor of Lucia Athanassaki offers a great variety of chapters on a number of topics in Greek and Latin literature and genres from Greek epic and lyric poetry to Greek drama and late antiquity Greek historiography and Latin lyric poetry

The Conflict in Korea United States. Department of State. Office of Public Affairs,1951 The Law in Classical Athens Douglas Maurice MacDowell,1986

Lives of the Attic Orators Joseph Roisman,Ian Worthington,2015 This volume provides a complete translation of and historical and historiographical commentary on the lives of the ten Attic orators given by Pseudo Plutarch Photius and the Suda Assessing these works as important historical sources for the individual lives and careers of the orators whose works have survived this systematic study explores how these literary biographies were constructed the information they provide and their veracity In depth commentary notes offer contextual information explain references and examine individual rhetorical phrases and a glossary of technical terms provides a quick reference guide to the more obscure oratorical and political terms The volume also includes a detailed introduction which discusses the evolution of Greek oratory and rhetoric the so called Canon of the Ten Orators the authorship dates and sources of the biographies provided by Pseudo Plutarch Photius and the Suda and a brief consideration of orators whose speeches were either falsely attributed to Demosthenes or may be referenced in the ancient lives

Space in Ancient Greek Literature I.J.F. de Jong,2012-03-20 This is the third volume in the series *Studies in Ancient Greek narrative* It deals with the narratological category of space how is space including objects which function as props presented in Greek narrative texts and what are its functions thematic symbolic psychologising or characterising How are longer descriptions organised and integrated into the story Long deemed a mere ancilla narrationis especially in narratives which precede the age of the realist novel space turns out to play an important and multifaceted role in Greek literature
