Farrell, 2018-02-06 From a prize winning biographer comes the defining portrait of a man who led America in a time of turmoil and left us a darker age We live today John A Farrell shows in a world Richard Nixon

made At the end of WWII navy lieutenant Nick Nixon returned from the Pacific and set his cap at Congress an idealistic dreamer seeking to build a better world Yet amid the turns of that now legendary 1946 campaign Nixon s finer attributes gave way to unapologetic ruthlessness The story of that transformation is the stunning overture to John A Farrell s magisterial biography of the president who came to embody postwar American resentment and division Within four years of his first victory Nixon was a U S senator in six the vice president of the United States of America Few came so far so fast and so alone Farrell writes Nixon s sins as a candidate were legion and in one unlawful secret plot as Farrell reveals here Nixon acted to prolong the Vietnam War for his own political purposes Finally elected president in 1969 Nixon packed his staff with bright young men who devised forward thinking reforms addressing health care welfare civil rights and protection of the environment It was a fine legacy but Nixon cared little for it He aspired to make his mark on the world stage instead and his 1972 opening to China was the first great crack in the Cold War Nixon had another legacy too an America divided and polarized He was elected to end the war in Vietnam but his bombing of Cambodia and Laos enraged the antiwar movement It was Nixon who launched the McCarthy era who played white against black with a southern strategy and spurred the Silent Majority to despise and distrust the country s elites Ever insecure and increasingly paranoid he persuaded Americans to gnaw as he did on grievances and to look at one another as enemies Finally in August 1974 after two years of the mesmerizing intrigue and scandal of Watergate Nixon became the only president to resign in disgrace Richard Nixon is a gripping and unsparing portrayal of our darkest president Meticulously researched brilliantly crafted and offering fresh revelations it will be hailed as a master work **Among Friends** M. An Extravagant Hunger Anne Zimmerman, 2012-01-24 Zimmerman has captured the passionate apprenticeship and wandering years with all their turmoil and pleasure interwoven with pain which created such a marvelous writer and such an enduringly luminous woman The Washington Post In An Extravagant Hunger time slows and is relished and the turning points and casual strolls of M F K Fisher's life are unwrapped and savored From the Berengaria that washed her across the sea to France in 1929 to Le Paquis the Swiss estate that later provided a backdrop for some of the most idyllic and fleeting moments of her life the stories of Fisher's love for food and her love for family and men are meticulously researched and exquisitely captured in this book Exploring Fisher's lonely and formative time in Europe with her first husband her subsequent divorce and re marriage to her creative sparkplug Dillwyn Parrish and his tragic suicide and the child she carried from an unnamed father the story of M F K Fisher's life becomes as vibrant and passionate as her prolific words on wine and cuisine Letters and journal entries piece together a dramatic life but An Extravagant Hunger steps further bridging the gaps between personal notes and her public persona filling in the silences by offering an engaging and unprecedented depth of intuitive commentary With a passion of her own Anne Zimmerman is the careful witness lingering beside M F K Fisher through her most dramatic and productive years
