Dashed Amanda Quain, 2024-07-16 In this contemporary update of *Sense and Sensibility* Margaret Dashwood is setting sail on an adventurous summer cruise unless love sinks her first Margaret Dashwood lives her life according to plan and it involves absolutely zero heartbreak thank you very much Five years ago love tore her family apart and since then she's kept her own heart as safe as possible It hasn't been easy especially since her sister Marianne the world's biggest romantic has conveniently forgotten that love burned her so badly she literally almost died So when their oldest sister Elinor invites Margaret along for a Marianne-free summer cruise she can't wait to soak up every scheduled moment with sensible Elinor before heading off to college But just before they set sail a newly single Marianne announces that she's crashing their vacation Suddenly Margaret's itineraries are thrown overboard and the ship's cabin feels even tinier with her sister wailing about her breakup from the bottom bunk The only solution Find Marianne a dose of love to tide her over until they reach land With help from Elinor her husband Edward and Gabe a distractingly handsome new friend on the crew Margaret sets out to create a series of elaborate fake dates that will give Marianne the spontaneously curated summer romance of a lifetime But between a chaotic sister the growing storm of feelings between Margaret and Gabe and an actual storm on the horizon this summer is destined to go off course Margaret will have to decide what's more important following the plan or following her heart **Lexical Concordance to the Poetical Works of Percy Bysshe Shelley** Frederick Startridge Ellis, 1892 **The**
