Macbeth The Shakespeare Folios:

Shakespeare: Macbeth William Shakespeare,1904 *The Tragedie of Macbeth* William Shakespeare,2012-09-26 As Shakespeare's works are most accessible when viewed as working theatrical playscripts *The Tragedie of Macbeth* A Frankly Annotated First Folio Edition preserves the spelling capitalization and punctuation of the First Folio of 1623 while at the same time providing the most comprehensive revelatory and plainspoken annotation to date Based on the principle that Shakespeare's plays were written as popular and not entirely decent entertainments aimed at an adult and not overly refined audience this no nonsense and sexually candid text offers performers scholars and anyone with an interest in Shakespeare a unique resource to gain valuable insights into the play the world in which Shakespeare wrote and the playhouse in which his plays were produced *The Tragedie of Macbeth* James Rigney,2017-09-25 The Shakespearean Originals Series takes as its point of departure the question What is it that we read Shakespeare The answer may seem self evident we read the words that Shakespeare wrote But do we In the case of all the major editions of Shakespeare available in the market the fact of the matter is that many of the words that we read in an edition of say Hamlet never appeared in the text as it was printed during or shortly after Shakespeare's own lifetime They are the interpretations and interpolations of a series of editors who have been systematically changing Shakespeare's text from the eighteenth century onwards This volume offers the text of Macbeth as printed in the 1623 First Folio Macbeth Shakespeare,2009-09 **Macbeth** William Shakespeare,2016-05-02 The Thane of Fife has risen up in rebellion against Duncan King of Scotland and a Thane named Macbeth defeats the rebellious army against steep odds As Macbeth returns home from the battle three weird sisters confront him and tell him that he is destined to be the new Thane of Fife and also that he will become King of Scotland Heady with victory Macbeth sends a letter to his wife telling her this prediction As chance has it King Duncan chooses to visit Macbeth's castle that night and Macbeth's wife is wild with ambition She tells her husband that fate has delivered the King into their hands She wants him to murder the King and take the crown Will Macbeth listen to his wife's urging or will his conscience prevail

Macbeth William Shakespeare,2001 As well as the complete and unabridged text each play in this series has an extensive range of student's notes These include detailed and clear explanations of difficult words and passages a synopsis of the plot summaries of individual scenes and notes on the main characters Also included is a wide range of questions and activities for work in class together with the historical background to Shakespeare's England a brief biography of Shakespeare and a complete list of his plays For this new edition the text of the play the notes and the introductory matter have all been revised so as to make them clearer and more accessible In addition the entire text of the book has been redesigned and reset to make it easier to read The illustrations have been completely redrawn photographs of recent stage production have been included and there is a new attractive cover design *The Tragedy of Macbeth* William Shakespeare,1908 Includes index and notes Introduction and notes by Henry Norman Hudson LL D *Notebook* William
