Police Pursuit Driving Controlling Responses To Emergency Situations:

Police Pursuit Driving Geoffrey P. Alpert, Roger G. Dunham, 1990-06-26 Using the analogy between improper use of firearms and improper pursuit driving Alpert and Dunham analyze the police car as a potentially dangerous weapon The book is based upon information gathered over several years in Dade County Miami Florida The data which includes details of deaths injuries and property damage as well as arrests and apprehensions of felony suspects are presented not to scare the reader but to assist the public members of the law enforcement community and politicians to understand more clearly the role of pursuit in policing and crime control

Police Pursuit Driving Geoffrey P. Alpert, Cynthia Lum, 2014-04-12 Police pursuits often receiving a lot of media attention have become a topic of concern and priority for both law enforcement and the communities they serve They often come with high risks for the well being of community members and for both the police officers involved in the chase as well as for the fleeing suspects In this brief we summarize what is known about police pursuits from both legal decisions and criminological research We then discuss the impact of this research on police pursuit policy court decisions and media reports We offer suggestions about the need for more development and use of research and the challenges for research to be integrated into police policies training supervision and accountability systems

The New World of Police Accountability Samuel E. Walker, Carol A. Archbold, 2013-12-09 The subject of police accountability includes some of the most important developments in American policing the control of officer involved shootings and use of force citizen complaints and the best procedures for handling them federal pattern or practice litigation against police departments allegations of race discrimination early intervention systems to monitor officer behavior and police self monitoring efforts The Second Edition of *The New World of Police Accountability* covers these subjects and more with a sharp and critical perspective It provides readers with a comprehensive description of the most recent developments and an analysis of what works what reforms are promising and what has proven unsuccessful The book offers detailed coverage of critical incident reporting pattern analysis of critical incidents early intervention systems internal and external review of citizen complaints and federal consent decrees

Police Innovation and Control of the Police L. Green, David Weisburd, Craig Uchida, 2012-12-06 *Police Innovation and Control of the Police* Problems of Law Order and Community brings together an impressive array of scholars and analysts to examine the impact of the development of crime control strategies on problems of police corruption and abuse The text provides an historical overview of the development of legal control of the police and examines the challenges that recent innovations such as community or problem oriented policing present to the traditional historical mechanisms for maintaining control of the police Additionally a comparative perspective is featured that draws upon the experiences of the Gorbachev era in the Soviet Union as well as on the history of European law enforcement over the last century This book is instrumental for encouraging discussion and debate of police innovation and its impact on the ability of society to control the police abuse In light of the Los Angeles riots of the Spring of 1992 scholars practitioners

and students of crime prevention studies criminology and psychology will find this volume timely topical and provocative

The Future of Policing Scott A. Cunningham, 2022-03-19 Policing does not happen in a vacuum The mood viewpoints and stresses of society impact how policing occurs and how it is perceived Starting in June and July 2020 the nation saw weeks of protests civil disturbances and riots that were specifically directed against the police This most recent round of public unrest was sparked by the senseless needless and improper death of George Floyd Having seen similar deaths of black males while involved with police officers the nation had had enough and demands for something to be done were far reaching and involved more than just the black community or a few protestors An all encompassing variety of people either joined the protests or supported them People of

all demographic backgrounds economic levels and professions resoundingly condemned the actions of the officers in the Floyd incident even police officers and police leaders Policing in America needs to change Scott Cunningham offers advice on a wide variety of policing aspects including but not limited to leadership training equipment and weapons government s roles and responsibilities citizen and community participation investigation procedure police culture and attitudes the list goes on Looking at policing from multiple angles he provides implementable recommendations for up and down the chain of command that individually and collectively could enhance policing and improve the quality of life for everyone
