An Abstract of Political Pluralism Kung-Chuan Hsiao, 1926 **Political Pluralism** Gongquan Xiao, 1927 Political Theory Eddy Asirvatham | KK Misra, 1995 This text is a classic in Indian political literature as the original author belongs to the Idealist school of great political thinkers such as T H Green and Bosanquet It is a comprehensive treatise on basic structure of established political theories be it Bosanquet's idealistic theory of the State to liberal and anti idealist view as expressed by L T Hobhouse to the Marxian theory of the State The textbook follows an ideological approach where it rejects the attitude of those behaviouralists who place undue emphasis on methods techniques and skills rather than on first principles and value judgements it is developed for the undergraduate students of Political Science Pass and honours courses Aspirants of various competitive examinations such as Civil Services Examination and state public service commission examinations will also find the book extremely useful **Political Theory** VD Mahajan, 2006 This is new edition contains a comprehensive study of the subject with the latest thinking by the political scientists of the world today The Journal of Political Economy, 1928 Deals with research and scholarship in economic theory Presents analytical interpretive and empirical studies in the areas of monetary theory fiscal policy labor economics planning and development micro and macroeconomic theory international trade and finance and industrial organization Also covers interdisciplinary fields such as history of economic thought and social economics **Neoconservative Politics and the Supreme Court** Stephen M. Feldman, 2013 In this concise timely book constitutional law expert Stephen M Feldman draws on neoconservative writings to explore the rise of the neocons and their influence on the Supreme Court Neocons burst onto the political scene in the early 1980s via their assault on pluralist democracy's ethical relativism where no pre-existing or higher principles limit the agendas of interest groups Instead they advocated for a resurrection of republican democracy which declares that virtuous citizens and officials pursue the common good Yet despite their original goals neocons quickly became an interest group themselves competing successfully within the pluralist democratic arena When the political winds shifted in 2008 however neocons found themselves shorn of power in Congress and the executive branch But portentously they still controlled the Supreme Court Neoconservative Politics and the Supreme Court explains how and why the neoconservatives criticized but operated within pluralist democracy and most important what the entrenchment of neocons on the Supreme Court means for present and future politics and law *Bulletin of the British Library of Political and Economic Science* British Library of
