The Primal Place Robert Finch, 2014-04-14 From acclaimed author and naturalist Robert Finch a richly detailed observance of Cape Cod's seemingly vanished natural and human past as it clings to its present landscape This is a voyage of discovery a personal odyssey into the nature of a single Cape Cod neighborhood It is a rich portrait beautifully drawn of a landscape and a community whose essential character lies in their penetrating interface with the sea But it is also an individual quest a journey of the heart and mind in which the author seeks entrance or rather re entrance into that vast living maze stretching out beyond my lines of sight **Primal Mirror** Nalini Singh, 2025-01-07 New York Times bestselling author Nalini Singh takes us into a family dark with shadowy secrets as the world of the Psy teeters on the edge of a final

catastrophic collapse Daughter of two ruthless high Gradient telepaths Auden Scott is not the child her Psy parents wanted or expected even before her brain injury Her thoughts are scattered her memories fuzzy or just terrifyingly blank The only thing she knows for certain is that she must protect her unborn baby a baby she has no recollection of conceiving and who draws an unnerving depth of interest from her dead mother s closest associates Leopard alpha Remi Denier is a man driven by the primal instinct to protect Protect his pack protect his allies and protect the mysterious woman who has become a most unlikely neighbor With eerie eyes that see too much and a scent that alters in ways disturbing and impossible Auden Scott is the enemy but nothing about this strange Psy is what it seems and Remi s feline heart is as fascinated by her as his human half Then Auden asks Remi to help her shatter the wall of secrets that is the Scott bloodline What they unearth will reveal a nightmare beyond imagination This time the battle is to the death

All about the Beat John McWhorter,2008-06-19 The bestselling commentator hailed for his frank and fearless arguments on race imparts a scathing look at the hypocrisy of hip hop and why its popularity proves that black America must overhaul its politics One of the most outspoken voices in America s cultural dialogues John McWhorter can always be counted on to provide provocative viewpoints steeped in scholarly savvy Now he turns his formidable intellect to the topic of hip hop music and culture smashing the claims that hip hop is politically valuable because it delivers the only real portrayal of black society In this measured impassioned work McWhorter delves into the rhythms of hip hop analyzing its content and celebrating its artistry and craftsmanship But at the same time he points out that hip hop is at its core simply music and takes issue with those who celebrate hip hop as the beginning of a new civil rights program and inflate the lyrics with a kind of radical chic In a power vacuum this often offensive and destructive music has become a leading voice of black America and McWhorter stridently calls for a renewed sense of purpose and pride in black communities Joining the ranks of Russell Simmons and others who have called for a deeper investigation of hip hop s role in black culture McWhorter s All About the Beat is a spectacular polemic that takes the debate in a seismically new direction
