Problem Of Wine Skins Church Structure In A Technological Age:

The Problem of Wine Skins Howard A. Snyder, 1975-01-01 **THE PROBLEMS OF WINE SKINS: CHURCH STRUCTURE IN A TECHNOLOGICAL AGE.** Howard A. Snyder, **New Wine in Old Wineskins** R. Stephen Warner, 1988-04-26 Exploring the roots of resurgent evangelicalism in the United States Stephen Warner tells the story of one small town church from 1959 to 1982 the Presbyterian Church of Mendocino California This book chronicles the actions of the men and women who struggled with and against one another to shape their church **Planting Churches Cross-Culturally** David J. Hesselgrave, 2000-05-01 A practical approach to church planting that uses cultural and experiential data to facilitate the founding of new churches in unreached areas of the world **The New Pharisee** Jeff Saxton, 2015-05-27 Jeff Saxton exposes several hidden dangers that may be limiting the quality and effectiveness of your spiritual growth in *The New Pharisee* one of the most enlightening books available today regarding religious hypocrisy Discover how to identify key areas in your life that are void of spiritual authenticity and learn how to take steps toward recovery and removal of the Pharisee within you *The New Pharisee* is a clarion call for Christians to see and understand the dangers that lurk within us and to undergo a complete spiritual makeover They're back Those Pharisees who gave Jesus such a hard time have returned But today they're in the church Jeff Saxton examines the life that resists Jesus more than obeys him It's an important read But be ready This book turns on the stadium lights Mark Nysewander Teaching pastor at RiverStone Church Author of *The Fasting Key* *The New Pharisee* is a sobering look at the characteristics of the New Testament era Pharisee and the reappearance of nearly identical attitudes in the Church today Dr George O Wood General Superintendent The General Council of the Assemblies of God In this courageous first book Jeff Saxton redefines self-righteousness through an insightful evaluation of our own disillusionment *The New Pharisee* is as prophetic as it is pastoral not simply deconstructing and dismantling the flaws in modern Christianity but offering a hopeful alternative that reflects the humility of Christ You will be inspired and challenged by Jeff's honesty Christopher L Heuertz International Director Word Made Flesh Author of *Simple Spirituality* Jeff Saxton is a man after God's heart and this book is born out of his genuine pursuit of an authentic Christian faith You will see the heart of Jesus more clearly and your heart will respond with deep love for Him as you read this book Kenneth Krause Director of Bethany College of Missions **The Continuing Conversion of the Church** Darrell L. Guder, 2000-03-20 Western society is now a very different very difficult mission field In such a situation the mission of evangelism cannot succeed with an attitude of business as usual This volume builds a theology of evangelism that has its focus on the church itself Darrell Guder shows that the church's missionary calling requires that the theology and practice of evangelism be fundamentally rethought and redirected focused on the continuing evangelization of the church so that it can carry out its witness faithfully in today's world In Part 1 Guder explores how under the influence of reductionism and individualism the church has historically moved away from a biblical theology of evangelism Part 2 presents contemporary challenges to the

church's evangelical ministry especially those challenges that illustrate the church's need for continuing conversion Part 3 discusses what a truly missional theology would mean for the church including sweeping changes in its institutional structures and practices Written for teachers church leaders and students of evangelism this volume is vital reading for everyone engaged in mission work *The Asianization of Christianity* Jonathan D. James, 2024 The Asianization of Christianity is a catalyst to change the mission landscape of Asia by making the Gospel more accessible to Hindus Buddhists Muslims Animists and others It is hoped that a new generation of mission leaders will use these culturally specific principles to build bridges from the heart of God to the heart of Asian cultures **Biblical Pastors Were Not and Are Not Ceos.** James D. Martin, 2020-06-02 The emergence of the pastor Chief Executive Officer CEO position in churches today has become widely acceptable in Mega and Meta churches Recent studies have not explored this issue David Fisher acknowledges that in the 21st century being a pastor presents major challenges because it leads to professional and personal identity crisis resulting from secular and ecclesial challenges Studies have supported the idea that there is the need for church leaders to adopt the secular models of leadership and several noted authors have shown that churches today have become like other organizations that have to market their products This is a problematic interpretation because leadership in modern churches has gone beyond the biblical and theological definitions of becoming shepherds of their flock and servants of God In the search for an effective pastoral leadership role this paper will explore the contemporary definition of pastoral leadership and compare it with what the scriptures say concerning the elders and servants of God assigned the duty of being shepherds of their flock Where Jesus Walked Ken Duncan, 2006 Photographs of Israeli and Palestinian landscapes and other sites complemented by inspirational quotes Churches on Mission Geoffrey Hartt, Christopher R. Little, John Wang, 2017-09-15 The twenty first century is marked by a renewed emphasis on the missional responsibility of individual Christians and local churches Churches on Mission God's Grace Abounding to the Nations is an attempt to explore the relationship between the local church and its missionary responsibilities Through history theology case studies and actual ministry practices each author in this collection presents an aspect of local church participation The book aims to be informational and inspirational on many levels and invites readers from local churches to become active participants in the mission of God **When You Come Together** Amy S. Anderson, 2011-04-01 WHEN YOU COME TOGETHER brings us back to primitive theological truths such as the church as family the body with its interconnected parts and the presence of the Holy Spirit Who delights to reveal God's heart and mind to His gathered people Amy Anderson contends that belonging to God's people should involve us all in something less like a music concert and more like a jazz session with every person participating as an essential instrument following a common thread while also expecting the Holy Spirit to weave new themes into the established patterns Anderson provides a nitty gritty guide to both why and how we can ditch the concert paradigm and instead learn to gather alertly in God's presence allowing Him to speak in our midst and turn our lives upside down Learning to Love Others Richard

Peace, 2015-04-28 At the heart of Jesus call to us is the call to love others But this can be so difficult For one thing others are not always very lovable for another loving others sometimes gets in the way of our own self interests But if we want to follow Jesus love needs to be our lifestyle and the way we treat others really does matter It s not all sacrifice and pain though To be in loving relationship with others is to be truly alive and it s the source of our greatest joy This study will help you love others the way Jesus desires You ll learn how to study the Bible as you examine and discuss topics such as Loving Others Loving Our Families Fellowship with Others Getting Along with Others Opposition from Others Sharing Our Faith with Others Serving Others Each chapter has three main sections Group Study materials for a sixty to ninety minute small group Bible study Study Resources notes and comments for use in both group and personal study Personal Study a series of reflection questions for use by group members on their own during the week Extra help is available at the end of the book in the sections The Art of Leadership tips on how to lead a small group and Small Group Leader s Guide notes on each session The goal of PILGRIMAGE GUIDES is to understand what it means for us to meet and know Jesus Through an examination of the spiritual disciplines of Bible study prayer and worship we experience what it means to be a spiritual pilgrim walking in a new way with God And we look at how this new way changes the way we view others and live our lives in Christ PILGRIMAGE GUIDES Learning to Love God Learning to Love Ourselves Learning to Love Others *Let the Church Meet in Your House!* Emerson T. Manaloto, 2019-10-31 The communities in which we live all suffer alienation from God and the sin social disorder and brokenness that follows As Christians we yearn to see our communities saturated with the good news of Jesus Christ but there are countless obstacles to overcome in our churches and mission agencies as we seek to fulfil this vision In this book Emerson Manaloto offers the model of New Testament based house churches as the vehicle for gospel ministry in communities around the world with specific applications for the Filipino context Examining four areas leaders learners lessons and locations Dr Manaloto presents foundational principles of the New Testament that can be the basis for our own contemporary churches and ministry Manaloto critically analyzes the house church in terms of its concepts in the first century its context in the Greco Roman world and its practices as outlined in the New Testament This analysis is then used to draw conclusions for how twenty first century small groups in the Philippines can be stable mature and multiply resulting in the birth of more churches locally and globally and the transformation of lives and communities as they encounter Jesus Christ *A Theology of Liberation as a Basis for Ministry in the First Hispanic United Methodist Church of Buffalo* Ramon Antonio Evangelista, 1989 *God's Missionary People* Charles E. Van Engen, 1991-09 A world claiming theology of the church draws on ancient and modern thoughts The author focuses on how the church can grow to become in reality God s missionary people Committed Communities Charles J. Mellis, 1976-06-01 This is a brilliantly written exploration of the community s role in worldwide mission reviewing the history of how the church has functioned in fulfilling the Great Commission for the last two thousand years   2012-11-01 **Evangelical**
