Promise and Performance of American Democracy Richard Abernathy Watson, 1985-02 *Promise and Performance of American Democracy* Jon R. Bond, Richard Abernathy Watson, Kevin B. Smith, 2001 This brief but inclusive narrative textbook focuses on the comparison of the theoretical promise of democracy with its actual performance. Readily accessible to undergraduates, the text is anchored in and motivated by political science scholarship. This new edition has been completely revised and updated and incorporates the results of the 2000 presidential and congressional elections. With thorough coverage of the successes and failures of the workings of democracy in today's United States, **PROMISE AND PERFORMANCE OF AMERICAN DEMOCRACY** provides students with tools they can use to understand politics, evaluate the functioning of democracy, and make educated voting decisions.

The Promise and Performance of American Democracy Jon R. Bond, Kevin B. Smith, 2012 **Promise and Performance of American Democracy** Jon Bond, Kevin Smith, 2009-01-14 Grounded in current political science research and the latest scholarship, **PROMISE AND PERFORMANCE OF AMERICAN DEMOCRACY** 9th Edition uses the title's theme as an organizing framework, effectively engaging students in American politics. The promise of democracy is analyzed using three core principles: majority rule, political freedom, and political equality. Bond and Smith further explore these principles in features such as Living the Promise and Promise and Policy boxes, the latter of which integrates the policy discussion into the chapter rather than at the end of the book as many other texts handle policy. The performance of democracy is integrated into the book with an assessment at the end of every chapter along with a concluding policy chapter. Adopting instructors praise **PROMISE AND PERFORMANCE OF AMERICAN DEMOCRACY** 9th Edition for its great command and incorporation of political science literature and research, including a wealth of quality data in well-illustrated tables and figures. Not only the ideal text for reading and learning, it is also a standard-setting example of how political science is researched and written by the practitioners in academia.

Guy Peters,2012-10-16 Voting and elections may often be cited as the most entertaining aspect of political theatre however it is the arena of public policy that has the most direct impact on the lives of the citizenry And as we have seen played out in recent debates over healthcare reform policy changes can be dramatic sweeping and often hotly contested Known for providing a trusted and comprehensive overview of the policy process B Guy Peters returns with the ninth edition of American Public Policy Promise and Performance Beyond walking students through the governmental structures and policy making procedures Peters efficiently covers a wide swath of policy areas and then concludes with a look at both cost benefit analysis and ethical analysis Framed in context of the aftermath of the financial crisis and Great Recession the ninth edition considers how policy has been impacted by persistent unemployment and growing income inequality In addition Peters discusses the strain on education budgets increased oversight of financial activities fiscal policies meant to stimulate the economy and the political challenge of balancing the budget in light of increased public spending **Promise and Performance of American Democracy** Jon R. Bond,Richard Abernathy Watson,Kevin B. Smith,2006 Grounded in basic political science research yet readily accessible to undergraduates PROMISE AND PERFORMANCE uses the title s theme as an organizing framework for studying American Politics The promise of democracy is analyzed using four core values Popular Sovereignty Political Freedom Political Equality and Majority Rule Minority Rights and is further explored in several new features including Living the Promise and Promise and Policy boxes The performance part of the theme is then integrated with an assessment at the end of every chapter along with a concluding policy chapter Solid scholarship and writing makes this an ideal text not just for reading and learning but also as an example of how political science is researched and written by the practitioners in academia **Catalog of Copyright Entries.
