Over the Storm of Life J. O. Y. Aladetan, 2016-02-12 Many have surrendered to the lies that the devil tells them while going through challenges They have given up their destiny and lost focus on eternity as they face the storms of life Many have cursed themselves abandoned their vision and renounced God during their trials of faith becoming atheists sorcerers and occultists and completely turning away from God Is anything too difficult for God to do No Over the Storm of Life was written to inform to inspire to bless and to transform lives and strengthen faith Faith is called the spiritual horsepower that God has wonderfully and marvelously planted in all human DNA We can exercise dominion power like Him and like Jesus Christ over every storm in our lives This book is a revelation of the secret armor of God against every storm that tries to contend with the will of God in human lives showing Gods faithfulness and trustworthiness from eternity past to eternity without end God will never fail in whatever He wills and promises to do even when physical circumstances and situations suggest otherwise Success begins where failure ends Failure and tribulation are the ladders to move you to the next level when you activate the spiritual horsepower of faith Trust Gods Word and His covenant promises Dont settle for the rat race Strive for Gods inheritance Promises from God's Word Billy Graham Evangelistic Association, 1996 *God's Word Alone---The Authority of Scripture* Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but

instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches
