Public Administration In Palestine Past And Present:

Public Administration in Palestine Usamah Salim Shahwan, 2003 This work offers a critical analysis of the development of public administration in Palestine during the past 150 years

A History of Public Administration in the United States Mordecai Lee, 2023-10-27 Nowadays we all tend to complain about bureaucracy if only because it touches our daily lives sometimes in frustrating ways This book examines the gradual emergence of American public administration As a history of American bureaucracy it focuses on key and pivotal events in its evolution and development Chapters highlight major issues and controversies including the anti democratic origins of the field Congressional hostility to the bureaucracy if appointed city managers should be subject to recall by voters early limits on the role of women and the establishment of a membership association for practitioners and academics alike an unusual feature in the American professional world This book will appeal to university students university faculty members and academic libraries interested in American government and US history The subject is at the intersection of several academic disciplines including public administration American history political science public management management history and organization theory

Public Administration in Conflict Affected Countries Juraj Nemec, Purshottama S Reddy, 2021-09-08 This book highlights the main factors determining the quality of public administration in conflict affected countries and assesses to what extent the conflict determines and impacts on the performance of public administration in affected countries The main value added by this book is confirming the general expectation that there is no direct and universal link between the conflict and public administration performance and vice versa One may need to argue that each country situation differs and specific factors of internal and external environments determine the trends of public administration performance in conflict affected countries To achieve the overarching goal of the book sixteen country studies were developed from all relevant continents America Africa Asia and Europe Bangladesh Colombia Croatia Egypt Georgia Iraq Kosovo Nigeria Palestine Paraguay Philippines Serbia South Africa Uganda Ukraine and Venezuela

Comparative Public Administration Eric E. Otenyo, Nancy S. Lind, Lawrence R. Jones, 2006-07-24 Public administration scholars and practitioners are increasingly concerned with the need to broaden the field's scope beyond particularistic accounts of administration in given countries This title brings together seminal readings in comparative development public administration and contemporary public management scholarship

The Condition of Democracy Jürgen Mackert, Hannah Wolf, Bryan S. Turner, 2021-07-12 Classical liberal democratic theory has provided crucial ideas for a still dominant and hegemonic discourse that rests on ideological conceptions of freedom equality peacefulness inclusive democratic participation and tolerance While this may have held some truth for citizens in Western liberal capitalist societies such liberal ideals have never been realized in colonial postcolonial and settler colonial contexts Liberal democracies are not simply forms of rule in domestic national contexts but also geo political actors As such they have been the drivers of processes of global oppression colonizing and occupying countries and people appropriating indigenous

land annihilating people with eliminatory politics right up to genocides There can be no doubt that the West with its civilizational Judeo Christian idea and divine mission to subdue the world has destroyed other civilizations countries trading systems and traditional ways of life and is responsible for the death of hundreds of millions of human beings in the course of colonizing the world from its Empires of trade through colonialism to settler colonialism and today s politics of regime change The book discusses the settler colonial regime that Israel has established in Palestine while still claiming to be a democracy It discusses the failures of liberal democracy to overcome the structural and racist inequalities in post Apartheid South Africa and it presents hopeful outlooks on new ideas and forms of democracy in social movements in the MENA region

Public administration ,1947 The Arms Race in the Middle East Mohammad Eslami,Alena Vysotskaya Guedes Vieira,2023-07-28 This edited volume discusses security policy and strategic policymaking in the Middle East region Due to its unique geopolitical geoeconomic and geostrategic features the Middle East region has been confronted with challenging security issues Combined with a lack of an efficient regional security regime this has led to the formation of a full fledged arms race This book draws together contributions from international experts to address the factors that have been contributing to the ongoing formation of an arms race in the Middle East as well as the impact of this phenomenon on the regional and global security environment The book is organized in three sections The first section outlines the contemporary dynamics of the arms race in the Middle East by focusing on its most recent dynamics and their implications for regional and international security The second section conducts systematic analysis of case studies of country specific drivers of the arms race The third and final section examines the role of external actors in the arms race evaluating both the responses of regional actors to external interventions as well as the implications of the arms race for extra regional countries **Current History and Forum ...** ,1923 **A Military History of the Modern Middle East** James Brian McNabb,2017-03-09 This timely study synthesizes past history with the major military events and dynamics of the 20th and 21st century Middle East helping readers understand the region s present and look into its future The Middle East has been and will continue to be a major influence on policy around the globe This work reviews the impact of past epochs on the modern Middle East and analyzes key military events that contributed to forming the region and its people By helping readers recognize historical patterns of conflict the book will stimulate a greater understanding of the Middle East as it exists today The work probes cause and effect in major conflicts that include the fall of the Ottoman Empire the World Wars the Arab Israeli wars and the U S wars with Iraq examining the manner in which military operations have been conducted by both internal and external actors New regional groups for example the Gulf Cooperation Council GCC are addressed and pertinent events in Afghanistan and Pakistan are scrutinized Since military affairs are traditionally an extension of politics and economics the three are considered together in historical context as they relate to war and peace The book closes with a chapter on the Arab Awakening and its impact on the future balance of power *Public Administration* Royal Institute of Public

Administration,1929 The Modern Israeli and Palestinian Diasporas Nahum Karlinsky,2024-12-17 A comparative study of contemporary Israeli and Palestinian diasporas Exilic and diasporic experience have become ubiquitous in recent decades Jews lacking a homeland spread to various parts of the world making the Jewish diaspora paradigmatic But after the establishment of Israel in 1948 a different kind of diaspora emerged as more than a tenth of Israeli citizens have chosen to leave their newly established state and resettle Meanwhile about half of all Palestinians including Palestinian citizens of Israel now reside in exile predominantly as a result of the ongoing Palestinian Israeli conflict Recognizing that Israeli Jewish and Palestinian Arab societies coexist and are engaged in constant relations Nahum Karlinsky has assembled an impressive array of contributors to explore these diasporas alongside one another and in dialogue with other diasporic communities The collected essays cover such topics as Palestinian exiles and diasporas the demographics of today s Israeli diaspora immigrant enterprises transnationalism and development the unique place of Israeli Jews in the United States the literature of Palestinian transnationals and the emergence of Berlin as a queer Israeli Jewish immigrant enclave The Modern Israeli and Palestinian Diasporas challenges and reimagines the very notion of a homeland **Current History** ,1927 Introduction to the Modern Economic History of the Middle East Zvi Yehuda Hershlag,1980 *OECD Public Governance Reviews: Palestinian Authority Strengthening Public Administration for Better Outcomes* OECD,2024-08-03 This report analyses the institutional and strategic framework for public administration reform in the Palestinian Authority It includes recommendations for improving this framework as well as the co ordination mechanisms systems and processes for public administration reform *Public Governance Dynamics* Anupama Puri Mahajan,2024-12-20 This textbook examines public administration from a comparative perspective by incorporating theory and practice from two separate fields Political Science and Development Administration It explores the intricate interplay of diverse administrative frameworks emphasising the adaptation and efficiency of governance models in varied political and cultural landscapes especially in the selected five countries the UK the USA France Japan and India This volume explores the evolution of comparative public administration and the approaches of F W Riggs Ferrel Heady and John D Montgomery to understand the major administrative systems around the world It examines the extent to which the various forms of politics regimes and public opinion can influence bureaucracies in multiple countries and analyses the role of public administration systems in their democratic frameworks This book will be useful to students researchers and teachers of Public Administration Public Policy Political Science and General Management It will also be an invaluable companion to the policymakers in the government sector as it will strengthen their conceptual understanding of the subject *International Public Administrations in Global Public Policy* Christoph Knill,Yves Steinebach,2022-11-18 This book examines the rise and agency of International Organizations IOs and their bureaucratic bodies the International Public Administrations IPAs as a reflection of an ongoing transfer of political authority and power from the domestic to the international level It shows that IPAs represent actors per

se with autonomy and resources that allow them to exert an independent influence on global policy making processes and outputs Providing a combination of novel conceptual lenses and research design to capture IPAs as an empirical phenomenon the book takes an open theoretically and methodologically diverse approach to show that IPAs are far from being negligible actors in global public policy and must be taken seriously as actors in policy making beyond the nation state This book will be of key interest to students scholars and practitioners in Public Policy and Public Administration International Relations International Political Economy as well as Organizational Studies
