Farfan, 2017-07-12 Focusing on some of the best known and most visible stage plays and dance performances of the late nineteenth and early twentieth centuries Penny Farfan's interdisciplinary study demonstrates that queer performance was integral to and productive of modernism that queer modernist performance played a key role in the historical emergence of modern sexual identities and that it anticipated and was in a sense foundational to the insights of contemporary queer modernist studies Chapters on works from Vaslav Nijinsky's *Afternoon of a Faun* to Noël Coward's *Private Lives* highlight manifestations of and suggest ways of reading queer modernist performance Together these case studies clarify aspects of both the queer and the modernist and how their co-productive intersection was articulated in and through performance on the late nineteenth and early twentieth century stage *Performing Queer Modernism* thus contributes to an expanded understanding of modernism across a range of performance genres the central role of performance within modernism more generally and the integral relation between performance history and the history of sexuality It also contributes to the ongoing transformation of the field of modernist studies in which drama and performance remain underrepresented and to revisionist historiographies that approach modernist performance through feminist and queer critical perspectives and interdisciplinary frameworks and that consider how formally innovative as well as more conventional works collectively engaged with modernity at once reflecting and contributing to historical change in the domains of gender and sexuality **Literary Cultures and Twentieth-Century Childhoods** Rachel Conrad, L. Brown Kennedy, 2020-09-12 This collection of essays offers innovative methodological and disciplinary approaches to the intersection of Anglophone literary cultures with children

and childhoods across the twentieth century In two acts of re centering the volume focuses both on the multiplicity of childhoods and literary cultures and on child agency Looking at classic texts for young audiences and at less widely read and unpublished material across genres including poetry fiction historical fiction or biography picturebooks and children s television essays foreground the representation of child voices and subjectivities within texts explore challenges to received notions of childhood and emphasize the role of child oriented texts in larger cultural and political projects Chapters frame themes of spectacle self and specularity across the twentieth century question tropes of childhood explore identity and displacement in narrating history and culture and elevate children as makers of literary culture A major intent of the volume is to approach literary culture not just as produced by adults for consumption by children but also as co created by young people through their actions as speakers artists readers and writers

The Outside Thing Hannah Roche,2019-05-28 In a lecture delivered before the University of Oxford s Anglo French Society in 1936 Gertrude Stein described romance as the outside thing that is always a thing to be felt inside Hannah Roche takes Stein s definition as a principle for the reinterpretation of three major modernist lesbian writers showing how literary and affective romance played a crucial yet overlooked role in the works of Stein Radclyffe Hall and Djuna Barnes The Outside Thing offers original readings of both canonical and peripheral texts including Stein s first novel *Q E D Things As They Are* Hall s *Adam s Breed* and *The Well of Loneliness* and Barnes s early writing alongside *Nightwood* Is there an inside space for lesbian writing or must it always seek refuge elsewhere Crossing established lines of demarcation between the in and the out the real and the romantic and the Victorian and the modernist The Outside Thing presents romance as a heterosexual plot upon which lesbian writers willfully set up camp These writers boldly adopted and adapted the romance genre Roche argues as a means of staking a queer claim on a heteronormative institution Refusing to submit or surrender to the straight traditions of the romance plot they turned the rules to their advantage Drawing upon extensive archival research The Outside Thing is a significant rethinking of the interconnections between queer writing lesbian living and literary modernism

The Use and Abuse of Literature Marjorie Garber,2011-03-29 As defining as Christopher Lasch s *The Culture of Narcissism* Allan Bloom s *The Closing of the American Mind* and Dinesh D Souza s *Illiberal Education* were to the 1970s 1980s and 1990s respectively Marjorie Garber s *The Use and Abuse of Literature* is to our times Even as the decline of the reading of

literature as argued by the National Endowment for the Arts proceeds in our culture Garber One of the most powerful women in the academic world The New York Times gives us a deep and engaging meditation on the usefulness and uselessness of literature in the digital age What is literature anyway How has it been understood over time and what is its relevance for us today Who are its gatekeepers Is its canonicity fixed Why has literature been on the defensive since Plato Does it have any use at all or does it merely serve as an aristocratic or bourgeois accoutrement attesting to worldly sophistication and refinement of spirit Is it as most of us assume good to read literature much less study it and what does either mean The Use and Abuse of Literature is a tour de force about our culture in crisis that is extraordinary for its brio panache and erudition and appreciation of popular culture lightly carried Garber s winning aim is to reclaim literature from the margins of our personal educational and professional lives and restore it to the center as a fierce radical way of thinking

Dirt for Art's Sake Elisabeth Ladenson, 2012-11-26 In Dirt for Art s Sake Elisabeth Ladenson recounts the most visible of modern obscenity trials involving scandalous books and their authors What she asks do these often colorful legal histories have to tell us about the works themselves and about a changing cultural climate that first treated them as filth and later celebrated them as masterpieces Ladenson s narrative starts with Madame Bovary Flaubert was tried in France in 1857 and finishes with Fanny Hill written in the eighteenth century put on trial in the United States in 1966 she considers along the way Les Fleurs du Mal Ulysses The Well of Loneliness Lady Chatterley s Lover Tropic of Cancer Lolita

and the works of the Marquis de Sade Over the course of roughly a century Ladenson finds two ideas that had been circulating in the form of avant garde heresy gradually became accepted as truisms and eventually as grounds for legal defense The first is captured in the formula art for art s sake the notion that a work of art exists in a realm independent of conventional morality The second is realism vilified by its critics as dirt for dirt s sake In Ladenson s view the truth of the matter is closer to dirt for art s sake the idea that the work of art may legitimately include the representation of all aspects of life including the unpleasant and the sordid Ladenson also considers cinematic adaptations of these novels among them Vincente Minnelli s *Madame Bovary* Stanley Kubrick s *Lolita* and the 1997 remake directed by Adrian Lyne and various attempts to translate de Sade s works and life into film which faced similar censorship travails Written with a keen awareness of ongoing debates about free speech *Dirt for Art s Sake* traces the legal and social acceptance of controversial works with critical acumen and delightful wit
