The Tour Louis Couperus,2025-04-03T20:06:27Z In ancient Egypt the immensely wealthy Roman Publius Sabinus Lucius embarks on a journey through Egypt traveling up the Nile from Alexandria to Memphis past the Sphinx and the pyramids of Giza and eventually beyond the cataracts to Ethiopia His large entourage includes among others his uncle Catullus who lives off his nephew s fortune his slave and tutor Thrasyllus the young African slave Tarra and the Greek slave Cora Cora is secretly in love with Lucius but he does not return her affection The group is led through Egypt by the guides Ghizla and Kaleb who never miss an opportunity to fleece their foreign guests The reason for Lucius journey is his attempt to cope with the loss of his beloved the Greek slave Ilia Ilia has suddenly disappeared and Lucius suspects she was kidnapped by pirates In reality she has fled with a sailor she loved though no one dares to tell Lucius the truth Through conversations with oracles Egyptian priests mystics and hermits he tries to uncover what happened to Ilia The mysterious and supernatural elements in the story highlight how even in the age in which the novel is set Egypt was already an ancient civilization in decline Couperus bases his lavish descriptions of decadent Egypt on the works of the classical historian Strabo Although he had always wished to

visit Egypt he never actually did The Tour fits neatly with his other historical novels in which he explores ancient civilizations and themes of fate and decline The Tour was first published as a serial in the magazine Groot Nederland before it was published as a novel in 1911 This book is part of the Standard Ebooks project which produces free public domain ebooks

Don't Fix Me; I'm Not Broken Sally Patton,2011-06-16 Parenting from unconditional love rather than fear means recognizing the spiritual truth of our children rather than focusing on brokenness and deficits No child is a mistake no child is broken Don t Fix Me I m Not Broken teaches the perspective that parenting is a spiritual classroom in which parents can learn to parent from a place of inner peace no matter what struggles their children are having When we trust God s voice of oneness in the world as it works through us and through our children we learn to accept what is We can either buy into the traditional stories about these labels or choose peace instead Parents of children with labels or any child who is struggling or just being every day difficult can either embrace this opportunity for spiritual growth or stay stuck in the anger pain and the sadness It is a choice

27 Gene Simmons,2019-11-26 The summer of 1969 was a momentous one in modern history It was a season punctuated with change Apollo 11 landed on the moon thousands of young fans flocked to rock n roll festivals like Woodstock and the controversial Altamont Freeway concert the Manson Family cult were on a high profile killing spree and the first uprisings that would become the Stonewall Riots began It was an electric summer of violent endings new beginnings and social unrest It was also the summer that a myth was born beginning with the tragic untimely death of Rolling Stones founder Brian Jones The world soon lost two more huge music stars Janis Joplin and Jimi Hendrix Not only did losing these three beacons of music culture seem to signal the end of a musical era it also felt like a foreboding sign they had all died at exactly the same age All three had lost their lives at the pinnacle of their creative output and all three were exactly 27 years

old People have speculated that there could be a dastardly lineage from the poisoning of blues pioneer Robert Johnson in 1938 through these icons of the 60s and more recently to rebel chanteuse Amy Winehouse's death from alcohol poisoning in 2011. Could it be a twisted fate that the world's very best creative souls come to early often violent deaths at just 27 years old? Over time this idea began to be known as the 27 club and it has persisted in the public imagination. In *27 The Legend and Mythology of the 27 Club* rock n roll icon Gene Simmons takes a deep dive into the life stories of these legendary figures without giving credence to the romanticized idea that being in the club is somehow a perverse privilege. Simmons wills us to acknowledge the extraordinary lives not the sensational deaths of the musicians and artists who left an indelible mark on the world.

Escape Artist William A. Noguera, 2018-01-30 An ABA Indies Introduce Top Ten Title for Winter 2018 William A. Noguera has spent thirty four years at the notorious San Quentin Prison home to the nation's largest and deadliest death row. Each day men plot against you and your life rests on a razor's edge. In *Escape Artist* he describes his personal growth as a man and artist and shares his insights into daily life and the fight to survive in the underworld of prison culture. After being sentenced to death he arrived at San Quentin Prison and was thrown into a rat infested cell. It was there that he discovered the key to his escape art. Over the next three decades Noguera rebelled against conventional prison behavior and instead forged the code he lives by today: accepting responsibility for his actions and a self-imposed discipline of rehabilitation. In the process he has explored his capacity to bring focus and clarity to his artistic vision. *Escape Artist* exposes the violence, politics and everyday existence within the underbelly of society that is prison life. In an unprecedented narrative Noguera reveals the emotional and heart wrenching loss that landed him on death row and the journey he has taken to become an award winning artist, speaker and author: a tale of one man's transformation through tragedy.

have our past and are in the present with our children but it is they who hold the future Living with them every day for almost twenty years we transmit our subconscious emotional history and beliefs to them Through their intuitive openness our children absorb our unspoken language of what love is or is not What we share intimately with them good and bad they take into the future Our children become the children we have been and pass on their history to the next generation This is my story I turn toward the light and heaven gives me insight beyond my imagination Into Your Child's Heart is not only a gem of a book it is a spiritual journey Agnes Lui takes us from the challenges of being a sensitive and gentle parent into our own hearts She reflects on her own personal history her family of origin and her mix of Chinese and western culture Spirit guides come forward to help her From the precious family relation that of parent and child Agnes Lui takes us into the troubled world we all face today Into Your Child's Heart becomes a deeply meaningful meditation a prayer for world harmony on every level of being We breathe with this author every step of the way in this thoughtful reflective and beautiful book Kathleen Spivack Unspeakable Things With Robert Lowell and His Circle Agnes Lui is a thoughtful spiritual seeker with a big heart She has found wisdom through being a social worker and parent through interactions with a wise spiritual teacher and through dealing with difficulties with her family of origin She shares that wisdom with us and we certainly need it and relates individual pain to the pain the whole world is in Lawrence Kessenich Cinnamon Girl Age of Wonder Before Whose Glory Pearl
