

PRAYER RADIATING CHRIST

Dear Jesus,
help me to spread Your fragrance wherever I go.
Flood my soul with Your spirit and life.
Penetrate and possess my whole being so utterly,
that my life may only be a radiance of Yours.

SHINE THROUGH ME,
and be so in me that every soul I come in contact with
may feel Your presence in my soul.
Let them look up and see no longer me, but only Jesus!

Stay with me and then
I SHALL BEGIN TO SHINE AS YOU SHINE,
so to shine as
TO BE A LIGHT TO OTHERS.
The light, O Jesus, will be all from You; none of it will be mine.
It will be you, shining on others through me.

Let me thus praise You the way You love best,
by shining on those around me.
Let me preach You without preaching,
not by words but by my example,
by the catching force of the sympathetic influence of what I do,
the evident fullness of the love my heart bears to You.

Amen.

St. John Henry Newman

Radiating Christ:

Radiating Christ Raoul Plus,2003-06 To be a Christ is the whole meaning of Christianity To radiate Christ is the whole meaning of the Christian Apostolate But to be a Christ for one s own personal benefit is not enough we have to Christianize those around us in a word we have to radiate Christ There are so many holy people that have radiated Christ in our times but none as powerfully and effectively as Pope John Paul II and Mother Theresa of Calcutta May we be granted the gift to radiate Christ This beautiful book lays a foundation to help us to radiate and Christianize our fellow man especially in these times of decadence and non believing Christians **YOU CAN MAKE A DIFFERENCE** Edward D. Andrews,2017-11-20 In You Can Make a Difference Why and How Your Christian Life Makes a Difference the transformative power of faith is explored through the lens of everyday believers who like the biblical heroes of yore have the potential to shape their world through their spirituality and actions Drawing inspiration from figures like David Nehemiah Deborah Esther and the Apostle Paul the book reveals how a Christian life can positively influence others This book provides practical insights and inspiration for Christians who strive to live a life of service and make a lasting impact It underlines the importance of a spiritual attitude courageous faith and service to others By using biblical principles and personal anecdotes the book elucidates how each believer no matter how ordinary has the potential to be an extraordinary force of change From fostering community and radiating Christ s love to empowering others through discipleship You Can Make a Difference guides readers on a journey of spiritual growth and service It serves as a reminder that even small gestures can ripple out to create significant change and that living out Jesus teachings is a joyous responsibility This book is an uplifting call to action for all Christians to embody their faith encouraging them to step into their role as difference makers with grace courage and joy Regardless of whether you touch ten lives or just one this book will inspire you to live out your Christian life with an understanding that you can and will make a difference *Mother Teresa: Come Be My Light* Mother Teresa,Brian Kolodiejchuk,2007-09-04 This historic work reveals the inner spiritual life of one of the most beloved and important religious figures in history Mother Teresa During her lifelong service to the poorest of the poor Mother Teresa became an icon of compassion to people of all religions her extraordinary contributions to the care of the sick the dying and thousands of others nobody else was prepared to look after has been recognized and acclaimed throughout the world Little is known however about her own spiritual heights or her struggles This collection of her writing and reflections almost all of which have never been made public before sheds light on Mother Teresa s interior life in a way that reveals the depth and intensity of her holiness for the first time Compiled and presented by Fr Brian Kolodiejchuk M C who knew Mother Teresa for twenty years and is the postulator for her cause for sainthood and director of the Mother Teresa Center Mother Teresa brings together letters she wrote to her spiritual advisors over decades A moving chronicle of her spiritual journey including moments indeed years of utter desolation these letters reveal the secrets she shared only with her closest confidants She emerges as a classic mystic whose inner life burned

with the fire of charity and whose heart was tested and purified by an intense trial of faith a true dark night of the soul If I ever become a Saint I will surely be one of darkness I will continually be absent from Heaven to light the light of those in darkness on earth Mother Teresa

Christ Alive in Me: Living as a Member of the Mystical Body Fr. David Meconi, S.J., 2021-08-16 It is no longer I who lives but Christ who lives in me Galatians 2 20 Giving God permission to dwell within us thereby transforming us into another incarnate son or daughter has been at the heart of the Christian Gospel for millennia It is not just one theological doctrine among many it is the ultimate goal of the entire Christian life The only goal in God's becoming human is to continue his life in ours In *Christ Alive in Me Living as a Member of the Mystical Body* Fr David Meconi S J explains the theology of Christian deification which is also the theology of the Mystical Body of Christ Although this radical aspect of the Gospel has been forgotten by many today Meconi seeks to reclaim this central truth and uncover what it means live with in and even as Christ Discover what it is to become other Christs living extensions of the Lord himself to become his eyes and ears his heart and words his hands and feet on earth

The Art of Being Human William McNamara, 2018-09-03 In *THE ART OF BEING HUMAN* Father McNamara has taken a new vital approach to effective socially oriented Christian living in tune with the needs and demands of our times He takes for his theme the basic traditional truth grace builds upon rather than destroys human nature and develops this theme with extraordinary understanding and eloquence The first chapter *Becoming Human* sets the tone of the book For Father McNamara the sanctifying process is the humanizing process and the way by which one can cultivate the art of being human within oneself He then probes into the very roots of the conditioning processes which daily shape our lives and poses for the reader some incisive questions which demand reflection and inner search Discussions on faith hope love religion mental prayer and spiritual growth follow The final chapters on leisure and leadership are especially provocative since they direct the reader's attention to where the responsibility for the self accomplishment of this art truly lies Father McNamara has the knack of putting his finger directly on the problems of today's living *THE ART OF BEING HUMAN* does not pretend to have all the answers but it goes a long way toward taking the reader in the right direction Here is a book to read to ponder and to act as its message challenges us to do Magnificat

One in the Lord Susan Muto, 2013 Susan Muto challenges us to turn away from the cultural impulse toward me centeredness She maps out the factors that work against our being one in the Lord and she offers ways to begin each day looking to love first and to seek God's will in each daily action

Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian, 2024-06-21 Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God's wisdom and love seems to shine through Mother Teresa's guidance and

counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa's unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unremitting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God

Mother Teresa: Just a Pencil in God's Hand Kolodiejchuk MC Brian, 2024-06-07 This anthology contains a collection of intellectual explorations honoring the enduring legacy of Mother Teresa The symposium held on 10 September 2022 at the Catholic University of America CUA brought together leading scholars to speak of Mother Teresa's legacy to produce the following papers each shedding light on a life characterized by compassion selflessness and devoted service to the poorest of the poor the forgotten and the outcast of society The keynote address by George Weigel Mother Teresa and John Paul II Lessons for Our Troubled Times uncovers the lessons from the partnership of two great saints and their efforts to make way for Love in a dark world Mother Teresa Holiness Process of Canonization and Miracle by the postulator of her cause Fr Brian Kolodiejchuk MC explores the nature of holiness several characteristics of Mother Teresa's holiness and the process that led to her canonization in 2016 In Praxiological Approach to the Poor Mother Teresa's authentic retrieval of Christian praxis through faith hope and charity presented by Fr Darren Dentino MC we delve into Mother Teresa's profound relationship with the underprivileged showcasing a service approach that transcends simple social work and touches and heals the physical and inner wounds of many Janice Breidenbach a professor at Ave Maria University sheds light on her own experience as a mother and explains Mother Teresa's deep understanding of motherhood in her paper Mother Teresa's Philosophy of Motherhood Mother Teresa A Carmelite Perspective by CUA professor Fr Stephen Payne OCD explores the connections between Mother Teresa and the Carmelite tradition highlighting the influence of Carmelite spirituality on her life and journey

Jim Towe's paper delves into Mother Teresa's motherhood and her humanity emphasizing how her ordinary yet profound acts of love and compassion were reflective of her saintly character. In the annual conference held the following year, Catholic University of America professor Bradley Gregory examines the phrase 'you did it to me' from the judgment scene in the gospel of Matthew 25:40 which Mother Teresa would refer to as the gospel on five fingers. Drawing on the rich theological resources of Scripture and the Church's tradition, Professor Bradley expounds on how this passage relates to the gospel of grace which calls us into God's work of redeeming and healing the world. Each paper testifies to Mother Teresa's enduring legacy as a reflection of God's love in the world, providing readers an opportunity to contemplate her steadfast dedication and honor the legacy of one of the 20th century's most profound figures.

The Grunt Padre Daniel Lawrence Mode, 2003-06. Previously distributed as a master's thesis by the same title. T p verso. Includes index. Chaplains Military Biography. Emerging Conversations on Theofiliation Kenneth Ameke, Samuel Uzoukwu, 2019-10-10. It is in honour of the silver jubilee of Most Rev Anthony J V Obinna's episcopacy that this book is put together in this first volume titled Emerging Conversations on Theofiliation: Essays in Honour of Archbishop Anthony J V Obinna. This volume discusses and enlarges insights inherent in Archbishop Obinna's theological thinking on theofiliation. Therefore, the contributors to this volume critically examine his idea of theofiliation from their areas of speciality as a further exploration of this theological term. The willingness of the contributors has resulted in a collection that envisages the eclectic and heterogeneous scholarly vision of its honouree. Besides the contributors to this maiden edition, it encompasses both illustrious theologians and promising researchers in theology, philosophy, psychology, and management. The themes discussed by the contributors are grouped into biblical, comparative, study, systematic, pastoral, ethical, management, philosophical, political, and anthropological issues. The enriching and diverse collections of this volume have five thematic sections of nineteen chapters that theofiliation brings together. This Festschrift in honour of Amarachi Obinna is a compendium of usable knowledge. The authors have dealt with various themes largely inspired by the theology and practice of the archbishop. This conviction leads to the reflections on theofiliation: the reinvestment of all creation. The Festschrift is truly a treasure. Prof John Obilor, Imo State University, Owerri. This book is an insightful reading which will serve as an inspirational theological wellspring for emerging scholars engaged in articulating a robust African contextual theology to which it breathes fresh air. The spirit of dynamism in Archbishop Obinna's novel brainchild of theofiliation is manifested in its applicability to wide-ranging academic disciplines. William Odeke Owire, KU Leuven.
