Darío A. Euraque

Radical Thought In Central America:

Radical Thought In Central America Sheldon B Liss, 2019-07-11 Central American pensadores have interpreted the theories of Marx and other scholars of revolution in diverse ways In this book Sheldon Liss examines the political theory and ideology of some of Central America s most important radical thinkers including non Marxists and demonstrates how they have challenged the tenets of imperialism and capitalism Chapters on individual Central American countries begin with brief historical introductions that emphasize the rise of radical activities and organizations Individual essays based on published writings interviews and scholarly analyses of their works then establish each writer s personal ideology social and political goals and theories of society state and institutions of power Liss also examines their relationship to social and political movements and contributions to the national intellectual life of the past and present In addition Liss discusses the writers understanding of the role of the United States in the Americas and beliefs about national struggles for independence By focusing on political and social theory and on intellectual history this book also provides the background critical for understanding recent developments and changes in Central America

Marxist Thought in Latin America Sheldon B. Liss, 1984

Capital, Power, And Inequality In Latin America Sandor Halebsky, Richard L Harris, Elizabeth W Dore, John Kirk, Michael Kearney, 2018-10-08 Over the last two decades economic political and social life in Latin America has been transformed by the region s accelerated integration into the global economy Although this transformation has tended to exacerbate various inequities new forms of popular expression and action challenging the contemporary structures of capital and power have also developed This volume is a comprehensive genuinely comparative text on contemporary Latin America In it an international group of contributors offer multidimensional analyses of the historical context contemporary character and future direction of rural transformation urbanization economic restructuring and the transition to political democracy In addition individual essays address the changing role of women the influence of religion the growth of new social movements the struggles of indigenous peoples and ecological issues Finally the book examines the influence of U S policy and of regionalization and globalization on the Latin American states Sandor Halebsky is professor of sociology at Saint Mary s University in Halifax Nova Scotia He coedited Cuba in Transition Crisis and Transformation Westview 1992 Richard L Harris is chair of the faculty at Golden Gate University in Monterey California He is one of the coordinating editors of the journal Latin American Perspectives and the author of Marxism Socialism and Democracy in Latin America Westview 1992

Roots of Resistance Suyapa G. Portillo Villeda, 2021-04-20 Winner of the 2021 Sara A Whaley Prize of the National Women s Studies Association NWSA A first of its kind study of the working class culture of resistance on the Honduran North Coast and the radical organizing that challenged US capital and foreign intervention at the onset of the Cold War examining gender race and place On May 1 1954 striking banana workers on the North Coast of Honduras brought the regional economy to a standstill invigorating the Honduran labor movement and placing a series of demands on the US controlled

banana industry Their actions ultimately galvanized a broader working class struggle and reawakened long suppressed leftist ideals The first account of its kind in English *Roots of Resistance* explores contemporary Honduran labor history through the story of the great banana strike of 1954 and centers the role of women in the narrative of the labor movement Drawing on extensive firsthand oral history and archival research Suyapa G Portillo Villeda examines the radical organizing that challenged US capital and foreign intervention in Honduras at the onset of the Cold War She reveals the everyday acts of resistance that laid the groundwork for the 1954 strike and argues that these often overlooked forms of resistance should inform analyses of present day labor and community organizing *Roots of Resistance* highlights the complexities of transnational company hierarchies gender and race relations and labor organizing that led to the banana workers strike and how these dynamics continue to reverberate in Honduras today

The French in Central America

Thomas David Schoonover, 2000 Accounts of the international relations of Central America have been dominated by the role of the United States and Great Britain The role of France in Central America has largely been overshadowed by the other great powers In a well written tight and masterful synthesis Thomas Schoonover redresses this imbalance Based on exhaustive multinational archival research *The French in Central America Culture and Commerce 1820 1930* details French attempts to establish a sphere of influence in Central America amongst the machinations of the British Germans and U S who all sought to dominate trade in Central America control transit routes between the oceans advise the national militaries and influence cultural developments The book traces the involvement of the French in Central America from Independence to the unsteady economic years following World War I Central America in the nineteenth century was an area of vital importance to the French who along with a number of other powers were interested in building a canal across the isthmus The French in Central America demonstrates how the French used both economic and military means to further their desire for economic as well as colonial expansion More importantly the book examines how the French worked to develop strong cultural bonds with the nations of Central America through education language schools orders and military missions The French sought cultural advantage in considerable part because they hoped and expected commercial benefits to result *The French in Central America Culture and Commerce 1820 1930* is an important addition to the growing literature on the international relations of the Americas This book will be of great interest to professors and students of French and Central American history as well as individuals interested in international relations and cultural studies

Political Movements and Violence in Central America

Charles D. Brockett, 2005-03-14 This book offers an indepth analysis of the confrontation between popular movements and repressive regimes in Central America for the three decades beginning in 1960 particularly in El Salvador and Guatemala It examines both urban and rural groups as well as both nonviolent social movements and revolutionary movements It studies the impact of state violence on contentious political movements as well as defends the political process model for studying such movements

History of Political Parties in Twentieth-century Latin America

Torcuato Di

Tella,2017-07-05 The general perception of modern Latin American political institutions emphasizes a continuing and random process of disorder and crisis continually out of step with other regions in their progress toward democracy and prosperity In History of Political Parties in Twentieth Century Latin America Torcuato S Di Tella demonstrates that this common view lacks context and comparative nuance and is deeply misleading Looking behind the scenes of modern Latin American history he discerns its broad patterns through close analysis of actual events and comparative sociological perspectives that explain the apparent chaos of the past and point toward the more democratic polity now developing Di Tella argues that although Latin America has peculiarities of its own they must be understood in their contrasts and similarities with both the developed centers and undeveloped peripheries of the world Latin American societies have been prone to mass rebellions from very early on more so than in other regions of the world He analyzes as well such significant exceptions to this pattern as Chile Colombia and to a large extent Brazil Turning to the other side of the social spectrum he shows how the underprivileged classes have tended to support strongman populist movements which have the double character of being aggressive toward the established order but at the same time repressive of public liberties and of more radical groups Di Tella provides here a necessary examination of the concept of populism and divides it into several variants Populism he maintains is by no means disappearing but its variants are instead undergoing important changes with significant bearing on the region s near term future History of Political Parties in Twentieth Century Latin America is rich in historical description but also in its broad review of social structures and of the strengths and weaknesses of political institutions Choice commented that this heavily documented volume with an extensive bibliography would prove valuable to researchers and advanced students of Latin America

The Oxford Handbook of Central American History Robert H. Holden,2022 Leading scholars of Central America offer critical analyses of major themes in the historiography of this seven country region of Latin America Chapters engage both the novice s search for basic orientation and context and the experienced scholar s interest in evaluative critiques of the historical literature

Capturing the Revolution Michael D. Gambone,2001-07-30 At the start of the 1960s revolution challenged the established world order In every corner of the underdeveloped world discontent with the status quo fueled attempts to revoke colonialism and the strangleholds on power maintained by entrenched local oligarchies This book examines the causes of revolution in the sixties and the various responses crafted to stop it in particular the Alliance for Progress a program which represented the best products of American developmental and counterinsurgency theory Equally important however is an examination of the independent policies implemented by Latin Americans themselves often in direct opposition to those pursued by the U S For the United States the period represented a challenge to both its sovereignty and its leadership in the so called Free World Perhaps more importantly the disruptions blanketing the globe also pointed out the dramatic weaknesses of an American policy dominated by preparations for thermonuclear war with the Soviet Union For Latin America revolution challenged national stability and in the cases of the regimes it was directed against their very

survival *The Soviet Attitude to Political and Social Change in Central America, 1979-90* D. Paszyn, 2000-04-07 The study analyses Soviet policy towards Nicaragua during the rule of the Sandinista National Liberation Front FSLN and towards the guerrillas fighting for political and social change in El Salvador and Guatemala It covers the period from the Sandinista victory in July 1979 until the loss of power in February 1990 This work aims to counter the tendency found in the western literature which over emphasizes the ideological and strategic factors motivating Soviet policy towards Nicaragua and Central America as a whole

Marxism, Socialism, and Democracy in Latin America Richard L. Harris, 2019-03-04 At a time when the validity of Marxism is being questioned because of the collapse of the Communist regimes in Eastern Europe Richard Harris examines the relevance of Marxism and socialism for Latin America and the Caribbean Dr Harris discusses recent revolutionary regimes and attempts at socialist transformation in the region in terms of Marxist theory comparing them with the historical experiences of the Soviet Union China Yugoslavia and Vietnam The author argues that Marxist theory offers a framework for understanding recent revolutionary transformations as well as the contradictions and limitations of existing democratic regimes in the region Particular attention is given to revolutionary Cuba the Allende administration in Chile the Popular Revolutionary Government in Grenada the Sandinista regime in Nicaragua and contemporary leftist parties and movements throughout Latin America He contends that democratization and the solution of the region's economic and social problems require a democratic socialist project

U.S. Policy and Latin America in the 1990s Frances Scott, 1992

Black Intellectual Thought in Modern America Brian D. Behnken, Gregory D. Smithers, Simon Wendt, 2017-09-07 Contributions by Tunde Adeleke Brian D Behnken Minkah Makalani Benita Roth Gregory D Smithers Simon Wendt and Danielle L Wiggins Black intellectualism has been misunderstood by the American public and by scholars for generations Historically maligned by their peers and by the lay public as inauthentic or illegitimate black intellectuals have found their work misused ignored or discarded Black intellectuals have also been reductively placed into one or two main categories they are usually deemed liberal or less frequently as conservative The contributors to this volume explore several prominent intellectuals from left leaning leaders such as W E B Du Bois to conservative intellectuals like Thomas Sowell from well known black feminists such as Patricia Hill Collins to Marxists like Claudia Jones to underscore the variety of black intellectual thought in the United States Contributors also situate the development of the lines of black intellectual thought within the broader history from which these trends emerged The result gathers essays that offer entry into a host of rich intellectual traditions

Democratic Latin America Craig Arceneaux, 2015-10-30 Drawing on new approaches in comparative politics Democratic Latin America focuses on analyzing political institutions as a way to assess broader trends in the region's politics including the rise of democracy The text looks at the major institutions executive legislature judiciary military and more in 18 democratic countries to not only provide an expansive view of politics in Latin America but to also facilitate cross national comparison Democratic Latin America uniquely surveys the what of the region's politics as well as

the why and how to help students critically consider Latin America's future *The Spaces of Latin American Literature* Juan E. De Castro, 2008-04-28 *The Spaces of Latin American Literature* Tradition Globalization and Cultural Production examines how Latin American writers artists and intellectuals have negotiated their relationship with Western culture from the colony to the present De Castro looks at writers and intellectual polemics that serve as markers of the region's cultural evolution Among the writers and artists studied are Sor Juana Inés de la Cruz Rubén Daro Jorge Luis Borges Caetano Veloso and Alberto Fuguet This book proposes an analysis of the region's literature rooted in its specific cultural political and economic locations **The Idea of Latin America** Walter D. Mignolo, 2009-02-09 *The Idea of Latin America* is a geo-political manifesto which insists on the need to leave behind an idea which belonged to the nation building mentality of nineteenth century Europe Charts the history of the concept of Latin America from its emergence in Europe in the second half of the nineteenth century through various permutations to the present day Asks what is at stake in the survival of an idea which subdivides the Americas Reinstates the indigenous peoples and migrations excluded by the image of a homogenous Latin America with defined borders Insists on the pressing need to leave behind an idea which belonged to the nation building mentality of nineteenth century Europe **Revolution In The Balance** Debra Evenson, 2019-06-04 This book is the product of more than four years work during which I received the generous help and support of many friends and colleagues both in the United States and in Cuba I express my special gratitude to Raul Gomez Treto and Emilio Marill Rivero for opening their libraries to me and for their valuable insights and suggestions To the librarians at the Supreme Court of Cuba the National Union of Cuban Jurists and the DePaul University College of Law for their help in finding materials To the National Union of Cuban Jurists especially Magali Rojas and Rosario Fernandez for doing so much to facilitate my research in Cuba To my research assistants Stacy Pochis Tracy McGonigle and Lisa Acevedo for their painstaking work tracking down information To those who read drafts and provided critical comments especially Jules Lobel Carole Travis Esther Mosak and Marc Po Kempner To Bill Montross for doing the copy editing To DePaul University and Dean John Roberts of the College of Law for their support of this project from its inception and for providing funding for the research **Special Bibliography Series** United States Air Force Academy. Library, 195? **Reinterpreting the Banana Republic** Darío A. Euraque, 2000-11-09 In this new analysis of Honduran social and political development Darío Euraque explains why Honduras escaped the pattern of revolution and civil wars suffered by its neighbors Guatemala El Salvador and Nicaragua Within this comparative framework he challenges the traditional Banana Republic theory and its assumption that multinational corporations completely controlled state formation in Central America Instead he demonstrates how local society in Honduras's North Coast banana exporting region influenced national political development According to Euraque the reformism of the 1970s which prevented social and political polarization in the 1980s originated in the local politics of San Pedro Sula and other cities along the North Coast Moreover Euraque shows that by the 1960s the banana growing areas

had become bastions of liberalism led by local capitalists and organized workers This regional political culture directly influenced events at the national level argues Euraque Specifically the military coup of 1972 drew its ideology and civilian leaders from the North Coast and as a result the new regime was able to successfully channel popular unrest into state sponsored reform projects Based on long ignored sources in Honduran and American archives and on interviews the book signals a major reinterpretation of modern Honduran history *Guatemala (World Bibliographical Series ; V. 9)*. Ralph Lee Woodward (Jr.), Ralph Lee Woodward, 1992

Radical Thought In Central America Introduction

In the digital age, access to information has become easier than ever before. The ability to download Radical Thought In Central America has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Radical Thought In Central America has opened up a world of possibilities. Downloading Radical Thought In Central America provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Radical Thought In Central America has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Radical Thought In Central America. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Radical Thought In Central America. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Radical Thought In Central America, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Radical Thought In Central America has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Radical Thought In Central America Books

What is a Radical Thought In Central America PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Radical Thought In Central America PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Radical Thought In Central America PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Radical Thought In Central America PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Radical Thought In Central America PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
