Radical Visions And American Dreams Culture And Social Thought In The Depression Years

Gene Santoro

Radical Visions And American Dreams Culture And Social Thought In The Depression Years:

Radical Visions and American Dreams Richard H. Pells, 1973 The Great Depression of the 1930s was more than an economic catastrophe to many American writers and artists Attracted to Marxist ideals they interpreted the crisis as a symptom of a deeper spiritual malaise that reflected the dehumanizing effects of capitalism and they advocated more sweeping social changes than those enacted under the New Deal In Radical Visions and American Dreams Richard Pells discusses the work of Lewis Mumford John Dewey Reinhold Niebuhr Edmund Wilson and Orson Welles among others He analyzes developments in liberal reform radical social criticism literature the theater and mass culture and especially the impact of Hollywood on depression era America By placing cultural developments against the background of the New Deal the influence of the American Communist Party and the coming of World War II Pells explains how these artists and intellectuals wanted to transform American society yet why they wound up defending the American Dream A new preface enhances this classic work of American cultural history

Electing FDR Donald A. Ritchie, 2007 The first book in more than seven decades to examine the presidential election that ushered in the New Deal and Franklin Roosevelt's unprecedented four term presidency Explains how the Democratic Party rebuilt itself after three successive Republican landslides and how it managed to maintain that power for as long as it did

Myself when I Am Real Gene Santoro, 2001 An acclaimed music critic strips away the myths shrouding Jazz's Angry Man in the best examination yet of an American original The Washington Post

For the Survival of Democracy Alonzo L. Hamby, 2004 For the Survival of Democracy is a masterful retelling of the prewar crisis years that situates Franklin Roosevelt and America in the larger context of German British and world history rendering the most accurate picture to date of FDR's extraordinary leadership

All-American Rebels Robert C. Cottrell, 2020-08-08 From women's suffrage to Civil Rights for African Americans to the environment and the gay and lesbian liberation movement the American Left has achieved notable successes in the 20th and 21st centuries Sometimes celebrated and sometimes reviled the Left has taken on many forms and reinvented itself many times over the past century In **All American Rebels** historian Robert C Cottrell traces the rise and fall ebb and flow of left wing American movements Following an overview of early 20th century movements Cottrell focuses on the 1960s to today offering readers a concise introduction and helping them to understand the political and ideological roots of the Left today Cottrell includes chapters on the most recent versions of the American left discussing community organizing gay liberation the women's movement the Campaign for Economic Democracy the nuclear freeze movement opposition to U S intervention in Central America the anti WTO campaign Code Pink Occupy Wall Street Black Lives Matter Antifa and more The demand for and support of democracy and the quest for empowerment in various guises unifies these different lefts to one another and to the general unfolding of American history Cottrell argues that democratic engagement has proven inconsistent and at times outright contradictory The Left has been most successful when it fully embraces a democratic vision

Hollywood Melodrama and the New

Deal Anna Siomopoulos, 2012 While many critics have analyzed the influence of the FDR administration on Hollywood films of the era most of these studies have focused either on New Deal imagery or on studio interactions with the federal government Neither type of study explores the relationship between film and the ideological principles underlying the New Deal This book argues that the most important connections between the New Deal and Hollywood melodrama lie neither in the New Deal iconography of these films nor in the politics of any one studio executive Rather the New Deal figures prominently in Hollywood melodramas of the Depression era because these films engage the political ideas underlying welfare state policies ideas that extended the reach of government into the private realm As the author shows Hollywood melodramas interrogated New Deal principles of liberal empathy consumer citizenship the refeudalization of the state and minimal economic redistribution only to support welfare state ideology in the end

The Historiography of Communism Michael E. Brown, 2009 In this fresh appraisal of communism and anti communism with an emphasis on the American case respected scholar Michael E Brown examines the methods controversies and difficulties involved in writing the history of communism Arguing that one important way of understanding communism other than as a concrete political or ideological force is as an expression of an essentially reflexive aspect of society that typically manifests itself in social movements In this regard Brown understands the history of communism as part of the history of society Examining works by E P Thompson Karl Marx and Pierre Clastres Brown develops the idea of history as an immanent feature of human activities Taken together the essays in this book written over a period of 20 years offer a distinctive approach to the connections between social theory criticism and historiography and to what is social about social movements

The Whole Machinery Benjamin S. Child, 2019-11-01 A familiar story holds that modernization radiates outward from metropolitan origins Expanding on Walter Benjamin's notion of *die Moderne* *The Whole Machinery* explores representations of people and places objects and occasions that reverse that trajectory demonstrating how modernizing agents move in a contrary direction as well from the country to the city In a crucial reconsideration these figures aren't pulled by or into urban modernity so much as they bring alternate and transformative iterations of the modern to the urban world Upending the U S South's reputation as either retrograde or unresponsive to modernity Benjamin S Child shows how the effects of national and transnational exchange emergent technologies and industrialization animate environments and bodies associated with or performing versions of the rural To this end he also exposes the shadow side of the cosmopolitan modern by investigating the rural sources the laboring bodies and raw materials that made such urban spaces possible thus taking a broader survey of landscapes created by the Atlantic world's histories of uneven development In this investigation of the rural modern that considers multiple media and forms of technology Child's sources range widely encompassing a spectrum of texts and their networks of transmission reception and signification These include novels poems and short stories but also radio broadcasts sound recordings political pamphlets photographs magazine articles newspaper reports and agricultural bulletins Folding such expressive artifacts into his larger

arguments Child considers how they both reflect and form modernist culture The result is a geography of southern modernism that includes an unexpected combination of landmarks both actual and imagined Twisted Oak Arkansas and Tukabahchee County Alabama Manhattan Manchester and Moscow Tuskegee and Gobbler's Knob North Carolina *The United States* Dennis Welland, 2024-04-01 First published in 1987 the second edition of *The United States* illuminates America's past and present by a straightforward examination of a wide range of subjects geography urbanization immigration and race American wars government politics and foreign policy literature the visual arts and the media as well as American thought and ideals All the contributors have been engaged in the development of American studies in British universities many of them as pioneers in that field

Service Clubs in American Society Jeffrey A. Charles, 1993 Placing the clubs in the context of twentieth century middle class culture Charles maintains that they represented the response of locally oriented traditional middle class men to societal changes The groups emerged at a time when service was becoming both a middle class and a business ideal As voluntary associations they represented a shift in organizing rationale from fraternalism to service The clubs and their ideology of service were welcome as a unifying force at a time when small cities and towns were beset by economic and population pressures

[The Cambridge Companion to American Literature of the 1930s](#) William Solomon, 2018-09-20 Offers a timely introduction to the intersection of radical politics and American literature in the period of the Great Depression

John Dewey and American Democracy Robert B. Westbrook, 2015-07-22 Over a career spanning American history from the 1880s to the 1950s John Dewey sought not only to forge a persuasive argument for his conviction that democracy is freedom but also to realize his democratic ideals through political activism Widely considered modern America's most important philosopher Dewey made his views known both through his writings and through such controversial episodes as his leadership of educational reform at the turn of the century his support of American intervention in World War I and his leading role in the Outlawry of War movement after the war and his participation in both radical and anti communist politics in the 1930s and 40s Robert B Westbrook reconstructs the evolution of Dewey's thought and practice in this masterful intellectual biography combining readings of his major works with an engaging account of key chapters in his activism Westbrook pays particular attention to the impact upon Dewey of conversations and debates with contemporaries from William James and Reinhold Niebuhr to Jane Addams and Leon Trotsky Countering prevailing interpretations of Dewey's contribution to the ideology of American liberalism he discovers a more unorthodox Dewey a deviant within the liberal community who was steadily radicalized by his profound faith in participatory democracy Anyone concerned with the nature of democracy and the future of liberalism in America including educators moral and social philosophers social scientists political theorists and intellectual and cultural historians will find *John Dewey and American Democracy* indispensable reading

Marxism and Modernism Eugene Lunn, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate

the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1982

Highlander John M. Glen, 2014-07-15 and racial justice during a critical era in southern and Appalachian history This volume is the first comprehensive examination of that extraordinary and often controversial institution Founded in 1932 by Myles Horton and Don West near Monteagle Tennessee this adult education center was both a vital resource for southern radicals and a catalyst for several major movements for social change During its thirty year history it served as a community folk school as a training center for southern labor and Farmers Union members and as a meeting place for black and white civil rights activists As a result of the civil rights involvement the state of Tennessee revoked the charter of the original institution in 1962 At the heart of Horton's philosophy and the Highlander program was a belief in the power of education to effect profound changes in society By working with the knowledge the poor of Appalachia and the South had gained from their experiences Horton and his staff expected to enable them to take control of their own lives and to solve their own problems John M Glen's authoritative study is more than the story of a singular school in Tennessee It is a biography of Myles Horton co founder and long time educational director of the school whose social theories shaped its character It is an analysis of the application of a particular idea of adult education to the problems of the South and of Appalachia And it affords valuable insights into the history of the southern labor and the civil rights movements and of the individuals and institutions involved in them over the past five decades

American Hungers Gavin Jones, 2009-10-12 Social anxiety about poverty surfaces with startling frequency in American literature Yet as Gavin Jones argues poverty has been denied its due as a critical and ideological framework in its own right despite recent interest in representations of the lower classes and the marginalized These insights lay the groundwork for *American Hungers* in which Jones uncovers a complex and controversial discourse on the poor that stretches from the antebellum era through the Depression Reading writers such as Herman Melville Theodore Dreiser Edith Wharton James Agee and Richard Wright in their historical contexts Jones explores why they succeeded where literary critics have fallen short These authors acknowledged a poverty that was as aesthetically and culturally significant as it was socially and materially real They confronted the ideological dilemmas of approaching poverty while giving language to the marginalized poor the beggars tramps sharecroppers and factory workers who form a persistent segment of American society Far from peripheral poverty emerges at the center of national debates about social justice citizenship and minority identity And literature becomes a crucial tool to understand an economic and cultural condition that is at once urgent and elusive because it cuts across the categories of race gender and class by which we conventionally understand social difference Combining social theory with literary analysis *American Hungers* masterfully brings poverty into the mainstream critical idiom

Hollywood Modernism Saverio Giovacchini, 2001 Features a history of the Hollywood community and its wartime films Seeing Hollywood as a forcefield the author examines the social networks working

relationships and political activities of artists intellectuals and film workers who flocked to Hollywood from Europe and the eastern United States before and during the second world war **Rebels Within the Ranks** Katherine Pandora,2002-08-22 During the 1930s psychologists Gordon Allport Gardner Murphy and Lois Barclay Murphy emerged from the fields of social and personality psychology to challenge the neo behaviorist status quo in American social science Willing to experiment with the idea of science itself these rebels within the ranks contested ascendent conventions that cast the study of human life in the image of classical physics Drawing on the intellectual social and political legacies of William James radically empiricist philosophy and radical Social Gospel theology these three psychologists developed critiques of scientific authority and democratic reality as they worked at the crossroads of the social and the personal in New Deal America Appropriating models from natural history they argued for the significance of individuality contextuality and diversity as scientific concepts as they explored what they envisioned as the nature of democracy and the democracy of nature *The Progressive Era in the USA: 1890-1921* Kristofer Allerfeldt,2017-05-15 Few periods in American history have been explored as much as the Progressive Era It is seen as the birth place of modern American liberalism as well as the time in which America emerged as an imperial power Historians and other scholars have struggled to explain the contradictions of this period and this volume explores some of the major controversies this exciting period has inspired Investigating subjects as diverse as conservation socialism or the importance of women in the reform movements this volume looks at the lasting impact of this productive yet ultimately frustrated generation s legacy on American and world history **Robert Redfield and the Development of American Anthropology** Clifford Wilcox,2006-01-01 Relying upon close readings of virtually all of his published and unpublished writings as well as extensive interviews with former colleagues and students Robert Redfield and the Development of American Anthropology traces the development of Robert Redfield s ideas regarding social change and the role of social science in American society Clifford Wilcox s exploration of Redfield s pioneering efforts to develop an empirically based model of the transformation of village societies into towns and cities is intended to recapture the questions that drove early development of modernization theory Reconsideration of these debates will enrich contemporary thinking regarding the history of American anthropology and international development *American Exceptionalism* Volker Depkat,2021-11-15 The idea that America is exceptional whether because of its founding creed natural abundance or Protestant origins has been the subject of fierce debate going back to the founding Rather than argue for one side or the other Volker Depkat explores the diverse ways in which Americans have described their country as exceptional Describing how narratives of exceptionalism have never been a purely American affair Depkat shows how for example European African and Asian immigrants projected their own dreams and nightmares onto the American screen contributing to the intellectual construction of America In fact the different groups living in America have described American exceptionalism in such differing terms that there hardly ever was a shared understanding as to what these exceptional experiences were and how to

interpret them. What has unified the disparate exceptionalist narratives Depkat explains is their insistence on America's universalist and future-oriented way of life. In engaging and lucid prose, Depkat offers general readers and students of American history an invaluable lens through which they can evaluate for themselves the merits of the many ways in which Americans have understood their country as exceptional.

It has a massive library of free downloadable books. Free-eBooks Radical Visions And American Dreams Culture And Social Thought In The Depression Years Offers a diverse range of free eBooks across various genres. Radical Visions And American Dreams Culture And Social Thought In The Depression Years Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Radical Visions And American Dreams Culture And Social Thought In The Depression Years Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Radical Visions And American Dreams Culture And Social Thought In The Depression Years, especially related to Radical Visions And American Dreams Culture And Social Thought In The Depression Years, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Radical Visions And American Dreams Culture And Social Thought In The Depression Years, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Radical Visions And American Dreams Culture And Social Thought In The Depression Years books or magazines might include. Look for these in online stores or libraries. Remember that while Radical Visions And American Dreams Culture And Social Thought In The Depression Years, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Radical Visions And American Dreams Culture And Social Thought In The Depression Years eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Radical Visions And American Dreams Culture And Social Thought In The Depression Years full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of Radical Visions And American Dreams Culture And Social Thought In The Depression Years eBooks, including some popular titles.

FAQs About Radical Visions And American Dreams Culture And Social Thought In The Depression Years Books

What is a Radical Visions And American Dreams Culture And Social Thought In The Depression Years PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Radical Visions And American Dreams Culture And Social Thought In The Depression Years PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Radical Visions And American Dreams Culture And Social Thought In The Depression Years PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Radical Visions And American Dreams Culture And Social Thought In The Depression Years PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Radical Visions And American Dreams Culture And Social Thought In The Depression Years PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or

may not be legal depending on the circumstances and local laws.
