Radical Business Ethics

Jacob Dahl Rendtorff

Radical Business Ethics:

Radical Business Ethics Richard L. Lippke, 1995 Arguing against most scholars of business ethics who have articulated a set of moral principles and applied them to problems faced by business people Richard Lippke steers away from offering moral directives In *Radical Business Ethics* he develops a more comprehensive perspective on business issues that is tied to larger questions of social justice Analyzing a select group of timely issues such as advertising employee privacy and insider trading in the context of debates about the nature of the just society Lippke argues that the most plausible theory of justice is one whose implications are highly critical of many features of advanced capitalist societies *Radical Business Ethics* will be an eye opening book for students and scholars of ethics and anyone interested in the role business plays in a just society

Radical Thoughts on Ethical Leadership Carole L. Jurkiewicz, Robert A. Giacalone, 2017-08-01 *Radical Thoughts on Ethical Leadership* provides contributions from established scholars with fresh perspectives on ethical leadership with challenging viewpoints that have been given little coverage in the literature to date *Radical Thoughts on Ethical Leadership* includes theoretical perspectives that are founded on unconventional approaches radical outside the box ideas that would be difficult to get through the conventional journal review process The volume brings together noted researchers from a variety of disciplines and explore non mainstream approaches to ethics and social responsibility theory research and practice in both business and public administration Grounded in the established literature and providing insight for researchers managers administrators or organizations at large the volume establishes new paradigms for the field of ethical leadership **Think**

Disturbing Business Ethics Carl Rhodes, 2019-07-30 21st century Western neoliberalism has seen the transformation of self interest from an economic imperative to a centrally constitutive part of dominant modes of subjective existence Against this celebration of competitive individualism Emmanuel Levinas philosophy stands as a haunting reminder of an ethics that passively disturbs the self from its egoistic slumber awakening it to the incessant demands of the other Ethics stands as an anxious affective state of being where one is held to account by others each one demanding care attention and respect Focussing on business activities and organizations this book explores how this ethical demand of being for the other becomes translated in a necessarily impure way into political action contestation and resistance Such a response to ethics invokes a disturbance of organizational order including an order that might itself be labelled ethical On these grounds the book offers an explication of an ethics for organizations which disturbs the selfishness of neoliberal morality and can inform a democratic politics rested on a genuine concern for the other and for justice Disturbing Business Ethics Emmanuel Levinas and the Politics of Organization offers an unconventional and enlightening approach to ethical thinking and practice in politics and organisations and will be of interest to students of business management leadership political science and organizational theory

Bringing Business Ethics to Life Bjørn Andersen, 2004-06-30 Maintaining solid corporate ethics goes beyond just being a feel good story or a good public relations angle Organizations that demonstrate strong ethical commitments can gain a real competitive advantage over others by keeping employees happy and productive and keeping customers satisfied and loyal while avoiding some of the unexpected pitfalls that may beset a less ethical organization These factors all lead to a more stable and consistent organization and will improve the bottom line and drives higher profits The erosion of business ethics affects everyone from the employees laid off stockholders losing investments to customers paying a higher price or receiving lesser quality In Bringing Business Ethics to Life Achieving Corporate Social Responsibility best selling author Bjørn Andersen has written an easy to read yet powerful

book demonstrating the need for solid ethics in every organization Andersen first explains the importance of creating a strong ethical culture within every organization demonstrating the positive effects it will have throughout the business He then shows how business leaders can make this happen by introducing a holistic value driven and ethically based model of leadership and management that can bring about dramatic changes for any organization

BOOK JACKET Special Issue: Dissensus! Carl Rhodes,Iain Munro,Torkild Thanem,Alison Pullen,2020

Responsible Professionalism Herman Siebens,2019-05-29 Thinking about responsible behaviour in the professional and business world but also as a citizen in its current form may only be fashionable recently it is of all times And it apparently belongs to everyone everyone thinks they can form an opinion about everything and also thinks that their opinion is well founded We risk falling into ethical relativism everything is possible because ultimately all opinions seem equally correct incorrect Facts free opinions alternative facts and fake news then suddenly become acceptable opinions This book offers business leaders and employees but also teachers and students the necessary insights a framework and a step by step plan to efficiently and thoughtfully tackle ethical dilemmas in the daily civilian professional and business world by a full fledged reflection analytical methodical clearly argued This as an impetus to a more conscious and lived ethical attitude integrity and spirituality and to a structural embedding of responsible action in the strategy and policy of the organization This book is aimed at all readers who are interested in the phenomenon of acting responsibly including corporate responsibility and are looking for a not too extensive pleasant to read but still thorough introduction to the theme

Business Ethics John W. Dienhart,Jordan Curnutt,1998-11-19 This reference handbook explores the role of ethics in business An introduction defines business ethics and describes the tools of business ethics Readers will

also find biographical sketches a detailed examination of the major issues ethical codes a directory of business organizations and associations and a selection of print and nonprint resources including websites A table of cases and statutes and a glossary complete a volume that will be an indispensable one stop resource for business professionals librarians and anyone interested in the study of ethics Understanding How Issues in Business Ethics Develop I. Jones, M. Pollitt, 2002-09-25

Corporate governance executive pay child labour and control of industrial pollution are issues that all companies must face While the issues themselves have been widely discussed the process by which they develop is a much less discussed area A key to being a sustainable company is the capacity to understand and predict how such issues develop This book examines the development of a number of issues and draws lessons which companies in the future can use Business Ethics K. Praveen Parboteeah, John B. Cullen, 2013-04-12

Business Ethics provides a thorough review and analysis of business ethics issues using several learning tools Strategic Stakeholder Management as the Theme All chapters use a strategic stakeholder approach as a unifying theme The text is thus the first text that adopts this approach Most business ethics scholars and practitioners agree that successful ethical companies are the ones that can strategically balance the needs of their various stakeholders By adopting this approach students will be able to see how the various aspects of business ethics are connected Theory based and Application based All chapters have important applicable theories integrated with discussion of how such theories apply in practice Unlike other texts that are either too theoretical or too practical this text provides the appropriate blend of theory and practice to provide deeper insights into the concepts covered in the chapter Global Perspective Unless most other texts this text provides a global perspective on business ethics Most chapters include material pertaining to ethics in global contexts Included are cases about companies in a wide range of countries including Japan U K China and India among many others Cases The text contains over 30 real world global cases Each chapter ends with a short two page case as well as a longer case that varies in length Each has discussions questions at the end Finally each of the four parts ends with a Comprehensive Case proven teaching cases from The Ivey School and other sources Radical Business David Gaines, 2023-06-06
