Radio Bahai Ecuador:

Radio Bahá'í, Ecuador Kurt Hein, 1988 *The Baha'i Faith: A Guide For The Perplexed* Robert H. Stockman, 2012-12-27 Clear introduction to the Bah vision and development of its community Citizens of the World Margit Warburg, 2018-08-14 Citizens of the World deals with the Baha is and their religion While covering the historical development in sufficient detail to serve as a general monograph on Baha i emphasis is laid on examining contemporary Baha i with the Danish Baha i community as a recurrent case The book discusses Baha i religious texts rituals economy everyday life demographic development mission strategies leadership and international activism in analyses based on primary material such as interview studies among the Baha is fieldwork data from the Baha i World Centre in Israel and field trips around the world The approach is a combination of history of religions and sociology of religion within a theoretical framework of religion and globalisation Several general topics in the study of new religions are covered The book contributes to the theoretical study of globalisation by proposing a new model for analysing globalisation and transnational religions *The Khamsis: A Cradle Of True Gold* Boris Handal, 2020-07-09 In 1881 five brothers known as the B qirof Khamsi clan whom Bah u ll h designated as S d t i Khams The Five Siyyids in Arabic accepted the Bah Faith in the northern part of Iran For such an intrepid decision they were automatically disinherited from the family fortune although interestingly became affluent later by their own toil This book describes this wealthy family and their struggles to survive in the midst of a fanatical establishment It is the narrative of a kinfolk using their high social position to defend overtly and covertly their newly espoused religion and the vulnerable community gathered around those teachings Bigotry persecution and harassment could not abate their inner spiritual forces but rather strengthened their resolution for getting their religion known recognised and protected Going through various tumultuous Iranian social scenarios three main waves in such a courageous family are easily recognisable namely Siyyid Na ru ll h B qirof Siyyid Ahmad Khamsi B qirof and Mas ud Khamsi the latter whom ultimately brought the Bah Faith to ten of thousands of indigenous people of South America An exemplary trilogy taking the reader to Iran Russia the Holy Land France Germany Austria Hungary Africa and even to awe inspiring areas such as the Amazon rainforest and the Andes mountains exemplifying that love for humanity also travels and it never tires in giving if inspired by higher principles
