**Ruthless** Phil Trupp, 2010-08-20 Ruthless is a candid exploration of the criminal subculture of Wall Street and one of the first books to speak for the victims of the financial meltdown On February 14 2008 author Phil Trupp received a call from one of his brokers telling him a large portion of his investments were frozen on ice turning his life and plans for retirement upside down When the fog started to clear Trupp realized he was one of many

investors caught up in what experts called the greatest attempted securities fraud in modern Wall Street history a 336 billion scam which made the savings and loan scandal of the 1980s look like a simple street mugging The path to destruction financial or otherwise often begins with a simple proposition For author Phil Trupp it came from one of his stock brokers Take it Phil It s free money This free money came from auction rate securities ARS Auction Rate Securities are corporate or municipal bonds with a long term maturity for which the interest rate is reset at frequent auctions ARS interest rates were higher than money markets and were sold as completely safe liquid Triple A rated cash equivalents a deceptive sales pitch that lured hundreds of thousands of investors to buy the securities Since 2008 most auctions have failed leaving the market largely frozen The victims ranged from individual investors to the Joffe Foundation a nonprofit that can no longer fund programs that help prevent AIDS in Africa to the Port Authority of New York While this is a classic 21st century tale of Wall Street greed and betrayal it is also a story of redemption and the life altering struggle of American investors and others around the world who in the end beat the Wall Street fraud masters Ruthless is a story of how individual investors became mad as hell and joined together to reclaim their cash investments So far they ve reclaimed more than 200 billion and continue fighting for the rest A lively page turning guide for any investor with a stunning lesson on how to fight back and win
