Avenging Shadow (Amica Saga #1) Richard S. Tuttle, 2013-01-24. It has been four hundred years since the Mage Wars ended and Terrus the Liberator banished the mage lords to the island of Lantana. Since that time the continent of Amica has been free from their destructive influences, but an archivist fears that sacred vow is being broken and he is willing to risk his life to stop it. Indeed, he is willing to risk all of Lantana to foil the evil plot. Marcus is an apprentice blacksmith in his father's village forge. His ambition is to become the best blacksmith he can, but fate holds a different future for young Marcus of Kor. When a dark stranger appears in the forge with a black hiltless sword made of an unknown metal, Marcus is propelled on a dangerous adventure that will change the world. Along his path, Marcus will have to deal with a rebel spymaster whose goal is to mold a young captive into a deadly assassin, a cloaked stranger whose focus is on ancient history with an urgency to avoid a feared future, a young warrior woman who befriends everyone yet trusts no one, a noble's son with an eye for archery and a yearning for adventure, a once benevolent king who has mysteriously grown evil and greedy, an elite military group willing to slaughter entire villages to please their masters, and a general who knows that the world has gone awry but feels helpless to change it.

Avenging Shadow is a tale of adventure, magic, intrigue, betrayal, and bravery. While it is a story of a young man's struggle for justice, it is also a story of friendship and the binding of diverse goals in a gripping saga of daring and hope.

Shadow Warriors Dick Camp, 2013-07-15. In the nearly seven decades following World War II, the heroes of the Allied Forces have been rendered ageless through portrayals transforming their overseas triumphs into household tales. Books, films, and video games have reiterated the stories of such famed American units as Merrill's Marauders and Darby's Rangers. Some of World War II's most important missions, however, were also the most secretive; they have only recently been declassified by the U.S. government. Now, for the first time, a single volume describes many of them in detail. In *Shadow Warriors*, military historian and retired U.S. Marine Dick Camp illuminates the untold history of American special operations units in World War II. The book's action-packed narrative, rooted in a time before organizations like the CIA even existed, describes the adventures of those who paved the way for the special operations forces we know so well today: the U.S. Navy SEALs, U.S. Army Special Forces, and U.S. Marine Corps Special Operations Command (MARSOC). Split into two parts covering the war's European and Pacific theaters, it features elaborate spy networks, covert parachutists, island assaults, amphibious raids, and the occasional catastrophic mission failure. Bolstered

by an in person interview with World War II veteran Sgt Jack Risler U S Marines Operation Union II and a collection of rare black and white period photographs *Shadow Warriors* is not only a gripping account of top secret exploits it is an homage to some of the brilliant courageous and previously unacknowledged heroes of World War II **The Raider's Promise** Lois Johnson,2006-01-01 Three years after their first adventure began Bree Devin and Mikkel now enter a new world with the explorer Leif Erikson Their first task build a shelter to survive the winter But danger lurks from within the shadows on the horizon of a life where everyone needs the courage to win Can Mikkel conquer his enemies and find new purpose for his life Will he keep his promise to Bree and Devin to take them home to Ireland Will he keep his pledge of honor even if it means death Role Playing Game J.
