**Railway Posters 1923-1947** Beverley Cole, Richard Durack, 1992 Between 1923 and 1947 the railway poster in Britain was in its heyday These were the years of the so called Big Four companies the Great Western Railway Southern Railway London Midland and Scottish Railway and London and North Eastern Railway In the competition for passengers each of the companies developed its own distinctive style of poster advertising This book contains over 200 of the most striking and innovative designs of the period *Railway Posters* Lorna Frost, 2012-07-20 Railway posters have huge appeal for the modern audience but just what explains this continuing interest Enduring images of iconic locomotives bathing beauties and characters such as Sunny South Sam are testament to the creativity of the railway company marketing departments and the posters tell us not only about railway history and technology architectural and engineering accomplishments but also about the cultural and social significance of the railways The influence of the railway industry on our cities and coastlines and on the development of leisure time and holiday resorts can be seen in the recurring images of ramblers bathers and idyllic tourist destinations This book explores the changing styles and functions of the railway poster from the early pre grouping days through to the inter war golden age and nationalised British Railways Trains, Literature, and Culture Steven D. Spalding, Benjamin Fraser, 2011-12-29 *Trains Literature and Culture* Reading and Writing the Rails delves into the rich connections between rail travel and the creation of cultural products from short stories to novels from photographs to travel guides and from artistic manifestos of the avant garde to Freud's psychology Each of the contributions engages in critical readings of textual or visual representations of trains across a wide spectrum of time periods and traditions from English and American to Mexican West African and European literary cultures By turns trope metaphor and emblem of technological progress these textual and visual representations of the train serve at times to index racial and gender inequalities to herald the arrival of a nation's independence and at still others to evince the trauma of industrialization In each instance the figure of the train emerges as a complex narrative form engaged by artists who were Reading Writing the Rails as a way of assessing the competing discursive investments of cultural modernity **Resorts and Ports** Peter Borsay, John K. Walton, 2011-10-14 Histories of seaports and coastal resorts have usually been kept in separate compartments This book brings them together and looks at how resort development affected historic ports during the rise and development of the seaside holiday in Europe from the 18th century to the 20th and what the attributes of ports fishing harbour crafts the whiff of the exotic fishermen's homes and families contributed to the attractions of resorts Case studies drawn from across Europe from Wales and the Netherlands to Norway Latvia and Spain bring original perspectives to bear on these histories and relationships and consider their influence on seaside heritage and regeneration at a time when coastal settlements are increasingly using their past to secure their future The book will interest academics in tourism studies history geography and cultural studies as well as provide essential information and analysis for policy makers in coastal regeneration **Railway**

**Photographic Advertising in Britain, 1900-1939** Alexander Medcalf, 2018-03-06 This book explores the phenomenal resources dedicated to understanding and encouraging passengers to consume travel from 1900 to 1939 analysing how place and travel were presented for sale Using the Great Western Railway as a chief case study as well as a range of its competitors both on and off the rails Alexander Medcalf unravels the complex and ever changing processes behind corporate sales communications This volume analyses exactly how the company pictured passengers in the countryside at the seaside in the urban landscape and in the company's vehicles This thematic approach brings transport and business history thoroughly in line with tourism and leisure history as well as studies in visual culture

**Bradley's Railway Guide** Simon Bradley, 2024-10-10 A lifetime of railway love distilled into a most beautiful volume Lucy Worsley Our railway history could not have been told more palatably or more nourishingly David Kynaston The most attractive comprehensive and easily digestible history of the oldest railway system in the world Michael Palin In 1825 the Stockton Darlington company strode into history with the opening of the world's first public steam railway What the SDR had pioneered soon picked up speed transforming lives and landscapes connecting far flung corners of the nation and creating its own distinctive environments and working worlds This ambitious and lavishly illustrated volume brings the story of Britain's railways to life spanning two centuries of achievement and change Full of colour and incident it is an exhilarating journey through time and space revisiting favourite themes and introducing unfamiliar stories and places With original and engaging entries on everything from dining saloons to collecting dogs wartime salvage efforts and the iconic Rail Alphabet Simon Bradley gives George Bradshaw's famous 19th century guide a run for its money in this fresh and distinctive chronicle of the making of Britain's railways

*Railroad Nation* Carlos Arnaldo Schwantes, 2025-05-15 From passenger tickets wall calendars and advertising posters to train orders and bills of lading railroads have left a colorful paper trail across America In *Railroad Nation* historian Carlos Arnaldo Schwantes examines a fascinating array of these materials showcasing the railroad industry's incredible variety of eye catching illustrations to enliven their timetables and promotional brochures Schwantes traces the evolution of railroad commercial art from drab black and white broadsides and text only advertisements that the early railroads placed in local newspapers to the riotous m-lange of color graphics in the early twentieth century when the visual appeal of public timetables and their thousands of different brochures enticed settlers to create farms ranches and towns alongside newly laid tracks *Railroad Nation* offers readers an unparalleled look at the ephemera of the railroad industry highlighting the vibrant history of railroading in America through its rich tapestry of visual materials

*Poetics of the Poster* David H. T. Scott, 2010-01-01 This book sets out to explore the way with the onset of a new and integral relationship between text and image the modern poster is able to evolve distinctive persuasive strategies that will transform modern advertising The book shows how this fundamental development is closely related to contemporary developments in the visual arts in particular Futurism and Art Deco and reflects the increasing cross fertilisation and symbiosis between art and graphic design The book

focuses in particular on the way conventional textual strategies metaphor metonymy rebus are adapted by the modern poster to produce visual or textual visual equivalents which through their employment of combined pictorial and linguistic elements maximise their attractive or persuasive power over the viewer reader A key aim of the book is to clarify the assumptions on which semiology the study of signs is based in the context of modern poster artists practice The text image relation is explored through five chapters focussing on 1 the rhetoric of image text in general 2 text and image in airline logos British Airways and Air France 3 visual metonymies in boxing posters 4 text and image in posters expressing speed 5 text image in Swiss tourist posters There are approximately 120 colour illustrations arranged in groups that reflect the different orientations of the chapters

*Form Follows Fun* Bruce Peter, 2013-05-13 Authoritative and readable this excellent text illustrated by a unique pictorial record of period architecture surveys and examines how and why the architecture of pleasure related to the stylistic and ideological concerns of modernism in 1930s Britain Responding to the current interest in modernism and packed with a substantial archive of high quality photographs and other documentation it relates the professional entrepreneurial and institutional infrastructures affecting the pleasure industry's architectural development and appearance in 1930s A broad range of building through which the general public first experienced Modernism are covered including commercial holiday camps cinemas and greyhound racing stadia municipal and governmental projects zoos seaside pavilions concert halls and imperial and international exhibitions Arguing that the responses to modernism through the architecture of pleasure were conditioned by wider debates about the role of design in relation to high and mass culture this book is an ideal resource for all those interested in architectural history and design in Britain between the wars

**The Landscapes of W. H. Auden's Interwar Poetry** Ladislav Vít, 2021-12-14 This is the first book length study foregrounding Auden's sense of place as a means for enhancing our grasp of this crucial twentieth century poet Proposing that Auden had a remarkable spatial sensibility this book concentrates on his treatment of his homeland England as well as the North Pennines and Iceland both of which served as his good places holy grounds and sources of topophilic sentiment The readings draw on the scholarship of humanistic geography tracing patterns of mental constructs which emerge from spatial experience In a scholarly but engaging way this book argues that focusing on Auden's poetics of place as it emerged and evolved can be instrumental to our understanding of this influential poet not only in relation to his epoch but also to the Anglophone poetic tradition Precisely because of his stature these elaborations on Auden's preoccupation with places escapism borders and local identity promise to enrich our understanding of the cultural and intellectual climate of the interwar period when established notions of local places and cultures were beginning to be contested by internationalisation This study will be of interest to both academics and students in the field of Anglophone literary studies while also appealing to those attracted to Auden's poetry interwar culture and the literary representation of space

**The Image of Georgian Bath 1700-2000** Peter Borsay, 2000-07-06 This interdisciplinary study explores the evolution structure and uses of the image of Georgian Bath from its genesis in the eighteenth century to its renaissance in the twentieth century In recent decades there has been both a popular resurgence of interest in heritage and tradition and a growing academic awareness of the power of imagery in shaping the lives of individuals and societies There is perhaps no city in Britain so saturated in history and layered with historic imagery as Bath It therefore provides an ideal case study to investigate the dynamic fusion and impact of the forces of past and representation The dominant perception of Bath today is

that of a classical and particularly Georgian city In this stimulating and scholarly study Peter Borsay examines the construction and development of this image Its principal components biography and architecture are explored together with the media through which it was constructed and transmitted as well as its commercial social political and psychological uses Dr Borsay concludes by relating the findings for Bath to current debates on towns heritage and the nature of history

**Trains, Culture, and Mobility** Benjamin Fraser, Steven D. Spalding, 2012-01-01 Trains Culture and Mobility Riding the Rails goes beyond textual representations of rail travel to engage an impressive range of political sociological and urban theory Taken together these essays highlight the complexity of the modern experience of train mobility and its salient relation to a number of cultural discourses Incorporating traditionally marginal areas of cultural production such as graffiti museums architecture or even plunging into the social experience of travel inside the traincar itself each essay constitutes an attempt to work from the act of riding the train toward questions of much larger significance Crisscrossing cultures from the New World and Old from East and West these essays share a common preoccupation with the way in which trains and railway networks have mapped and re mapped the contours of both cities and states in the modern period Bringing together individual and large scale social practices this volume traces out the cultural implications of Riding the Rails West from Paddington Stuart Cole, 2007 West from Paddington is the essential companion for every traveller on First Great Western Railway Packed with information on all the landmarks railway history geographical features and places of interest that can be seen from your window as your journey unfolds this indispensable guide covers three great routes Paddington to Bristol Reading to Penzance and Swindon to Carmarthen A route map for each section of the journey highlights the features described and the book includes hundreds of specially commissioned colour photographs giving a traveller s eye view Each entry indicates on which side of the train the place or item of interest described can be found Written by lifelong railway enthusiast and Professor of Transport Stuart Cole and with a Foreword by pop impresario and railway devotee Pete Waterman OBE West from Paddington will turn your journey into a voyage of discovery **Just One Restless Rider** Carlos A. Schwantes, 2009 A memoir lavishly illustrated with the author s own photos of train travel along the legendary rails of America reflecting a lifetime s love of observing and riding trains while tracing the evolution of American passenger trains from the 1950s to the present Provided by publisher Designing the Seaside Fred Gray, 2006 In Designing the Seaside Fred Gray provides a history of seaside architecture from the 18th century to the present day investigating leisure entertainment taste fashion and gender and shows how the seaside even became a hotbed for moral and sexual issues from the early use of bathing machines to twentieth century beauty pageants and naturist groups He relates the evolution of resort architecture to sweeping changes in how seaside nature was experienced and used by holidaymakers The book also traces the history of the coastal resort with examples ranging from Regency Sidmouth to Victorian Scarborough and early 20th century Morecambe as well as assessing seaside developments in the USA and Continental Europe from Coney Island

and Santa Barbara to Nice and Trouville Featuring many colourful informative and often entertaining photographs drawings guidebook illustrations postcards and publicity posters from resorts around the world Designing the Seaside is a thoroughly readable as well as a visually fascinating account of changing attitudes to holidaymaking and its setting BOOK JACKET

Selling Places Stephen Victor Ward,1998 Extensively illustrated this book describes the way places have been promoted to make themselves attractive locations as holiday resorts residential areas or business centres **Train Tracks** Gayle Letherby,Gillian Reynolds,2020-08-25 This book provides an in depth exploration of trains and train travel Letherby and Reynolds have conducted extensive research with all those concerned with trains from leisure travelers and enthusiasts to railway workers and commuters Overturning conventional wisdom they show that the train has a social life in and of itself and is not simply a way to get from A to B The book also looks at the depiction of train travel through cultural media such as music films books and art The authors consider the personal politics of train travel and political discussion surrounding the railways as well as the relationship trains have to leisure and work The media often paints a gloomy picture of the railways and there is a general view that the romance of train travel ended with the steam locomotive Letherby and Reynolds show that this is far from the case *The Graphic Communication Handbook* Simon Downs,2013-03-01 The Graphic Communication Handbook is a comprehensive and detailed introduction to the theories and practices of the graphics industry It traces the history and development of graphic design explores issues that affect the industry examines its analysis through communications theory explains how to do each section of the job and advises on entry into the profession The Graphic Communication Handbook covers all areas within the industry including pitching understanding the client researching a job thumbnail drawings developing concepts presenting to clients working in 2D 3D motion graphics and interaction graphics situating and testing the job getting paid and getting the next job The industry background relevant theory and the law related to graphic communications are situated alongside the teaching of the practical elements Features include introductions that frame relevant debates case studies examples and illustrations from a range of campaigns philosophical and technical explanations of topics and their importance
