published her books for children under the name of E Nesbit. She wrote or collaborated on more than 60 books of children's literature. She was also a political activist and co-founded the Fabian Society, a socialist organisation later affiliated to the Labour Party. Nesbit was born in 1858 at 38 Lower Kennington Lane in Kennington, Surrey, now part of Greater London, the daughter of an agricultural chemist, John Collis Nesbit, who died in March 1862 before her fourth birthday. Her sister Mary's ill health meant that the family travelled around for some years, living variously in Brighton, Buckinghamshire, France (Dieppe, Rouen, Paris, Tours, Poitiers, Angoulême, Bordeaux, Arcachon, Pau, Bagnères de Bigorre) and Dinan in Brittany, Spain, and Germany before settling for three years at Halstead Hall in Halstead in north-west Kent, a location which later inspired *The Railway Children*. This distinction has also been claimed by the Derbyshire town of New Mills. At eighteen, Nesbit met the bank clerk Hubert Bland in 1877. Seven months pregnant, she married Bland on 22 April 1880, though she did not immediately live with him as Bland initially continued to live with his mother. Their marriage was a stormy one. Early on, Nesbit discovered that another woman believed she was Hubert's fiancée and had also borne him a child. A more serious blow came later when she discovered that her good friend Alice Hoatson was pregnant with Hubert's child. She had previously agreed to adopt Hoatson's child and allow Hoatson to live with her as their housekeeper. After she discovered the truth, they quarrelled violently and she suggested that Hoatson and the baby should leave her husband. He threatened to leave Edith if she disowned the baby, and its mother, Hoatson, remained with them as a housekeeper and secretary and became pregnant by Bland again 13 years later.

The Railway Children, 1906. *The Railway Children* is a delightful reading of a classic story by Edith Nesbit, first published in 1906. When father is suddenly taken away, mother and the three children must leave their fancy London life to live in a simple country cottage near a train station. The children and their bottomless good nature, together with some new friends, work to rescue father and help others along the way. Narrator Virginia Leishman makes this old-fashioned world come alive for today's children without resorting to melodrama. The recording is flawless and without unnecessary fanfare, making it a wonderful way to introduce a classic to young listeners. *The Railway Children* are Roberta, Peter, and Phyllis, three young children who move to a house near a railway when their father is wrongly accused and falsely imprisoned for selling government secrets to the Russians. The children pass the time by watching the railcars go by and waving to the passengers riding the train. Eventually, they meet Perks, the station porter, and an old gentleman that may be able to help get their father out of prison.

Railway Children Edith Nesbit, 2017-09-04. A thrilling spy story, a children's adventure, a charming portrait of early twentieth-century life in London and the countryside, and a heart-warming family tale are all combined in this classic of children's literature. *The Railway Children* by E Nesbit. The book has remained on the list of the best-loved children's books ever since it was first published as a serial story in *The London Magazine* in 1905. Later, it was published in book form and won acclaim from critics and readers across the world for its wonderful elements of character and plot. Edith Nesbit, the author, published more than sixty books during her long and illustrious career as a children's writer. She was considered to be

the first modern children's writer and departed from the hitherto focus on fantasy and fairytale type of themes that were considered suitable for children. Apart from writing for children, she wrote several novels for adults. She also dabbled in poetry, horror fiction, and collaborations with other writers. Her works include another famous book, *The Secret Garden*, which also explores the childhood landscape and influenced generations of children's writers. She was also a political activist and laid the foundations for the present Labor Party in England. Her dominant themes were children in real-life settings, contemporary events, children's encounters with the mysterious and often nefarious activities of grown-ups, a deep psychological insight into the mind of a child, and the enduring love of nature, family relationships, and the simple pleasures of countryside life.

The story opens with the description of three little Londoners who enjoy an ordinary peaceful life in the city with visits to the Zoo and Madame Tussauds. They have a charming well-appointed home and loving parents. Things take a sudden turn for the worst when Father suddenly leaves after receiving mysterious bad news. Mother decides equally suddenly to move with the children to the country side and here begins their adventure with the railways. They befriend a strange Old Gentleman who invariably travels on the 9.15 train from near their home and get drawn into bizarre and dangerous events. Said to be based on contemporary events such as the Dreyfus Affair, Russian dissidents who were fighting the Tsarist regime, and the circumstances leading up to World War I, *The Railway Children* though ostensibly written for children certainly appeals to readers of all ages. It has been adapted extensively for radio, stage, television, and screen and has retained its freshness and thrill over the hundred-plus years since it first made its debut. A thrilling spy story, a children's adventure, a charming portrait of early twentieth-century life in London and the countryside, and a heart-warming family tale are all combined in this classic of children's literature.

Edith Nesbit, 2017-11-20

Excerpt from *The Railway Children*: They were not railway children to begin with. I don't suppose they had ever thought about rail-ways except as means of getting to Maskelyne and Cooke's the Pantomime Zoological Gardens and Madame Tussaud's. They were just ordinary suburban children and they lived with their Father and Mother in an ordinary red-brick-fronted villa with coloured glass in the front door, a tiled passage that was called a hall, a bath-room,

with hot and cold water electric bells French windows and a good deal of white paint and every modern convenience as the house agents say There were three of them Roberta was the eldest Of course Mothers never have favourites but if their Mother had had a favourite it might have been Roberta Next came Peter who wished to be an Engineer when he grew up and the youngest was Phyllis who meant extremely well Mother did not Spend all her time in paying dull calls to dull ladies and sitting dully at home waiting for dull ladies to pay calls to her She was almost always there ready to play with the children and read to them and help them to do their home lessons Besides this she used to write stories for them while they were at school and read them aloud after tea and she always made up funny pieces of poetry for their birthdays and for other great occasions such as the christening of the new kittens or the refurnishing of the doll s house or the time when they were getting over the mumps About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
