 Children s Literature offers multifaceted reflection on interdependences between children and adults as they engage in play
 in literary texts and in real life This volume brings together international children s literature scholars who each look at
 children s texts as key vehicles of intergenerational play reflecting ideologies of childhood and as objects with which children
 and adults interact physically emotionally and cognitively Each chapter applies a distinct theoretical approach to selected
 children s texts including individual and social play constructive play or play deprivation This collection of essays constitutes
 a timely voice in the current discussion about the importance of children s play and adults contribution to it vis vis the
