The Survivor Randy Jeppesen,2020-10-26 The sight was heartbreaking. The world created perfect had become so corrupted that even the creator determined it had no hope. As he contemplated his means of destruction, he found one man who was different, who trusted, who believed. Through that one man, he formulated a plan to save the human race. By building an ark on dry land, loading it with select animals, food, and his family, this one man endured a catastrophic world wide flood. And after a year inside a floating animal kingdom, he stepped onto a new earth that was lifeless, empty, desolate, and uninhabited. Meet the man who walked with God, endured the unimaginable, the one man whose task it was to start over again. The survivor's name, Noah. *Promises* Jeff Lucas,2021-11-01 What has God promised us freely in His Word? And what promises does it contain that are specific to their time and place and cannot be taken out of context and scattered around like confetti? In this thoughtful and challenging introduction to the promises of God, Jeff Lucas looks at what Scripture does say, what it does not say, and what we need to do about it. The promise boxes of old seemed close to trying to do magic, but that shouldn't put us off realizing the wealth of principles in God's Word that applies to our lives here and now. So read and be encouraged. Bible Daily notes are written by Jeff Lucas to help you apply the lessons of God's Word daily. Each day and with each devotion, Jeff uses his signature wit and wisdom to reveal insights and practical application you can use in your own life. Each Bible devotion takes only a few minutes to read, but the lessons learned can last a lifetime.
