*The Book of Love* Cynthia Markovitch, 2022-04-25 The Book of love is the true story of a girl

growing up in America searching for the truth in a world of falsehoods only to discover her real identity **You're the One Behind the Curtain** Jon Davis, 2009-05-15 An analysis of OCD and strategies to combat it lead off this book which chronicles the evolution of one man s OCD over the course of his life The argument presented is that everyone subconsciously has complete control over their OCD and decides their own rules and stipulations that wreak havoc on their daily lives Because of this it can be controlled These issues are addressed in the introduction as OCD is analyzed Ten strategies are then presented which will help those with OCD to keep it under control or to fight back so to speak The book then takes on a lighter tone as Jon travels through his life story explaining the evolution of his OCD as well as recounting humorous and entertaining stories from his life His childhood and teenage years are filled with tales of pranks and mild rebellion while he found himself reciting strange chants in his mind and repeating actions to ward off bad luck As he got older his misadventures with drunken friends took the place of superstition until he reached his twenties and faced some major life stressors At that point OCD got out of control He fought back with therapy research and medication and slowly got it back under control In the more recent years of his life his nieces and nephew act as fodder for humorous tales Because he has passed the point in his life in which he was forced to face severe OCD he feels he can help others with their struggle

### **Crossing My Jordan** P.J. Taylor, 2011-07-28

My life begun hard and it seemed to just become more and more difficult throughout the years I once lived a life like J C Dougard and Elizabeth Smart but instead of one sexual predator I had many They had families to go home to where I had none I was forgotten about years and years ago and pretty much raised myself with only God s guidance since the age of thirteen I ve been exploited trafficked raped held hostage kidnapped and more Then God stepped in when death was almost beating at my

door He stepped in Sometimes I feel as if my life wasn't planned by me but by God Once you read my story I'm sure you'll understand You see all of my hopes dreams and plans for my life became sidetracked long ago due to many factors that took away so many of my plans my dreams for the future Through it all I've become an amazing woman Able to stand tall and strong finding my inspirations along the way and praising God for all of His Angels Saints and Prophets who've come along and saved me rescued me carried me and blessed my life so profoundly with their kind gentle caring ways Do you view human beings as just people or are you able to experience such a close relationship with God that you can view people as the little Gods they are Aren't we all supposed to be reflections of Our Lord and Savior Then why aren't you able to view those people for the Gifts they are Or are you able to see yourself and others how God sees you I hope you enjoy the journey of my life my story my testimony as much as I enjoyed writing it My story is a story of tragedy but yet it is also one full of inspiration hope strength courage family and love But mainly my story is about Life's Lesson's Learned Enjoy P J Taylor
