

The background of the image is a dramatic landscape. The sky is filled with heavy, dark clouds, but a bright light source, likely the sun, is breaking through near the horizon, creating a warm, orange and yellow glow. Below the sky, there are rolling hills or mountains, their peaks and ridges silhouetted against the lighter sky. The overall mood is contemplative and powerful.

Sin is the second most powerful
force in the universe, for it sent
Jesus to the cross. Only one force
is greater-the love of God.

Sent by Jesus Angela Crudupt, 2015-05-28 As Christians God uses our experience and even our pain to develop our purpose in Him strengthen the Church and glorify His Kingdom When we face tragedies like physical sexual mental or verbal abuse life threatening illnesses death of a loved one single parenthood failed marriages broken relationships imprisonment or other unfavorable circumstances we assume we are in an isolated unique situation If left unchecked our emotions can cause us to become bitter judgmental and spiritually lost Instead of bringing people to Christ by overcoming our challenges and allowing our testimony to strengthen others we begin to operate in destructive behavior which not only hinder our spiritual maturity but those around us as well Out of ignorance not fully understanding the Healing Saving and Miracle working power available to us through Jesus Christ we can easily spiral downward Instead of using our experience to glorify God who has already planned to bring us out and strengthen and support each other in our common challenges too often we take destructive actions we accept abuse or become abusive diminish our self worth become gossipers and complainers vow to never love again disconnect emotionally dismiss our family become a distraction in our church post attention seeking comments and images on social media entertain thoughts of suicide or give up on our future goals purpose and Jesus altogether But the story of our struggles and challenges doesn't have to take such a destructive path By holding ourselves accountable using the power of the Holy Spirit given to us and elevating ourselves to a higher level in Jesus Christ we can operate in the calling God has given us make disciples strengthen the Church and build His Kingdom the purpose which is found in being Sent by Jesus

Johannine Ecclesiology Johan Ferreira, 1998-01-01 During the last few decades there has been a debate concerning the prominence of ecclesiology in the Gospel of John This book highlights that debate and makes an important contribution to our understanding of Johannine ecclesiology It argues that ecclesiology is a major theological concern of the Gospel that investigations into Johannine ecclesiology have suffered under categories that are alien to the Gospel itself and that the Gospel espouses a christological ecclesiology that emphasizes the origin nature and purpose of the community The community is *Christus prolongatus* Christology and ecclesiology overlap In addition the book makes several new suggestions that the prayer of the Johannine Jesus in John 17 has its origin *Sitz im Leben* in the law court petitionary prayers of the Johannine community in its conflict with the synagogue that the Johannine concept of glory has to be understood in soteriological terms and is closely related to the Johannine community's sense of mission and that the Johannine concept of sending reflects a gnostic sending tradition that was current in first century Palestine

Consuming Mission Robert Ellis Haynes, 2018-11-09 Short term mission trips are commonplace in American church life Yet their growth and practice have largely been divorced from theological education seminary training and mission studies Consuming Mission takes important steps in offering a theological

assessment of the practice of STM and tools for subsequent mission training Using relevant academic studies and original focus group interviews Haynes offers important insights into this ubiquitous practice While carefully examining the biblical and historical foundations for mission Consuming Mission engages more contemporary movements like the Missio Dei Fresh Expressions the Emergent Church and Third Wave Mission movements that have helped shape mission The unique role of United Methodist mission is illustrated through its historical roots and contemporary expression in the ubiquitous STM movement in the United States Haynes uses original field research data to gather the implicit and explicit theologies of lay and clergy participants Cultural influences are significantly influencing STM participants as they use their time money sacrifice and service applied in the name of mission to purchase a personal growth experience commonly sought by pilgrims The resulting tensions from mixing mission pilgrimage and tourism creates are explored Haynes offers important steps to move the practice away from using mission for personal edification “As the father has sent me, I also send you” (Jn 20: 19-23): Continuation of the mission of Jesus according to the gospel of John ROBIN T. Victorious Life Ashish Mathews, *Victorious Life* 365 daily devotions for daily victory by Ps Ashish Mathews is a master guide for daily victory Faith life is a life of triumphant victory In the busyness of life these daily devotions will stir up your mind feed your spirit and make you skilful in the word of righteousness As Pastor Ashish always says A believer has only one weakness and that is his ignorance These teachings will flood your spirit with light and you will see better think better and live better You will move from traditions to truth from rituals to reality and from the milk of the word to the meat of the word Victory becomes your lifestyle The Gospel of John and the Religious Quest Johannes Nissen,2013-09-24 The Gospel of John and the Religious Quest argues that at its origin the Fourth Gospel was part of a dialogue with various religious traditions and that to this day it is being used in active dialogue with those who live in traditions other than the Christian In the first part of the book Johannes Nissen analyzes a number of texts selected both for their central importance to John's theology and for their special relevance in today's religious quests and encounters These texts focus on John's images of Life water bread light way and tree but also treat concepts that are crucial to the Fourth Gospel Word Truth and Love In the second part Nissen focuses on significant issues for current readers of the Gospel the relation between incarnation and inculturation models for dialogue with other religions images of Christ truth and love as criteria for dialogue and the experience of faith in the light of the Fourth Gospel Israel's Messiah Michael Tupek,2021-04-26 For most of church history the Catholic dogma of the Trinity has supplanted the original Jewish understanding of God's incarnation in the Messiah that was taught in the New Testament Scriptures But the Jews were never trinitarian in their understanding of Yahweh's self revelation So why is the evangelical Christian church described as trinitarian in her orthodoxy The forgotten reality is that the Messiah Jesus and his apostles were Jewish and would have understood the nature of God exactly as Moses and the prophets had They knew Yahweh as a single person Deity Therefore whenever Jesus or the apostles would speak of

God or his Spirit they would never deviate from that Mosaic understanding And so when we read of the gospel being presented to the Gentiles in the book of Acts there is no introduction or controversy about the idea of the Trinity at all This book will argue for the pure scriptural revelation of the Christology that the Jewish apostles proclaimed and defended and will provide a definitive refutation of the Catholic fiction by appealing to the verbalized convictions and assertions of Moses and the prophets the Lord Jesus Christ and the Jewish apostles which cannot sustain the Trinity **Night the Glory Came Down** James E. Smith, Ph.D.,2013-06-04 A devotional commentary on the life of Christ covering the period from March AD 29 to the Feast of Dedication in December of that same year *Jesus Becoming Jesus, Volume 2* Thomas G. Weinandy,2021-03-26 *Jesus Becoming Jesus Volume 2* A Theological Interpretation of the Gospel of John Prologue and the Book of Signs follows upon the first volume of this series entitled *Jesus Becoming Jesus* The first volume was a theological interpretation of the Gospels of Matthew Mark and Luke Unlike many conventional biblical commentaries Weinandy concentrates on the theological content contained within John s Gospel He does this in the light of the Church s doctrinal and theological tradition particularly in keeping with the Second Vatican Council s Dogmatic Constitution Dei Verbum This is accomplished through a close reading of John s Gospel theologically interpreting each chapter of the Gospel sequentially In so doing he also takes into account the Johannine corpus as a whole He also relates John s Gospel to relevant material found within the Synoptic Gospels the Pauline Corpus and other New Testament writings This original theological interpretation focuses primarily on the intertwining theological themes contained within John s Gospel specifically within the Prologue and the Book of Signs light and darkness the seven miracle signs the sacraments of baptism and the Eucharist the seven I Am sayings the contentious dialogues with the Jews Jesus relationship to his Father as the Father s incarnate Word and Son etc Within all of these interlocking themes one finds the importance of Jesus saving actions the salvific works of his Father The overarching theme of this book as the title suggests is that Jesus being named Jesus throughout his public ministry is enacting his name and so becoming who he is YHWH Saves Weinandy offers a singular vibrant and luminous reading of John s Gospel one that reveals the Evangelist s theological depth and doctrinal sophistication In so doing Weinandy makes manifest the particular beauty of the Gospel According to John *Sent* Ashley Holleman,Heather Holleman,2020-08-04 What if your ordinary interactions with family neighbors and coworkers are actually invitations to adventure with God *Sent Living a Life that Invites Others to Jesus* invites you to grow joyfully with Jesus as you live out your true identity as sent to share Jesus with others Heather and Ashley Holleman have fully embraced their identities as sent through nearly two decades of full time ministry With joy they proclaim the name of Jesus knowing that God is always at work around us that He is seeking and saving the lost and that He is excited for us to do this work with Him In *Sent* they provide insights and stories gleaned from their experiences so you too can live into your identity as sent You ll learn practical strategies for gathering those in your community through discussion questions and activities that teach everything from asking good questions to

Reading John through Johannine Lenses Stan Harstine,2022-02-04 Reading John through Johannine Lenses demonstrates that the model an interpreter chooses for examining the Gospel of John significantly impacts the resulting interpretation The Fourth Evangelist uses key words in the prologue in order to guide the reader toward key moments in the gospel Stan Harstine shows how four words life word receive and believe converge at transition points in John 5 12 and 17 Their close relationship is not random rather it guides the reader to recall what the Gospel has presented in the preceding section providing a road map for understanding the narrative By using interpretive models from both diachronic and synchronic methodologies Harstine s comparison of traditional historical methods with more recent narrative and rhetorical methods demonstrates the wide disparity of results from prior approaches thus accentuating the importance of reading the Fourth Gospel through the lenses it provides its readers *Jesus's Stenographers* Ben van Noort,2018-06-29 Are The Gospels Really Accurate Here s How To Know Without A Doubt We all want clarity about Jesus and the gospels There is an ongoing research for details theologians an ongoing curiosity among the public and an ongoing need among Christians for clarity about the basics of the faith It is time for a new and up to date story about Jesus and his words After reading the book you will Read the gospels with new interest and understanding Speak with conviction about the gospels Know how the spoken word was presented in the books Say No to the oral tradition prior to the gospels Understand that the gospels form the Testament of Jesus reports were written before his death and published in books shortly thereafter Don t wait a day to discover the real story about the Gospels Buy your copy now Ben van Noort is a graduate MA from Utrecht University Netherlands In his third academic year he received the annual faculty award with a study in history of early Christianity His MA was focused on New Testament and Judaism 1975 He worked as a high school teacher in Christian Religion He is a

Paul C. Moloney, SDB, 2023-06-13 No other book of the New Testament has attracted as much attention from commentators as the Fourth Gospel It has stirred minds hearts and imaginations from Christianity's earliest days In The Gospel of John Francis Moloney unfolds the identifiable point of

view of this unique Gospel narrative and offers readers heirs to its rich and widely varied interpretative traditions relevance for their lives today The Gospel of John s significance for Christianity has been obvious from the time of Irenaeus It was also fundamental in the emergence of Christian theology especially in the trinitarian and christological debates that produced the great ecumenical Councils from Nicaea to Chalcedon What sets this commentary on the Fourth Gospel apart from others is Moloney s particular attention to the narrative design of the Gospel story He traces the impact the Johannine form of the Jesus story has made on readers and explicates the way in which the author has told the story of Jesus Through this he demonstrates how the Gospel story articulates a coherent theology christology and ecclesiology **Discipleship Defined**
