Australian Cartel Regulation Caron Beaton-Wells,Brent Fisse,2011-04-25 Cartel regulation is a prime element of competition policy and an essential means of minimising the adverse effects of cartel activity on economic welfare However effective cartel regulation poses distinct challenges for governments competition authorities and commentators across the globe In Australian Cartel Regulation leading competition law experts Caron Beaton Wells and Brent Fisse reflect on developments in anti cartel law in Australia over the last 30 years They provide a comprehensive account of the current law on cartels as well as discussing key issues that may arise in the future This definitive volume not only identifies the practical and theoretical issues but also recommends workable solutions and does so with the benefit of comparative analysis of the anti cartel laws of major overseas jurisdictions Many of the issues identified and discussed in Australian Cartel Regulation are common to any scheme designed to regulate cartel conduct **Sentencing and Sanctions in Western Countries**

Michael Tonry,Richard Frase,2001-05-31 This collection of original essays surveys the evolution of sentencing policies and practices in Western countries over the past twenty five years Contributors address plea bargaining community service electronic monitoring standards of use of incarceration and legal perspectives on sentencing policy developments among other topics Sentencing and Sanctions in Western Countries provides a range of scholars and students excellent cross national knowledge of sentencing laws and practices when and why they have changed over time and with what effects

Penal Populism, Sentencing Councils and Sentencing Policy Arie Freiberg,Karen Gelb,2014-03-05 Public outcries and political platforms based on misinformation and misconceptions about the criminal justice system and current sentencing practice occur all too often in democratic societies Penal Populism Sentencing Councils and Sentencing Policy attempts to address this problem by bringing together important contributions from a number of distinguished experts in the field Penal Populism presents theoretical perspectives on the role of the public in the development of sentencing policy It places particular emphasis on the emerging role of sentencing commissions advisory councils or panels in a number of English speaking countries Australia New Zealand the United States the United Kingdom Scotland and South Africa The book explains expands and develops the existing literature that looks at public attitudes to justice and the role that the public can play in influencing policy Written in a scholarly yet accessible style Penal Populism asks the critical questions should public opinion or preferably public judgment be relevant to court decision making to institutional decision making and to the political process And if so how **Fox and Freiberg's Sentencing** Arie Freiberg,Richard George Fox,2014 Guidance on many complex varied considerations which apply to sentencing matters Freiberg focuses on Victorian federal sentencing law with extensive coverage of appellate decisions in every Australian jurisdiction particularly in relation to matters of general principle **Towards Human Rights Compliance in Australian Prisons** Anita Mackay,2020-11-11 Imprisoned people

have always been vulnerable and in need of human rights protections The slow but steady growth in the protection of imprisoned people s rights over recent decades in Australia has mostly come from incremental change to prison legislation and common law principles A radical influence is about to disrupt this slow change Australian prisons and other closed environments will soon be subject to international inspections by the United Nations Subcommittee on the Prevention of Torture SPT This is because the Australian Government ratified the Optional Protocol to the Convention Against Torture and other Cruel Inhuman or Degrading Treatment or Punishment OPCAT in December 2017 Australia s international human rights law obligations as they apply to prisons are complex and stem from multiple Treaties This book distils these obligations into five prerequisites for compliance consistent with the preventive focus of the OPCAT They are reduce reliance on imprisonment align domestic legislation with Australia s international human rights law obligations shift the focus of imprisonment to the goal of rehabilitation and restoration support prison staff to treat imprisoned people in a human rights consistent manner ensure decent physical conditions in all prisons Attention to each of these five areas will help all levels of Australian government and prison managers take the steps required to move towards compliance Human rights led prison reform is necessary both to improve the lives of imprisoned people and for Australia to achieve compliance with the international human rights legal obligations to which it has voluntarily committed itself

Judicial Applications of Artificial Intelligence Giovanni Sartor,L. Karl Branting,2013-04-17 The judiciary is in the early stages of a transformation in which AI Artificial Intelligence technology will help to make the judicial process faster cheaper and more predictable without compromising the integrity of judges discretionary reasoning Judicial decision making is an area of daunting complexity where highly sophisticated legal expertise merges with cognitive and emotional competence How can AI contribute to a process that encompasses such a wide range of knowledge judgment and experience Rather than aiming at the impossible dream or nightmare of building an automatic judge AI research has had two more practical goals producing tools to support judicial activities including programs for intelligent document assembly case retrieval and support for discretionary decision making and developing new analytical tools for understanding and modeling the judicial process such as case based reasoning and formal models of dialectics argumentation and negotiation Judges squeezed between tightening budgets and increasing demands for justice are desperately trying to maintain the quality of their decision making process while coping with time and resource limitations Flexible AI tools for decision support may promote uniformity and efficiency in judicial practice while supporting rational judicial discretion Similarly AI may promote flexibility efficiency and accuracy in other judicial tasks such as drafting various judicial documents The contributions in this volume exemplify some of the directions that the AI transformation of the judiciary will take

Dangerous Offenders Mark Brown,John Pratt,2002-01-04 This highly controversial new book considers how the dangerous offender has become such a figure of collective anxiety for the citizens of rationalised Western societies The authors consider ideas of danger and social threat in historical perspective

legal responses to violent criminals attempts to predict dangerous behaviour why particular groups such as women remain at risk from violent crime This inspired collection invites us to rethink the received wisdom on dangerous offenders and will be of interest to students and scholars in the fields of criminology and the sociology of Risk *Sentencing and Criminal Justice* Andrew Ashworth, Rory Kelly, 2021-07-15 This revised and updated new edition focuses on major developments in sentencing law practice and theory Sentencing in England and Wales is now dominated by Sentencing Council guidelines and scrutiny of those guidelines is central to this book Issues of principle are identified and discussed to include the constitutional position of the Sentencing Council the meaning of and challenges to proportionality and the sentencing of BAME offenders and women offenders The book welcomes the new Sentencing Code introduced as the Sentencing Act 2020 and critically examines the government's plans for sentencing reform set out in the 2020 White Paper A Smarter Approach to Sentencing Throughout the book sentencing is explored in its wider criminal justice context making it essential reading for courses on sentencing criminal justice and criminal law **Principles and Values in Criminal Law and Criminal Justice** Lucia Zedner, Julian V. Roberts, 2012-08-16 Celebrating the scholarship of Andrew Ashworth Vinerian Professor of English Law at the University of Oxford this collection brings together leading international scholars to explore questions of principle and value in criminal law and criminal justice Internationally renowned for elaborating a body of principles and values that should underpin criminalization the criminal process and sentencing Ashworth's contribution to the field over forty years of scholarship has been immense Advancing his project of exploring normative issues at the heart of criminal law and criminal justice the contributors examine the important and fascinating debates in which Ashworth's influence has been greatest The essays fall into three distinct but related areas reflecting Ashworth's primary spheres of influence Those in Part 1 address the import and role of principles in the development of a just criminal law with contributions focusing upon core tenets such as the presumption of innocence fairness accountability the principles of criminal liability and the grounds for defences Part 2 addresses questions of human rights and due process protections in both domestic and international law In Part 3 the essays are addressed to core issues in sentencing and punishment they explore questions of equality proportionality adherence to the rule of law the totality principle in respect of multiple offences wrongful acquittals and unduly lenient sentences Together they demonstrate how important Ashworth's work has been in shaping how we think about criminal law and criminal justice and make their own invaluable contribution to contemporary discussions of criminalization and punishment The Role of the Media in Criminal Justice Policy Natalia Antolak-Saper, 2022-09-09 This book provides a socio legal examination of the media's influence on the development and implementation of criminal justice policy This impact is often assumed And especially in the wake of high profile crimes the press is routinely observed calling for sentences to be harsher and for governments to be tougher on crime But how do we know that there is a connection To answer this question the book draws on a case study of the media reporting of the rape and murder of Jill Meagher in Melbourne Australia as well as other well

known cases including those of James Bulger Sarah Payne Stephen Lawrence and Michael Brown among others Deploying a socio legal framework to examine how the media s often powerful and emotive narratives play a crucial role in the development and implementation of law the book provides a deep and critical reflection on its influence The book concludes with a number of suggestions for media reform both to moderate the media s influence and to incorporate a broader range of viewpoints This multi disciplinary book will appeal to scholars and students in sociolegal studies criminology and criminal law as well as those working in relevant areas in sociology and media studies
