Sergeant Lawrence Goes France:

Sergeant Lawrence Goes to France Cyril Lawrence, 1987 Behind the Front Craig Gibson, 2014-03-27 This book uncovers the vital relationships between British troops and local inhabitants in France and Belgium during the First World War 'Boredom is the Enemy' Amanda Laugesen, 2016-04-15 War is often characterised as one percent terror 99 per cent boredom Whilst much ink has been spilt on the one per cent relatively little work has been directed toward the other 99 per cent of a soldier's time As such this book will be welcomed by those seeking a fuller understanding of what makes soldiers endure war and how they cope with prolonged periods of inaction It explores the issue of military boredom and investigates how soldiers spent their time when not engaged in battle work or training through a study of their creative imaginative and intellectual lives It examines the efforts of military authorities to provide solutions to military boredom and the problem of discipline and morale through the provisioning of entertainment and education but more importantly explores the ways in which soldiers responded to such efforts arguing that soldiers used entertainment and education in ways that suited them The focus in the book is on Australians and their experiences primarily during the First World War but with subsequent chapters taking the story through the Second World War to the Vietnam War This focus on a single national group allows questions to be raised about what might or might not be exceptional about the experiences of a particular national group and the ways national identity can shape an individual's relationship and engagement with education and entertainment It can also suggest the continuities and changes in these experiences through the course of three wars The story of Australians at war illuminates a much broader story of the experience of war and people's responses to war in the twentieth century

Communication, Interpreting and Language in Wartime Amanda Laugesen, Richard Gehrmann, 2019-10-18 This edited book provides a multi disciplinary approach to the topics of translation and cross cultural communication in times of war and conflict It examines the historical and contemporary experiences of interpreters in war and in war crimes trials as well as considering policy issues in communication difficulties in war related contexts The range of perspectives incorporated in this volume will appeal to scholars practitioners and policy makers particularly in the fields of translating and interpreting conflict and war studies and military history At the Eleventh Hour Hugh Cecil, Peter H. Liddle, 1998-08-12 Following on from the highly acclaimed *Facing Armageddon* and *Passchendaele in Perspective* *At the Eleventh Hour* recognises that a world was ending in November 1918 and by international collaboration on the 80th Anniversary we learn through this book what it was like to experience the transition from war to peace Distinguished historians brilliantly convey a sense of immediacy as the Armistice is recreated and analysed The reader will not just acquire new areas of information he will have some of the existing knowledge which he thought was soundly held strikingly challenged in the pages of this superbly illustrated book The Great War Peter Hart, 2013-04-09 Named one of the Ten Best Books of 2013 by The Economist World War I altered the landscape of the modern world in every conceivable arena Millions died empires collapsed new ideologies

and political movements arose poison gas warplanes tanks submarines and other technologies appeared Total war emerged as a grim mature reality In The Great War Peter Hart provides a masterful combat history of this global conflict Focusing on the decisive engagements Hart explores the immense challenges faced by the commanders on all sides He surveys the belligerent nations analyzing their strengths weaknesses and strategic imperatives Russia for example was obsessed with securing an exit from the Black Sea while France having lost to Prussia in 1871 before Germany united constructed a network of defensive alliances even as it held a grudge over the loss of Alsace Lorraine Hart offers deft portraits of the commanders the prewar plans and the unexpected obstacles and setbacks that upended the initial operations *They came from Burgundy* Keith Janes, 2017-03-28 The first book to recount the stories of every single Allied serviceman including more than a hundred and fifty American aircrew helped by one of the major escape lines of World War Two complete with details of their helpers Escape lines which should more properly be called evasion lines can be described as organisations that helped stranded servicemen make their way from enemy occupied territories back to friendly territory Of the three major escape lines running through France during the Second World War the Pat O Leary line which covered most of the country the Comete line which ran from Holland and Belgium through France to the Pyrenees and Bourgogne Bourgogne aka Burgundy is the least well known Escape lines are a largely unrecognised or at least often overlooked episode of the Second World War For those who were involved the helpers mostly French Belgian and Dutch civilians or who benefitted from them mostly British Commonwealth and American servicemen this was a personal war which was and remains almost unknown to the outside world despite the tragic loss of so many of those concerned To the families of the servicemen saved it must have seemed like a miracle to have their loved ones returned safely to them For the helpers and their families who were caught it often meant death This comprehensive study some 480 pages is based around contemporary reports and documentation as well as extensive personal research by the author and others It describes the evasions of the more than three hundred Allied servicemen helped by the Burgundy line together with details and the eventual fates of many hundreds of their helpers They came from Burgundy will appeal to those interested in history specifically Second World War escape and evasion **Land and Water**, 1918 **The Twenty-eighth Division** Edward Martin, 1924 **Waterloo: The Campaign of 1815, Volume 2** John Hussey, 2017-09-30 Winner of the 2019 RUSI Duke of Wellington Medal for Military History Winner of the 2017 Society for Army Historical Research Templer Medal Shortlisted for Military History Monthly's Book of the Year Award The first of two groundbreaking volumes on the Waterloo campaign this book is based upon a detailed analysis of sources old and new in four languages It highlights the political stresses between the Allies and their resolution it studies the problems of feeding and paying for 250 000 Allied forces assembling in Belgium during the undeclared war and how a strategy was thrashed out It studies the neglected topic of how the slow and discordant Allies beyond the Rhine hampered the plans of Blücher and Wellington thus allowing Napoleon to snatch the initiative from them Napoleons operational plan is analyzed and Soult's

mistakes in executing it Accounts from both sides help provide a vivid impression of the fighting on the first day 15 June and the volume ends with the joint battles of Ligny and Quatre Bras the next day “*The*” *Athenaeum* ,1887 Virginia Communities in War Time Arthur Kyle Davis,1927 *Publications of the Virginia War History Commission: Virginia communities in war time* Virginia War History Commission,1927 **Publications of the Virginia War History Commission** Virginia War History Commission,1923 ANZACS on the Western Front Peter Pedersen,2018-02-14 A newly updated lavishly illustrated account of the ANZACs involvement in the Western Front complete with walking and driving tours of 28 battlefields With rare photographs and documents from the Australian War Memorial archive and extensive travel information this is the most comprehensive guide to the battlefields of the Western Front on the market Every chapter covers not just the battles but the often larger than life personalities who took part in them Following a chronological order from 1916 through 1918 the book leads readers through every major engagement the Australian and New Zealanders fought in and includes tactical considerations and extracts from the personal diaries of soldiers Anzacs On The Western Front The Australian War Memorial Battlefield Guide is the perfect book for anyone who wants to explore the battlefields of the Western Front either in person or from the comfort of home It does far more than show where the lines that generals drew on their maps actually ran on the ground and retrace the footsteps of the men advancing towards them It is a graphic and wide ranging record of the Australian and New Zealand achievements and of the huge sacrifices both nations made in what is still arguably the most grueling episode in their history A complete guide to the ANZAC battlefields on the Western Front featuring short essays on important personalities and events details on relevant cemeteries museums memorials and nearby places of interest and general travel information Carefully researched and illustrated with colorful maps and both modern and period photographs Includes information about the Sir John Monash Centre near Villers Bretonneux in France a new interpretative museum set to open on Anzac Day 2018 coinciding with the centenary of the Year of Victory 1918 Anzacs On The Western Front The Australian War Memorial Battlefield Guide is the perfect book for historians history buffs military enthusiasts and Australians and New Zealanders who want to explore the military history and battlefields of their heritage **Veterinary Bulletin** United States. Army. Veterinary Corps,1926 Pennsylvania in the World War United States. Army. Infantry Division, 28th,States Publications Society,1921 **Virginians of Distinguished Service of the World War** Arthur Kyle Davis,1923 *Publications of the Virginia War History Commission* Arthur Kyle Davis ,1923 **All American, All the Way** Phil Nordyke,2010-11-10 The 82nd Airborne Division parachuted into history on 9 July 1943 when they led Operation Husky the invasion of Sicily Less than a year from their formation in August 1942 the All Americans the name of the division in World War I when Sgt Alvin York was one its soldiers found themselves in the thick of the action something that would become familiar to them for the rest of the war Heavy combat followed on the Italian mainland Then came the main event of the war D Day
