fantastic glimpse of a unique part of American history and is not to be missed by fans and collectors of Tarkington's seminal work. Newton Booth Tarkington 1869-1946 was an American dramatist and Pulitzer Prize winning novelist. Among only three other novelists to have won the Pulitzer Prize more than once, Tarkington was one of the greatest authors of the 1910s and 1920s who helped usher in Indiana's Golden Age of literature. Other notable works by this author include *Monsieur Beaucaire* 1900, *Penrod* 1914, and *The Turmoil* 1915. Read Co Classics is republishing this novel now in a new edition complete with a biography of the author from *Encyclopædia Britannica* 1922.

[The Golf Club Murder](#) Ben Westerham, 2023-07-31. Who would have thought golf could be such a deadly game? When two players stumble upon a dead body in a bunker on the thirteenth hole of their favourite golf club, their discovery is about to set in motion a series of events that will lay bare some of the less savoury aspects of the human condition. Inspector Leslie Dykeman and the irascible Sergeant Stanley Shapes find themselves engaged on a case that will drive them to distraction as they begin to investigate the murder of a man who seems at first sight to have had no enemies. But first sight they will discover can be a deceptive thing, especially when deceit, greed, envy, and desperation are at work. *The Golf Club Murder* is the fifth book in a classic murder mystery series set in the Oxfordshire town of Banbury in the early 1960s by British author Ben Westerham. Purchase your copy now, curl up on a sofa and lose yourself in a classic murder mystery that comes complete with a touch of romance and a streak of humour.

[Morton House](#) Christian Reid, 1872. **Booth Tarkington: Novels & Stories (LOA #319)** Booth Tarkington, 2019-06-04. Thomas Mallon and Library of America invite readers to rediscover the Pulitzer Prize winning novels of a classic American writer on the 150th anniversary of his birth. Much in need of rediscovery today, Booth Tarkington was among the most beloved and widely read writers of his era. In such classic novels as *The Magnificent Ambersons* and *Alice Adams*, both winners of the Pulitzer Prize, Tarkington displayed a mastery of realism and an astute, strikingly modern feel for psychology, capturing crucial transformations in our national life as they were manifested in changing social customs and in the very landscape itself, altered irrevocably by industrialization and environmental degradation. Out of Tarkington's prolific writings, novelist and critic Thomas Mallon has selected three works that show Tarkington at his best. *The Magnificent Ambersons*, inspiration for Orson Welles's classic film, is a tour de force study in egoism depicting the fall from grace of George Minafer, wayward scion of the once unassailable Amberson family. The titular protagonist of *Alice Adams*, portrayed unforgettably by Katharine Hepburn in what many consider her finest performance, is one of the great heroines of American literature, like Henry James's Isabel Archer and the young women of Edith Wharton's novels: she is a spirited, complicated young woman contronting the limits of her time and place with her own headlong desires. These novels are joined here by the story collection *In the Arena*, Tales from Political Life, first published in 1905 and then in an expanded edition in 1920. These

stories which exerted influence on Theodore Roosevelt inspiring perhaps his most famous speech draw from Tarkington's political career as a state legislator in Indiana which lasted briefly but had a profound impact on him Published to commemorate the 150th anniversary of Tarkington's birth Novels and Stories contains the most enduring works of a Hoosier luminary and an estimable chronicler of the American Midwest
