Ralph Thomas

Serjeant For The Commons House Of Commons Library Document:

Ceremonial in the House of Commons Peter Thorne, 1974 **Guide to the Records of Parliament** Maurice Bond, Great Britain. Parliament. House of Lords. Record Office, 1971 **HMSO Annual Catalogue** Great Britain. Her Majesty's Stationery Office, 1986 **Serjeant for the Commons** Peter F. Thorne, 1985 The Parliamentarian, 1995 *Standard Library Cyclopaedia of Political, Constitutional, Statistical & Forensic Knowledge* Henry George Bohn, 1860 **Inventing a Republic** Sean Kelsey, 1997 This book provides a fresh reassessment of English politics and political culture during the Commonwealth the brief period of parliamentary republican rule with no monarch royal court or House of Lords between the execution of Charles I in 1649 and Cromwell's seizure of power in 1653 It focuses particularly on the problem of how to legitimate governmental authority in the absence of a monarchy and in the absence of all the symbolic and ceremonial forms through which authority had traditionally been expressed and exercised Finally the author argues that the Commonwealth regime was not in fact the corrupt administrative failure that it was alleged to have been by its enemies and later by many historians instead the republican experiment was brought down by a faction no less intent on enjoying the spoils of the Stuart regime anxious about the Commonwealth's successes rather than alarmed by its failures The English revolution demolished almost all political landmarks and this book describes in vivid detail how the new republican state successfully restored the dignity of civilian government by expressing its authority through a calculated range of imagery and symbolism Individual chapters focus on the occupation and revival of the abandoned royal palace of Whitehall by members of the new regime the public spectacle mounted to celebrate its military victories the ritual and ceremony with which it dignified everyday politics and the invention of a new state iconography to replace familiar forms such as the crown and the royal seal These efforts of the Republic to graft its own symbols and rhetoric onto the familiar political culture of the monarchical Stuart state secured an increasingly broad degree of support and indeed enthusiasm from its citizens However the steady growth of the regime's stability and prestige was seen by the army as a threat to its power and in 1653 they acted lest the Republic continue to harden into an unassailable form *Secretary to the Speaker* Robin Maxwell-Hyslop, 1999 The Standard Library Cyclopaedia of Political, Constitutional, Statistical and Forensic Knowledge, 1853 **Reports from Joint Select Committees of H.L. and H.C., and from Select Committees of H.L., and Evidence** Great Britain. Parliament. House of Lords, 1899 Reports from Committees of the House of Commons: Great Britain. Record Commission. General report to the king in council from the honourable board of commissioners on the public records. 1837, 1837 Catalogue of the Colonial Office Library, London Great Britain. Colonial Office. Library, 1964 *The Parliament of England, 1559-1581* Geoffrey Rudolph Elton, G. R. Elton, 1989-08-25 This is a comprehensive account of the parliament of early modern England at work written by the leading authority on sixteenth century English constitutional and political history Professor Elton explains how parliament dealt with bills and acts discusses the many various matters that came to notice there and investigates its role in

political matters In the process he proves that the prevailing doctrine developed by the work of Sir John Neale is wrong that parliament did not acquire a major role in politics that the notion of a consistent body of puritan agitators in opposition to the government is mere fiction and although the Commons processed more bills than the House of Lords the Lords occupied the more important and influential role Parliament's fundamental function in the government of the realm lay rather in the granting of taxes and the making of laws The latter were promoted by a great variety of interests the Crown the Privy Council the bishops and particularly by innumerable private initiators A very large number of bills failed most commonly for lack of time but also because agreement between the three partners Queen Lords and Commons could not be reached

HMSO Monthly Catalogue Great Britain. Her Majesty's Stationery Office,1994 **An Extraordinary Scandal** Emma Crewe,Andrew Walker,2020-03-15 A parliamentary scandal that dominates the headlines The resignation of major party figures Commentators and citizens wondering if the British government and the people's faith in it will survive Before Brexit another major crisis rocked the foundation of government in the country the expenses scandal of 2009 Featuring interviews with the members of parliament journalists and officials close to the center of the turmoil An Extraordinary Scandal tells the story of what really happened Andrew Walker the tax expert who oversaw the parliamentary expenses system and Emma Crewe a social scientist specializing in the institutions of parliament bring fascinating perspectives from both inside and outside parliament to this account Far from attempting provide a defense of any the parties involved An Extraordinary Scandal explains how the parliament fell out of step with the electorate and became a victim of its own remote institutional logic growing to become at odds with an increasingly open meritocratic society Charting the crisis from its 1990s origins when Westminster began too slowly to respond to wider societal changes to its aftermath in 2010 the authors examine how the scandal aggravated the developing crisis of trust between the British electorate and Westminster politicians that continues to this day Their in depth research reveals new insight into how the expenses scandal acted as a glimpse of what was to come and they reveal where the scandal's legacy can be traced in the new age of mistrust and outrage in which politicians are often unfairly vulnerable to being charged in the court of public opinion by those they represent English Constituency Histories 1265-1832 Janet Seaton,1986 **The Standard Library Cyclopedia of Political, Constitutional, Statistical and Forensic Knowledge** ,1849 Government Publications Great Britain. Her Majesty's Stationery Office,1994 **Parliamentary Papers** Great Britain. Parliament. House of Commons,1914 A Bibliographical List of Lord Brougham's Publications Arranged in Chronological Order Ralph Thomas,1873
