Sermon As Symphony Preaching The Literary Forms Of The New Testament:

The Sermon as Symphony Mike Graves, 1997 The Sermon as Symphony examines ten literary forms in the New Testament and illustrates their use in sample sermons from some of today's best known preachers among them Eugene Lowry William Willimon and Frederick Buechner

Preaching the New Testament as Rhetoric Tim MacBride, 2014-11-05 Since the rise of the New Homiletic a generation ago it has been recognized that sermons not only say something to listeners they also do something A truly expository sermon will seek not merely to say what the biblical text said but also to do what the biblical text did in the lives of its original audience In Preaching the New Testament as Rhetoric MacBride looks how at the discipline of rhetorical criticism can help preachers discern the function of a New Testament text in its original setting as a means of crafting a sermon that can function similarly in contemporary contexts Focusing on the letters of Paul he shows how understanding them in light of Greco Roman speech conventions can suggest ways by which preachers can communicate not just the content of the letters but also their function In this way the power of the text itself can be harnessed leading to sermons that inform and most importantly transform

are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice Sermons That Sing Noel A. Snyder, 2021-08-17 Preaching and music are both regular elements of Christian worship yet they often don't interact or inform each other in meaningful ways Theologian pastor and musician Noel A Snyder considers how preaching that seeks to engage hearts and minds might be helpfully informed by musical theory so that preachers might craft sermons that sing **The Art and Craft of Biblical Preaching** Haddon W. Robinson, 2005 The most complete practical encyclopedia on the practice of preaching based on articles from over a hundred respected communicators of Christian truth this text includes an audio CD with preaching technique examples from the book Preaching with Accuracy Randal E. Pelton, 2019-03-21 A resource to help pastors correctly identify the big idea of a passage and apply it well Preaching with Accuracy provides preachers with a method for finding the big idea in each passage of the Bible since correctly identifying the main point is key to accurately conveying the essential theology of the passage Pelton lays out a reliable well informed method for identifying the main point of a preaching passage and understanding that passage well in its context Numerous examples are given at each step of the way to show how meaning develops throughout the process of interpretation Pelton then guides the preacher through applying a Christ centered hermeneutic that will result in biblical sermons that benefit and equip believers **Timing Grace** Johan Cilliers, 2019-08-13 In this companion volume to *A Space for Grace* Johan Cilliers delves into some of the most profound theological underpinnings of preaching Drawing on his extraordinary depth and breadth of scholarship Cilliers examines the aesthetic qualitative and relational dimensions of sermonic time Faithful preaching he argues is an art of speaking the now of grace which is inextricably linked to past and future but is simultaneously a dynamic event filled with the revelatory presence of God Along with helpful reflections on pieces of visual art Cilliers provides numerous sample sermons as well as several detailed sermon analyses **The Dynamics of Preaching (Ministry Dynamics for a New Century)** Warren W. Wiersbe, 1999-11-01 Wiersbe crystallizes the unchanging principles of preaching and applies them in practical and creative ways to ministry in the new century *Taken Up and Preached* Blayne A. Banting, 2019-12-20 Faithful biblical sermons not only attempt to capture what the biblical text says but also what the text is trying to do Biblical sermons will take direction from both the content and the intent of the biblical text In *Taken Up and Preached* Blayne Banting supplies examples of sermons from his own preaching ministry to illustrate the Homiletical Bridge methodology he developed in his previous book *Take Up and Preach A Primer for Interpreting Preaching Texts* 2016 *Preaching with Humanity* Geoffrey Stevenson, Stephen Wright, 2008 How can old fashioned preaching survive in today's culture How can we preach with humanity not to it or at it Whether you're a new enthusiast or an experienced practitioner this book will help you in the life long process of becoming a preacher with humanity **Theopoetry of the Psalms** C.J.A. Vos, 2005-10-10 In *Theopoetry of the Psalms* Cas J A Vos explores the beauty of the Psalms and examines their meaning within the context of exegesis homiletics and poetry By investigating the structure literary genre history and theology of the

Psalms he traces the ways in which they continue to be relevant to contemporary readers and to modern worship Vos scrutinizes the Psalms as a volume of poetry and a work of art considers hermeneutical approaches and difficulties providing not only a verse by verse analysis but also a contextual history outlines a comprehensive homiletic theory for preaching the Psalms and concludes with a study of the Psalms in liturgy Theopoetry of the Psalms is valuable to those Biblical scholars who wish to explore the theological and exegetical interpretation of the Psalms as well as to those readers who are interested in liturgics and practical theology for preaching and worship

Carrell, 2013-04-11 Listeners do love their pastors and they agree with the sermon content they hear Lori Carrell once explained to a group of pastors but most sermons don t ask for change and most listeners don t experience spiritual growth as a result of the sermon A participant responded Let s get practical I want my preaching to make a difference What changes are worth making and how do I make them In Preaching that Matters Lori Carrell shares answers to that question drawing on the experiences of thousands of people preachers and their listeners whose effort she has studied over many years In each chapter of this book she offers research revelations about high impact preaching that will encourage and challenge readers to continue to grow as preachers She then links these principles with Reflective Practice Challenges RPCs exercises that honor the rich experiences of pastors while opening opportunities for self analysis spiritual introspection conversation with a trusted other or implementation of research based preaching recommendations The activities have been used by hundreds of other pastors and each RPC has been carefully selected for its demonstrated contribution to the process of transforming sermon communication A selection of the RPCs are available as a downloadable file E mail resource material rowman com for

more information As a communication expert Carrell approaches preaching from a sermon communication paradigm She begins with the task of identifying the spiritually transformative purpose of the sermon and then explores exegeting organizing deepening and delivering the sermon as well as listening to the listeners and planning for continued transformation Her own goal is simple to inspire and equip clergy to make changes that will enhance the transformative power of their preaching To connect with others reading *Preaching That Matters* and to find an online accountability partner join the book's Google communities

Biblical Preaching Robert Curry, 2023-12-11 *Preaching* is a demand of the Bible that is fitted with a specific purpose and a strong theological base It is the proclamation of the word of God and is done in churches throughout the world *Preaching* plays a role in the spiritual formation of its hearers helping to form a community of faith whose members are sharing in and supporting one another in a spiritual journey The topics of preaching can be found in both the Old and New Testaments within several different genres but closer attention might be given to the genres of the parables of Jesus and the speeches in the book of Acts As a topic of preaching the parables can be understood as examples of allegory simile and or metaphor The speeches in Acts offer a picture window of a sort into the homiletical mindset of the apostles and other disciples as they proclaimed the gospel to the world as they knew it *Preaching* is a demand of the Bible and a specific task of those who are privileged to do it
