The Wartime Sermons of Jonathan Edwards Jonathan Edwards, 2022-03-31 Jonathan Edwards is known as one of the most respected thinkers in American history and presided over the Great Awakening, one of the formative colonial events. What many don't realize is Edwards lived during a time of widespread conflict which eventually touched the people of Northampton personally. Through these collected sermons, many of which are unpublished, Edwards sought to instruct, train, and comfort his congregation during a precarious season in provincial life. These sermons demonstrate the scope of Edwards's greatness as a global thinker intimately connected to the British Empire as well as shepherd of the Northampton flock. The first part of this collection presents the sermons Edwards preached while the theater of war centered on the continent and the Caribbean. During this phase, Edwards's sermons leveraged martial language to promote the burgeoning revivals. In 1744, war was transplanted to the colonies in which the Northampton congregation personally participated. After a short hiatus of international conflict, warfare spread throughout the colonies. While he served a frontier mission, Edwards prepared his Indian congregation for yet another season of war. These sermons present Edwards as theologian, historian, philosopher, but most importantly as pastor.

The Minister's Task and Calling in the Sermons of Jonathan Edwards Helen Westra, 1986 This work makes use of unpublished manuscripts in the Jonathan Edwards Manuscript Collection at Yale University. It treats five themes: the scope of gospel ministry, the word of God, the word heard, and kept, ordination and installation sermons, and Christ the Perfect Ministerial Exemplar.

Sermons by Jonathan Edwards on the Church, Volume 1 Kenneth P. Minkema, R. Craig Woods, Thomas A. Koontz, 2019-09-11 In April 1740, Jonathan Edwards, minister of Northampton, Massachusetts, preached a discourse on Hebrews 12:22-24 comprising eight sermons. At this point, he had been the senior pastor of that town for just over a decade and had seen his congregation through the historic Connecticut Valley Awakening of the mid-1730s when several hundred souls were reportedly savingly converted. This first volume of *Sermons by Jonathan Edwards on the Church* contains the previously unpublished Hebrews discourse, "Christians Coming to Mt. Zion," preached on the very cusp of the transatlantic religious movement that would become known as The Great Awakening, the New England phase of which began later that year. In addition to the complete and original text of Edwards' discourse, the volume includes two introductions that describe his preaching style and method and provide an historical context.
