Sermons On Job:

Sermons on the Book of Job George Wagner, 1860 **Sermons on Job** Jean Calvin, 1993 Calvin preached on the Book of Job on week days in 1554 55 These sermons abound in faithful and lively exposition and remain one of the finest examples of evangelical preaching This quality facsimile edition is a reproduction of Arthur Golding s translation of the Job sermons first published in 1574 *Four Sermons on Job x. 2, etc* Isaac Watts, 1799 *Sermons from Job* Jean Calvin, 1952 **Sermons on the Book of Job** George Wagner, 1869 *The Cambridge Companion to John Calvin* Donald K. McKim, 2004-06-17 Dr Donald K McKim gathers together an international array of major Calvin scholars to consider phases of Calvin s theological thought and influence Here historians and theologians meet to present a full picture of Calvin s contexts the major themes in Calvin s writings and the ways in which his thought spread and has increasing importance today The chapters serve as guides to their topics and provide further readings for additional study This is an accessible introduction to the significant Protestant reformer and will appeal to the specialist and non specialist alike **Preaching Christ from the Old Testament** Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament **Job's history & character, 5 village sermons** Arthur Roberts, 1882 **Calvin and the Bible** Donald K. McKim, 2006-05-11 During the past several decades a growing number of scholars have come to appreciate the importance of studying John Calvin s interpretive work as a commentator on Scripture in addition to his better known writings on theology In this volume ten essays by scholars specializing in Calvin s exegetical methods examine the approaches and themes Calvin emphasized when he interpreted major portions of Scripture These essays focus on Calvin s work in his biblical commentaries with appropriate cross referencing to his other writings including his sermons A concluding essay synthesizes the main features of what has gone before to present an overall view of John Calvin as an interpreter and commentator on Holy Scripture An appreciation of Calvin s exegetical labors and his work as a biblical commentator are now recognized as key elements in Calvin scholarship *Sermons from Job* Clovis Gillham Chappell, 1957 In the light of Job s experiences he discusses some of the more serious as well as the lighter aspects of human existence For example people every day face the same questions that puzzled the author of Job There are no easy answers but Job in all his suffering never loses his integrity nor his belief in the reality of God The messages are rich in illustrations and written in simple language and with powerful popular appeal The chapters are brief each is headed by its scripture text and divided into sections that may serve as a sermon outline **Sermons on Job** Jean Calvin, 2014 **Preaching Job** John C. Holbert, 2011-06-13 Drawing on both pastoral and

scholarly experience John Holbert offers a fresh approach to the preaching of a familiar scripture To be a Joban preacher he says is to draw on the pain and honesty inherent in the text Holbert understands the preacher s task as interpreting the whole of the book of job not just the narrative and the poetry This integrative approach allows the book s entire theology to inform sermons Included for illustration are an embodied sermon and a narrative sermon based on passages from Job
