Serpents In The Garden Randy A Cook, 2018-10-25 Dragons have always been a prevalent part of the mythos of humankind Since ancient times they have existed in the hazy twilight of the sunrise and the darkening shadows given strength by the fading sun They have dwelt with us in virtually every culture that has risen or fallen in the long existence of this fragile world We only upon occasion catch a fleeting glimpses of them as we pass through their shadows never looking fully upon the terrible truths that they may represent At times these are creatures to inspire and offer salvation from the troubles that plague our kind But more often they are a darker reflection of the fear suffering and pain that we both individually and collectively endure during the short course of our mortal lives Serpents in the Garden is a Thunder of three decades of the human condition and the world's pain as experienced by one such man trying at best to exorcise his own darker Dragons and at worst to justify his own actions in a world that we all struggle to survive within Some might consider them to be the unexpected expectation of life

The Waterfront Danny Martineau Jr., 2013-12 While growing up I was fascinated with the world around me I had an admiration for animals and a love for both the food and culture of the time Being raised on a campground in rural southern New England was exciting but transitioning to city life was challenging It was difficult for me to let go of the 1970s I felt it was the best decade to be a kid No matter what challenges the future would bring I always found myself returning to the woods to find solitude The vast campground teeming with wildlife manifests

itself in both majestic beauty and eerie encounters It is a splendid forum for the exploration of youngsters full of imagination The waterfront is the defining feature of the campground the epicenter of activity like the sea it is both aesthetic and haunting Somehow the waterfront possesses an intrinsic quality that is a crucial ingredient in both creating and preserving memories it is truly the thread that binds the novel together Banner of the Pirate King Marc Van Pelt,2025-09-29 Tia never expected diplomacy to land her on a pirate ship She and her best friend Jaxon set out to forge a vital alliance that could shift the balance of power across the fractured world But their plans are dashed when fate and a storm of cannon fire throws them into the hands of the Timeless a legendary vessel flying the banner of the Pirate King Chronos Under the watchful eye of the stern Captain Voss Tia must find her footing among a crew whose loyalties are as murky as the waters they sail Their only ally is Linn the curious and clever cabin boy whose friendship offers a rare glimmer of warmth in an otherwise dangerous voyage As the Timeless sails toward the forbidden lands of Old Aguerius whispers of rebellion ancient power and broken allegiances rise like a tide Tia must decide who to trust what to risk and how far she s willing to go for the sake of peace or survival Banner of the Pirate King is a sweeping tale of sea bound adventure reluctant alliances and the strength it takes to chart your own course in a world ruled by legend *Library Journal* Melvil Dewey,Richard Rogers Bowker,L.
