**Meyerbeer Orchestral Works** Robert Ignatius Letellier, 2010-06-09 This volume brings together a collection of the orchestral works of the composer Giacomo Meyerbeer He is remembered as one of the great figures of 19th century opera a master of brilliant vocalism impassioned drama and vivid orchestral power and colour His operas are noted for their precise construction and urgent propulsion and never linger for long in music for its own sake Nevertheless the orchestral passages are integral to the dramatic logic brief thematically pertinent preludes and precise introductions to the individual acts always providing a sense of colour and purpose The operas are also famous for their ballets as an integral aspect of the dramaturgy of the grand French style but even here the music is kept within strict temporal control Some of these dance sequences like the Ballet of the Nuns in *Robert le Diable* and the Skaters Ballet in *Le Prophète* became very famous in themselves the former was of seminal influence on the development of the Romantic Ballet both in musical and conceptual terms the latter is known universally as the ballet of winter joy *Les Patineurs* Other orchestral episodes from the operas also enjoyed great independent popularity like the resplendent Coronation March in *Le Prophète* and the exotic *Marche Indienne* in *L'Africaine* The former continues to be Meyerbeer s most widely known composition All these works have been gathered together in this volume to constitute orchestral suites from the French operas both grand and the smaller opéras comiques The two latter works *L'toile du Nord* and *Dinorah* each has an extended overture Meyerbeer s most substantial orchestral work however is the incidental music he wrote for his brother Michael Beer s tragedy *Struensee* 1846 The overture is Meyerbeer s crowning achievement in orchestral writing and the rest of the incidental music is enthralling in its drama passion and pathos The composer was also asked to write instrumental music for other public occasions most especially for the weddings of the Prussian Royal Family He provided four stirring *Fackeltanze* for the torchlight procession held at the Hohenzollern nuptial celebrations superb works in processional polonaise style full of grandezza dramatic gesture and affecting lyricism In 1861 Meyerbeer was asked to compose the music for the royal procession of King Wilhelm I of Prussia at the ancient capital of Königsberg The result was another Coronation March this one of more formal and stately character that reaches its climax most

appropriately in the Prussian national anthem Ich bin ein Preusser In 1862 Meyerbeer was commissioned to write music for the opening of the London Exhibition in the Crystal Palace His Overture in March Style is in the form of a Baroque suite and provides a series of four variants on the march genre culminating in a fantasia on Rule Britannia This grandiose festive piece is full variety surprises and subtle orchestral colours Like all this composer s work this fine composition is waiting to be rediscovered

**Babel in Zion** Liora Halperin,2015-01-01 The promotion and vernacularization of Hebrew traditionally a language of Jewish liturgy and study was a central accomplishment of the Zionist movement in Palestine Viewing twentieth century history through the lens of language author Liora Halperin questions the accepted scholarly narrative of a Zionist move away from multilingualism during the years following World War I demonstrating how Jews in Palestine remained connected linguistically by both preference and necessity to a world outside the boundaries of the pro Hebrew community even as it promoted Hebrew and achieved that language s dominance The story of language encounters in Jewish Palestine is a fascinating tale of shifting power relationships both locally and globally Halperin s absorbing study explores how a young national community was compelled to modify the dictates of Hebrew exclusivity as it negotiated its relationships with its Jewish population Palestinian Arabs the British and others outside the margins of the national project and ultimately came to terms with the limitations of its hegemony in an interconnected world

**"An Introduction to the Dramatic Works of Giacomo Meyerbeer: Operas, Ballets, Cantatas, Plays "**

Robert Ignatius Letellier,2017-07-05 Giacomo Meyerbeer 1791 1864 was a great musical dramatist in his own right The fame of his operas rests on his radical treatment of form his development of scenic complexes and greater plasticity of structure and melody his dynamic use of the orchestra and close attention to all aspects of presentation and production all of which set new standards in Romantic opera and dramaturgy This book carries forward the process of rediscovery and reassessment of Meyerbeer s art including not just his famous French operas but also his German and Italian ones placing them in the context of his entire dramatic oeuvre including his ballets oratorios cantatas and incidental music From Meyerbeer s first stage presentation in 1810 to his great posthumous accolade in 1865 some 24 works mark the unfolding of this life lived for dramatic music The reputation of the famous four grand operas may well live on in the public consciousness but the other works remain largely unknown This book provides an approachable introduction to them The works have been divided into their generic types for quick reference and helpful association and placed within the context of the composer s life and artistic development Each section unfolds a brief history of the work s origins an account of the plot a critical survey of some of its musical characteristics and a record of its performance history Robert Letellier examines each work from a dramaturgical view point including the essential often challenging philosophical and historical elements in the scenarios and

how these concepts were translated musically onto the stage A series of portraits and stage iconography assist in bringing the works to life

**Minorities and the Modern Arab World** Laura Robson,2016-05-18 In the wake of recent upheavals across the Arab world a simplistic media portrayal of the region as essentially homogenous has given way to a new though equally shallow portrayal casting it as deeply divided along ethnic linguistic and religious lines The essays gathered in Minorities and the Modern Arab World seek to challenge this representation with a nuanced exploration of the ways in which ethnic religious and linguistic commitments have intersected to create minority communities in the modern era Bringing together the fields of history political science anthropology sociology and linguistics contributors provide fresh analyses of the construction and evolution of minority identities around the region They examine how the category of minority became meaningful only with the rise of the modern nation state and find that Middle Eastern minority nationalisms owe much of their modern self definition to developments within diaspora populations and other transnational frameworks The first volume to upend the conceptual frame of reference for studying Middle Eastern minority communities in nearly two decades Minorities and the Modern Arab World represents a major intervention in modern Middle East studies

Musing in the Footsteps of Jesus Charles David McCally,2012-04-11 Musing in the Footsteps of Jesus beckons you to interact with the real and imaginary characters involved in events of Jesus's early ministry Witness the life changing effect on a tent maker and his two young sons as Jesus receives baptism in the Jordan River accompanied by the voice of God introducing him as his beloved son Be with Jesus in a cave for forty days preparing for the attack by Satan and his airborne warring angels Marvel at how a bear and an owl contribute to Jesus's survival Enjoy the sense of humor of the fishermen who joke of the Messiah as their big catch Later as Jesus's full time disciples they cheerfully confess they are the ones enmeshed in a net The wedding in Cana turns comical when a renowned chef finds the wine unworthy of his recipes Jesus's new wine proves to be the best wine ever to touch the gourmets palate A Pharisee ruler comes to Jesus at night As the schooled priest asks Jesus of the secrets of heaven the mans conflicting thoughts reveal his character and spirituality The woman at Jacobs well appears to be a repentant sinner yearning for a Messiah The vision Jesus sees of her past explains why he tells her before all others that he is the Christ When a rich man asks Jesus how to get to heaven Christ answers that he must part with his riches and serve him The man leaves with a sad countenance Hear the mystical voice from a whirlwind see the rich mans fanciful flight on a horse to the moon and you will understand why he chose to obey Jesus and serve him This storyteller prays these dreams will increase your hunger for deeper understanding of the Holy Scriptures
