Catholic School Leadership Anthony J. Dosen,Barbara S. Rieckhoff,2016-01-01 The administration of Pre K 12 Catholic schools becomes more challenging each year Catholic school leaders not only have the daunting task of leading a successful learning organization but also to serve as the school community s spiritual leader and the vigilant steward who keeps the budget balanced the building clean and maintaining a healthy enrollment in the school Each of these tasks can be a full time job yet the Catholic school principal takes on these tasks day after day year after year so that teachers may teach as Jesus did The goal of this book is to provide both beginning and seasoned Catholic school leaders with some insights that might help them to meet these challenges with a sense of confidence The words in this text provide research based approaches for dealing with issues of practice especially those tasks that are not ordinarily taught in educational leadership programs This text helps to make sense of the pastoral side of Catholic education in terms of structures mission identity curriculum and relationships with the principal s varied constituencies It also provides some insights into enrollment management issues finances and development and the day in day out care of the organization and its home the school building As a Catholic school leader each must remember that the Catholic school is not just another educational option The Catholic school has a rich history and an important mission Historically education of the young goes back to the monastic and cathedral schools of the Middle Ages In the United States Catholic schools developed as a response to anti Catholic bias that was rampant during the nineteenth century Catholic schools developed to move their immigrant and first generation American youth from the Catholic ghetto to successful careers and lives in the American mainstream However most importantly Catholic schools have brought Christ to generations of youngsters It remains the continuing call of the Catholic school to be a center of Evangelization a place where Gospel values live in the lives of faculty students and parents This text attempts to integrate the unique challenges of the instructional leader of the institution with the historical and theological underpinnings of

contemporary Catholic education *A Text-book in Citizenship* Ray Osgood Hughes,1933 **Handbook of Autoethnography** Tony E. Adams, Stacy Holman Jones, Carolyn Ellis, 2016-05-23 In this definitive reference volume almost fifty leading thinkers and practitioners of autoethnographic research from four continents and a dozen disciplines comprehensively cover its vision opportunities and challenges Chapters address the theory history and ethics of autoethnographic practice representational and writing issues the personal and relational concerns of the autoethnographer and the link between researcher and social justice A set of 13 exemplars show the use of these principles in action Autoethnography is one of the most popularly practiced forms of qualitative research over the past 20 years and this volume captures all its essential elements for graduate students and practicing researchers *Enhancing a High-Performing School Culture and Climate* Cletus R. Bulach, Frederick C. Lunenburg, Les Potter, 2016-10-04 The purpose of our book is to share with our readers some insights we have acquired over the years in our administrative experience implementing change and reforms Two areas that are critical for any reform to succeed are the way communications and conflicts are handled We have included a chapter on interpersonal communications that describes five basic communication skills We have also included a chapter on conflict with provides a number of insights on how to handle conflicts and how to avoid conflicts Successfully dealing with communications and conflict are essential for improving levels of openness and trust Crucial for school culture and climate are low levels of openness and trust There is little agreement amongst faculty that they are open and trusting with each other This creates a guarded environment where energy is being spent in a protective mode Motivation that should go towards improving instruction is diverted to make sure teachers stay out of trouble Improving levels of openness and trust is a thread throughout the book as is the concept of servant leadership If administrators and teachers are perceived as servants as opposed to self serving an improvement in levels of openness and trust will result The authors describe a number of activities for principals so they can practice the servant leadership style that is essential in order to enhance a school s culture and climate One of the activities addresses bullying behavior Bullying behavior must be addressed if there is to be a positive school culture and climate **Ten Leadership Lessons You Must Teach Your Teenager** Tim Hawkes, 2016-06-28 With lessons on leadership from Dr Tim Hawkes one of Australia s leading educators and the author of the bestselling *Ten Conversations You Must Have With Your Son* your child can learn how to bring leadership into their everyday life and you can learn how to help them achieve this Over many years renowned educator Dr Hawkes has taught thousands of students on the subject of leadership He has learnt what s effective and what s not when talking to young people about leadership Now Dr Hawkes brings that wisdom to the parents of teenage boys and girls and to teenagers themselves This book includes chapters on Making the right choices Following the right examples Finding a calling Working with a team Formulating strategies Learning discipline Dr Hawkes uses examples from ancient and modern history to illustrate his points about leadership and offers readers practical steps so that they can learn these leadership lessons This book gives parents the
