*Depth Calls to Depth* John Ensign, 2023-06-28 *Depth Calls to Depth* Jungian Psychology and Spiritual Direction in Dialogue draws on the author's dual background as a certified Jungian analyst and psychologist as well as a spiritual director with a master's degree in theology Over the last several decades spiritual direction has moved beyond its monastic origins to become a major force in contemporary spirituality Its emphasis on direct spiritual experience offers a natural parallel to Jung's model of psychospiritual healing This book describes how Jungian dreamwork can enhance the practice of spiritual direction There is much interest in Jung's thought in spiritual circles but little informed understanding of the details of his model and its application to work with individuals In an effort to meet this need chapters alternate between descriptions of Jung's approach augmented by extensive case material and accounts of spiritual direction sessions In this way the book combines a comprehensive summary of Jung's main ideas and methodologies with vignettes that illustrate their practical application Larger issues regarding the relationship between psychology and spirituality are discussed as well as Jung's complicated relationship with the Christian tradition The author's background in Ignatian spirituality and the work of mystics like Meister Eckhart allow him to demonstrate how these approaches can bridge gaps between the Christian and Jungian models of spiritual growth Parallels to 12 Step spirituality also are explored

**The Religious Dreamworld of Apuleius' Metamorphoses** James Gollnick, 2006-01-01 Apuleius' *Metamorphoses* is probably best known as the literary source for the myth of Eros and Psyche and as a primary source of information about mystery religions in the ancient world There is another realm of the *Metamorphoses* which has until now received relatively little attention namely the many dreams found within it *The Religious Dreamworld of Apuleius' Metamorphoses* offers an engaging portrait of the second century dreamworld Recognizing the

centrality of the religious function and spiritual interpretation of dreams this book illustrates their vital importance in the ancient world and the wide variety of meanings attributed to them James Gollnick draws deeply from historical and psychological studies and provides a historical background on the current interest in the role of dreams in psychological and spiritual transformation This study of Apuleius Metamorphoses adds to an appreciation of Apuleius the dreamer and the second century dreamworld in which he lived and wrote **Rotherham's Emphasized Bible** , Double column pages foreword by John R Kohlenberger III A literal translation of the original text with symbols that allow the non reader of Greek and Hebrew to discover the force and intent of the original *Champion Hearts* Thando Mgenge,2011-11-17 *Champion hearts* is a book delineating the pitfalls fuelled by hunger for success It was inspired by the events observed in the workplace while I was shaping my career Factually the observation started at the university subsequent to my conversion to Christianity Looking at the world in the precepts of Christ helped me realise that we human species are doing massive damage than good on earth Learning that university promotes rational thinking in general confused me because that is the place where I saw the most skewed thinking exercised Academics showed me one thing that has engulfed every area of life they taught that a person should mind their own business Academics do this disfavour excellently because they should appear broadminded A broadminded makes everyone feels at home Feeling at home means doing as you please I continually asked my heart that if it knows the truth that should be told how can I mind my business because I am not an island Before reaching the workplace situations we face in tertiary institutions initiates us for the animal kingdom Animal kingdom is the workplace that has no moral teaching where everyone fights to survive It is a place where people have a make believe thought of a punitive free world It is a place where people have a make believe thought of a consequence free world for their immodest deeds Sadly whatever is done in the secret shall one day be in the light Before it is in the light a heart that has committed despicable deed fights impossible war of hiding the secret This game always puts a fighter in vulnerability As old as I am I have never heard of someone who ever won the conscience fight To prove my statement sit down a friend who trusts you as the confidant Go down memory lane with them to check what really bothers them most Decisions done with the hope of fulfilment that did not bring happiness are the main regrets many souls are suffering from Whereas other deeds are easily traced because of the glaring evidence of their happenings there are those that require the victim to confide in someone Such things are a burden that many souls have decided to harbour In the process achievements are put tops at the expense of the hearts rest A heart not at rest with its soul is life poorly led I am afraid to say that in the quest for success we have Christian sisters who have decided to make sure that they stay in the league of the achievers according to the worldly standards and failed to foresee the after effects one must try to suppress for the rest of her life if ignoring conscience remains the only option in the eyes of the victim Calling this person victim is a sympathetic terminology Really this person is a volunteer victim She is a volunteer victim because she voluntarily chose to ignore scriptural advice Fortunately the same volunteer victim can be a heroine If
