Poetry of John Donne, Volume 6 John Donne,1995 Based on an exhaustive study of the manuscript and print history of Donne s poetry this edition presents newly edited critical texts of the poems and a comprehensive digest of the critical scholarly commentary on them from Donne s time forward Textual introductions briefly locate the poems in the context of Donne s life or poetic development outline the 17th century textual history of the poems and sketch the treatment of the text by modern editors A detailed textual apparatus presents variants collated from many sources and traces the lines of textual transmission

Provided by publisher **Historically Responsive Storytelling** Eleanor Chadwick,2023-11-30 This book explores the notion that the emergent language of contemporary theatre and more generally of modern culture has links to much earlier forms of storytelling and an ancient worldview This volume looks at our diverse and amalgamative theatrical inheritance and discusses various practitioners and companies whose work reflects and recapitulates ideas approaches and structures original to theatre s ritual roots Drawing together a range of topics and examples from the early Middle Ages to the modern day Chadwick focuses on a theatrical language which includes an emphasis on the psychosomatic the non linear the symbolic the liminal the collective and the sacred This interdisciplinary work draws on approaches from the fields of anthropology philosophy historical and cognitive phenomenology and neuroscience making the case for the significance of historically responsive modes in theatre practice and more widely in our society and culture **Weimar Germany, 1918-1933** John

Richard Philip McKenzie,1971 **Early Modern Prose Fiction** Naomi Conn Liebler,2006-12-05 Emphasizing the significance of early modern prose fiction as a hybrid genre that absorbed cultural ideological and historical strands of the age this fascinating study brings together an outstanding cast of critics including Sheila T Cavanaugh Stephen Guy Bray Mary Ellen Lamb Joan Pong Linton Steve Mentz Constance C Relihan Goran V Stanivukovic with an afterword from Arthur Kinney Each of the essays in this collection considers the reciprocal relation of early modern prose fiction to class distinctions examining factors such as the impact of prose fiction on the social political and economic fabric of early modern England the way in which a growing emphasis on literacy allowed for increased class mobility and newly flexible notions of class how the popularity of reading and the subsequent demand for books led to the production and marketing of books as an industry complications for critics of prose fiction as it began to be considered an inferior and trivial art form Early modern prose fiction had a huge impact on the social and economic fabric of the time creating a new culture of reading and writing

for pleasure which became accessible to those previously excluded from such activities resulting in a significant challenge to existing class structures
