For the Love of Shakespeare K. B. Chandra Raj, 2011-05-25 Chances are good that youve used one of the following expressions in your everyday conversations Eaten me out of house and home Give the devil his due Done to death or The green eyed monster But did you know William Shakespeare authored each of these phrases along with many other English phrases in common use For the Love of Shakespeare celebrates these and other common sayings that appear in our daily conversations and correctly attributes them to their true author William Shakespeare K B Chandra Raj showcases these expressions now over 400 years old in their original plays and poems to explain how they have changed in meaning and context In addition Chandra Raj studies the influence of Shakespeares words and their remarkable staying power His thoughtful commentary reveals how the originality and pure genius of Shakespeares works have led them not only to enter the public lexicon but also to continue to be performed on screen and stage Full of the beautiful language of Shakespeare For

the Love of Shakespeare celebrates the English playwrights incredible talent and definitively shows how his works transcend time Lovers of Shakespeare rejoice Alls well that ends well *Shakespeare, Einstein, and the Bottom Line* David L. KIRP, 2009-06-30 How can you turn an English department into a revenue center How do you grade students if they are customers you must please How do you keep industry from dictating a university s research agenda What happens when the life of the mind meets the bottom line Wry and insightful Shakespeare Einstein and the Bottom Line takes us on a cross country tour of the most powerful trend in academic life today the rise of business values and the belief that efficiency immediate practical usefulness and marketplace triumph are the best measures of a university s success With a shrewd eye for the telling example David Kirp relates stories of marketing incursions into places as diverse as New York University s philosophy department and the University of Virginia s business school the high minded University of Chicago and for profit DeVry University He describes how universities brand themselves for greater appeal in the competition for top students how academic super stars are wooed at outsized salaries to boost an institution s visibility and prestige how taxpayer supported academic research gets turned into profitable patents and ideas get sold to the highest bidder and how the liberal arts shrink under the pressure to be self supporting Far from doctrinaire Kirp believes there s a place for the market but the market must be kept in its place While skewering Philistinism he admires the entrepreneurial energy that has invigorated academe s dreary precincts And finally he issues a challenge to those who decry the ascent of market values given the plight of higher education what is the alternative Table of Contents Introduction The New U Part I The Higher Education Bazaar 1 This Little Student Went to Market 2 Nietzsche s Niche The University of Chicago 3 Benjamin Rush s Brat Dickinson College 4 Star Wars New York University Part II Management 101 5 The Dead Hand of Precedent New York Law School 6 Kafka Was an Optimist The University of Southern California and the University of Michigan 7 Mr Jefferson s Private College Darden Graduate School of Business Administration University of Virginia Part III Virtual Worlds 8 Rebel Alliance The Classics Departments of Sixteen Southern Liberal Arts Colleges 9 The Market in Ideas Columbia University and the Massachusetts Institute of Technology 10 The British Are Coming and Going Open University Part IV The Smart Money 11 A Good Deal of Collaboration The University of California Berkeley 12 The Information Technology Gold Rush IT Certification Courses in Silicon Valley 13 They re All Business DeVry University Conclusion The Corporation of Learning Notes Acknowledgments Index Reviews of this book An illuminating view of both good and bad results in a market driven educational system David Siegfried Booklist Reviews of this book Kirp has an eye for telling examples and he captures the turmoil and transformation in higher education in readable style Karen W Arenson New York Times Reviews of this book Mr Kirp is both quite fair and a good reporter he has a keen eye for the important ways in which bean counting has transformed universities making them financially responsible and also more concerned about developing lucrative specialties than preserving the liberal arts and humanities Shakespeare Einstein and the Bottom Line is one of the best education books of the year and anyone interested in

higher education will find it to be superior Martin Morse Wooster Washington Times Reviews of this book There is a place for the market in higher education Kirp believes but only if institutions keep the market in its place Kirp's bottom line is that the bargains universities make in pursuit of money are inevitably Faustian They imperil academic freedom the commitment to sharing knowledge the privileging of need and merit rather than the ability to pay and the conviction that the student consumer is not always right Glenn C Altschuler Philadelphia Inquirer Reviews of this book David Kirp's fine new book Shakespeare Einstein and the Bottom Line lays out dozens of ways in which the ivory tower has leaned under the gravitational influence of economic pressures and the market Carlos Alcal Sacramento Bee Reviews of this book The real subject of Kirp's well researched and amply footnoted book turns out to be more than this volume's subtitle the marketing of higher education It is in fact the American soul Where will our nation be if instead of colleges transforming the brightest young people as they come of age they focus instead on serving their paying customers and chasing the tastes they should be shaping Where will we be without institutions that value truth more than money and intellectual creativity more than creative accounting Kirp says plainly that the heart of the university is the common good The more we can all reflect upon that common good not our pocketbooks or retirement funds but what is good for the general mass of men and women the better the world of the American university will be and the better the nation will be as well Peter S Temes San Francisco Chronicle Reviews of this book David Kirp's excellent book Shakespeare Einstein and the Bottom Line provides a remarkable window into the financial challenges of higher education and the crosscurrents that drive institutional decision making Kirp explores the continuing battle for the soul of the university the role of the marketplace in shaping higher education the tension between revenue generation and the historic mission of the university to advance the public good This fine book provides a cautionary note to all in higher education While seeking as many additional revenue streams as possible it is important that institutions have clarity of mission and values if they are going to be able to make the case for continued public support Lewis Collens Chicago Tribune Reviews of this book In this delightful book David Kirp tells the story of markets in U S higher education It should be read by anyone who aspires to run a university faculty or department Terence Kealey Times Higher Education Supplement The monastery is colliding with the market American colleges and universities are in a fiercely competitive race for dollars and prestige The result may have less to do with academic excellence than with clever branding and salesmanship David Kirp offers a compelling account of what's happening to higher education and what it means for the future Robert B Reich University Professor Brandeis University and former U S Secretary of Labor Can universities keep their purpose independence and public trust when forced to prove themselves cost effective In this shrewd and readable book David Kirp explores what happens when the pursuit of truth becomes entwined with the pursuit of money Kirp finds bright spots in unexpected places for instance the emerging for profit higher education sector and he describes how some traditional institutions balance their financial needs with their academic missions Full of good stories and swift character
