**Representative Plays: Dolly reforming herself. The divine gift. Mary goes first. The goal. Grace** Mary Henry Arthur Jones,1924      **Shake Hands With the Devil** Romeo Dallaire,2009-02-24 On the tenth anniversary of the date that UN peacekeepers landed in Rwanda Random House Canada is proud to publish the unforgettable first hand account of the genocide by the man who led the UN mission Digging deep into shattering memories General Dallaire has written a powerful story of betrayal na vet racism and international politics His message is simple and undeniable Never again When Lt Gen Rom o Dallaire received the call to serve as force commander of the UN intervention in Rwanda in 1993 he thought he was heading off on a modest and straightforward peacekeeping mission Thirteen months later he flew home from Africa broken disillusioned and suicidal having witnessed the slaughter of 800 000 Rwandans in only a hundred days In Shake Hands with the Devil he takes the reader with him on a return voyage into the hell of Rwanda vividly recreating the events the international community turned its back on This book is an unsparing eyewitness account of the failure by humanity to stop the genocide despite timely warnings Woven through the story of this disastrous mission is Dallaire s own journey from confident Cold Warrior to devastated UN commander to retired general engaged in a painful struggle to find a measure of peace reconciliation and hope This book is General Dallaire s personal account of his conversion from a man certain of his worth and secure in his assumptions to a man conscious of his own weaknesses and failures and critical of the institutions he d relied on It might not sit easily with standard ideas of military leadership but understanding what happened to General Dallaire and his mission to Rwanda is crucial to understanding the moral minefields our peacekeepers are forced to negotiate when we ask them to step into the world s dirty wars Excerpt from Shake Hands with the Devil My story is not a strictly military account nor a clinical academic study of the breakdown of Rwanda It is not a simplistic indictment of the many failures of the UN as a force for peace in the world It is not a story of heroes and villains although such a work could easily be written This book is a cri de coeur for the slaughtered thousands a tribute to the souls hacked apart by machetes because of their supposed difference from those who sought to hang on to power This book is the account of a few humans who were entrusted with the role of helping others taste the fruits of peace Instead we watched as the devil took control of paradise on earth and fed on the blood of the people we were supposed to protect      **Museum of Foreign Literature, Science and Art** ,1841      **All Charley's Fault** Anthony E. the beginning of the 1960s The postwar generation is in a frenzy of high living and profligate spending Big Texas oil is still subsidized by a federal depletion allowance and cattle still account for much of the state's wealth But these longtime mainstays of Texas finance are giving way to transistors and computers A new millionaire class is growing up around business mergers and electronic technology The characters in Shrake's novel are caught in this brave new world in one way or another Some are the princes of prosperity others are victims of it This is a world of lobbyists merger lawyers small time politicians sons of oil money and the women who cheer them on or worry about their souls In the opening section of the novel we visit the Texas Gulf Coast and see the machinations of Sam Guthrie and Waddy Morris Jr as they attempt to take over a rival technology company Back in Dallas idealistic attorney Ben Carpenter moves to thwart the Guthrie Morris takeover Then we move to Fort Worth and attend the drunken party given in honor of Ben Carpenter's thirtieth birthday The party moved to Mexico on Cadmus Wilkins's bus where everyone has to confront his or her inner self And some are found wanting The several vignettes of the novel paint an accurate picture of Texas as it moves into the urban era and as its middle class began deserting the old verities and tasting what were once forbidden pleasures Shrake is a first rate stylist who knows how the upper half lives
