Angry Men and the Women who Love Them Paul Hegstrom,1999 Domestic abuse knows no boundaries Despite a dramatic increase in public awareness it defiantly rears its ugly head both physically and emotionally in the homes of the rich as well as the poor newlyweds as well as long married couples Christians as well as non Christians As written on back of the book

Internal Family Systems Therapy Martha Sweezy, Ellen L. Ziskind,2013-03-20 Internal family systems therapy or IFS is one of the fastest growing models of psychotherapy today Focused on psychic multiplicity and the healing effects of compassion this non pathologizing therapy has been adopted by clinicians around the world Internal Family Systems Therapy builds on Richard Schwartz s foundational introductory texts illustrating how the IFS protocol can be applied to a variety of therapy modalities and patient populations Each chapter provides clear practical guidance and clinical illustrations While addressing questions from therapists who are exploring the model or wonder about its applicability Internal Family Systems Therapy is also essential reading for knowledgeable IFS clinicians

Gender Inclusive Treatment of Intimate Partner Abuse John Hamel,2005-02-08 This breakthrough handbook for mental health

professionals and educators offers practical hands on information for conducting assessments and providing treatments that take the entire family system into account Rich with research that shows women are abusive within relationships at rates comparable to men the book eschews the field's reliance on traditional domestic violence theory and treatment which favors violence interventions for men and victim services for women and ignores the dynamics of the majority of violent relationships Thus the author identifies and measures protocols that help practitioners make accurate assessments for both men and women and then carefully selects the treatment modality and curricula for group couples and or individual work that will help clients break their particular cycle of violence while ensuring victim safety

Internal Family Systems Therapy Emma E. Redfern, 2022-08-24 Internal Family Systems Therapy Supervision and Consultation showcases the skills of Richard C Schwartz and other leading IFS consultants and supervisors Using unique case material models and diagrams each contributor illustrates IFS techniques that assist clinicians in unblending and accessing Self energy and Self leadership The book features examples of clinical work with issues such as bias faith sexuality and sexual hurts Individual chapters focus on therapist groups such as Black Therapists Rock and on work with specific populations including children and their caregivers veterans eating disordered clients therapists with serious illnesses and couples This thought provoking book offers an opportunity for readers to reflect on their own supervision and consultation both the giving and receiving of it It explores what is possible and preferable at different stages of development when using the IFS model

A Casebook of Cognitive Therapy for Traumatic Stress Reactions Nick Grey, 2009-09-10 Many people experience traumatic events and whilst some gradually recover from such experiences others find it more difficult and may seek professional help for a range of problems A Casebook of Cognitive Therapy for Traumatic Stress Reactions aims to help therapists who may not have an extensive range of clinical experience The book includes descriptions and case studies of clinical cases of cognitive behavioural treatments involving people who have experienced traumatic events including people with phobias depression and paranoid delusions following traumatic experiences people with Posttraumatic Stress Disorder PTSD people who have experienced multiple and prolonged traumatizations people who are refugees or asylum seekers All chapters are written by experts in the field and consider what may be learned from such cases In addition it is considered how these cases can be applied more generally in cognitive behavioural treatments for traumatic stress reactions This book will be invaluable to all mental health professionals and in particular to therapists wanting to treat people who have experienced traumatic events allowing them to creatively apply their existing knowledge to new clinical cases
